3
4 TELEPHONE CONVERSATION WITH ZARNI MORGAN

5 MS. MORGAN: Hi, how are you?

6 FTC STAFF 1: Hey, Zarni, [redacted] here.

7 MS. MORGAN: Hey.

8 FTC STAFF 1: How you doing?

9 MS. MORGAN: What's going on?

10 FTC STAFF 1: Not much.

11 MS. MORGAN: Not bad.

12 FTC STAFF 1: Not bad, yeah. We're looking
13 forward to coming down. [redacted] here as well.

14 MS. MORGAN: Awesome.

15 FTC STAFF 1: So we're all --

16 MS. MORGAN: Hi, [redacted].

17 FTC STAFF 2: Hi, how are you today?

18 MS. MORGAN: Not too bad. I think I've got
19 a little bit of a temperature today. I think I picked up a --

20 FTC STAFF 1: You picked up a bug?

21 MS. MORGAN: -- little bit of a bug from my
22 girlfriend. Yeah, from a friend of mine.23 FTC STAFF 1: Oh. Oh, no. Are you going to
24 be able to make it down on Thursday?25 MS. MORGAN: I'm not too sure. I'm trying
26 to, but we'll see how it goes. But I've got the

1 webinar tonight with Frank.

2 FTC STAFF 1: Oh, okay, great. Yeah, we
3 just had a few --

4 MS. MORGAN: Yeah.

5 FTC STAFF 1: -- a few followup questions
6 for you. But, anyway, yeah, [redacted] and I are really
7 excited coming down. I don't know if we've mentioned
8 this to you, but we're staying an extra day in Belize
9 City. So we've got to -- we're staying at the
10 Radisson there. We're going to check out one of
11 the --

12 MS. MORGAN: Perfect.

13 FTC STAFF 1: -- Mayan ruins. [redacted] been
14 really excited about that.

15 MS. MORGAN: Perfect. Awesome.

16 FTC STAFF 1: And -- so, yeah, we just had
17 a few followup questions for you. Just kind of want a -- a few things
18 that [redacted] and I have been talking
19 about over the past couple days we wanted to just
20 finalize before we head down there.

21 MS. MORGAN: Okay.

22 FTC STAFF 1: So, [redacted], did you have one?
23 Do you want to go?

24 FTC STAFF 2: Well, I guess my first question
25 was we've been having some issues with our computer
26 here lately and so I wanted to see about the webinar

1 tonight.

2 MS. MORGAN: Uh-huh.

3 FTC STAFF 2: Like how -- how does that work
4 because I'm not very tech savvy and so I want to make
5 sure I've got the computer and stuff lined up
6 beforehand.

7 FTC STAFF 1: Yeah, because I know we did
8 one of these in the past and we had some trouble with
9 the audio. So we just want to know like how is this
10 going to work. Are we -- is there -- are we going to
11 call in somewhere? Are we going to type in questions?
12 How is that --

13 MS. MORGAN: Yeah, so -- yeah, so I sent you
14 a link to your email address, so it's -- you just --
15 you click on that link and it will take you to the
16 website, and then -- and then you should just be able to put your name in
17 there and log in and then it
18 should bring up the audio. And then also like -- it's
19 kind of like slides, what we do on the actual presentation.

20 FTC STAFF 1: Uh-huh.

21 MS. MORGAN: If I were you, though, I'd
22 probably try to get on maybe ten minutes -- well, ten
23 minutes before or what I'll do is like try to log on
24 and if you're having problems, then Darrell, who helps
25 us with our webinar, he can maybe talk you through it.

26 FTC STAFF 2: Okay, that would be great.

1 MS. MORGAN: You know (inaudible).

2 FTC STAFF 2: Yeah, just because I -- I'm not
3 very good with stuff.

4 FTC STAFF 1: We're not too tech savvy over
5 here.

6 FTC STAFF 2: My computer tends to hate me more
7 than love me.

8 MS. MORGAN: Oh (inaudible). I'm not really
9 either. So it's really helpful that Darrell is like
10 literally just a few steps away. So like (inaudible).
11 So if you're having problems, just let me know and I
12 will put Darrell on the phone with you.

