DOCKET NO. 9361

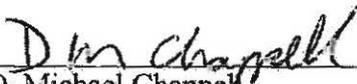

**ORDER GRANTING RESPONDENTS' MOTIONS
TO ENLARGE TIME TO FILE ANSWERS**

On April 24, 2014, Respondent John Fanning and on April 25, 2014, Respondent Jerk, LLC (collectively, "Respondents") each filed a Motion to Enlarge Time to File Answer ("Motions"). Respondents seek to enlarge the time in which to file their Answers from April 24, 2014 to May 5, 2014.

In support of the Motions, Respondents state that counsel for each Respondent recently obtained authority to appear in this matter and need additional time to investigate the claims asserted and formulate a proper response. Respondents further state that the limited extension should not unduly delay other procedural deadlines or the hearing date set for January 27, 2015. In addition, Respondents state that an enlargement of time will permit the parties time to explore possible resolution that may avoid additional cost and expense and preserve resources. According to counsel for Respondent John Fanning, Federal Trade Commission ("FTC") Complaint Counsel does not oppose the extension.

Based on the foregoing, good cause exists to grant the requested extension. 16 C.F.R. § 4.3(b). Accordingly, Respondents' Motions are GRANTED and it is hereby ORDERED that the deadline for Respondents to file their Answers to the Complaint shall be May 5, 2014.
