Three Ways to Avoid COVID-19 Vaccine Scams

Start with your state or local health department to find out how, when, and where to get a COVID-19 vaccine in your community. And to avoid a scam, know that:

- You can’t pay to put your name on a list to get the vaccine. **That’s a scam.**
- You can’t pay to get early access to the vaccine. **That’s a scam.**
- Nobody legit will call, text, or email about the vaccine and ask for your Social Security, bank account, or credit card number. **That’s a scam.**
