*Re: In the Matter of Goldenshores Technologies, LLC, File No. 1323087*

Dear Ms. Lewis-Anderson:

Thank you for your comment expressing support for the Federal Trade Commission's consent agreement with Goldenshores Technologies, LLC, and Mr. Geidl ("respondents"). The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii).

The Commission is committed to safeguarding consumer privacy and believes the proposed order will accomplish this objective. In particular, Part I of the proposed order prohibits respondents from misrepresenting the extent to which its mobile applications collect, use, disclose, or share covered information. It also prohibits respondents from misrepresenting the extent to which users exercise control over the collection, use, disclosure, or sharing of information collected from or about them. Part II of the proposed order requires respondents to (1) disclose, among other things, that they collect or share geolocation information prior to the collection or transmission of such information, and (2) obtain consumers' affirmative express consent to the transmission of such information. Part III of the proposed order requires the company to delete information already collected from consumers through the Brightest Flashlight App.

Accordingly, the Commission has determined that the public interest would best be served by issuing the Decision and Order in final form without any modifications. The final Decision and Order and other relevant materials are available from the Commission's website at [www.ftc.gov](http://www.ftc.gov). We thank you again for your comment.

By direction of the Commission.