13 FTC STAFF 1: Okay, great. Sounds good.
14 We'll try to make that work.

15 MS. MORGAN: Yeah.

16 FTC STAFF 1: So, again, you know, we've
17 mentioned our lawyer earlier. She's looking into some
18 -- a few things on her end. She might have some more
19 questions.

20 MS. MORGAN: Perfect.

21 FTC STAFF 1: We're not entirely sure. But
22 the main cash distribution is this week, so we're all
23 good to go on that end.

24 MS. MORGAN: Okay. So is she going to be
25 talking with the Belizean attorney before -- before
26 you head down?

1 FTC STAFF 2: We have no idea. I know that
2 when we talked to Frank --

3 MS. MORGAN: Right.

4 FTC STAFF 2: -- was it last week then?

5 FTC STAFF 1: I think so.

6 MS. MORGAN: Yes.

7 FTC STAFF 1: Yeah.

8 FTC STAFF 2: So when we talked to Frank --

9 MS. MORGAN: Yeah, it was, yeah.

10 FTC STAFF 2: -- I know he said that if she had
11 any questions, you know, that she could call him. So
12 we gave --

13 MS. MORGAN: Oh, perfect.

14 FTC STAFF 2: So we gave -- we passed that
15 information on to her. So I'm just -- I'm just making
16 a big fat assumption here. I'm making the assumption
17 that if she has any questions, she'll reach out to
18 Frank first, you know, because, I mean, why call --

19 MS. MORGAN: Okay.

20 FTC STAFF 2: -- the -- you know, why bother a
21 law firm when you can, you know, maybe get it answered
22 a lot simpler.

23 FTC STAFF 1: Yeah, we don't know -- they're
24 --

25 FTC STAFF 2: I mean, my luck -- with my work
26 with attorneys --

1 MS. MORGAN: Yeah.

2 FTC STAFF 2: -- they try to make everything
3 way more complicated. So why do that?

4 FTC STAFF 1: Yeah.

5 MS. MORGAN: Yeah, yeah.

6 FTC STAFF 1: We leave it to them.

7 MS. MORGAN: Yeah, it's just because like I
8 know if you're down there and you really fall in love
9 with something and you want to -- before, you want to
10 make sure that the attorney knows, that she -- you
11 know, she's comfortable with everything, she's talked
12 -- she's (inaudible) to the Belizean attorney and it's -- you know, it's
13 all good to rock and roll. So but
14 if she does have any questions, she should reach out
15 to Frank.

16 FTC STAFF 1: Okay.

17 MS. MORGAN: For sure.

18 FTC STAFF 1: All right.

19 MS. MORGAN: Maybe just pop that in and just
20 say, listen, can you give Frank a call today just in
21 case, you know, before we head down. So if there's
22 anything that needs to be addressed, we can do that
23 before we even get down on tour.

24 FTC STAFF 1: Okay.

25 FTC STAFF 2: Yeah, that's great.

26 FTC STAFF 1: Great, sounds good, yeah. I

1 mean, we're super excited.

2 MS. MORGAN: Yeah.

3 FTC STAFF 1: I think it's going to be hard
4 not to --

5 MS. MORGAN: (Inaudible).

6 FTC STAFF 1: Sorry?

7 MS. MORGAN: Yeah, it's -- we're excited to
8 have you down here.

9 FTC STAFF 1: I think it's going to be hard
10 not to fall in love with the place down there. I
11 mean, the pictures and everything look amazing.

12 MS. MORGAN: Yeah.

13 FTC STAFF 1: And so, I mean, one of -- this
14 is obviously one of the biggest purchases we've ever
15 made and --

16 MS. MORGAN: Yeah.

17 FTC STAFF 1: -- we want to know if we could
18 buy one lot with cash when we're ready to go, but
19 we're just thinking about a second lot as an
20 investment for the future.

21 MS. MORGAN: Uh-huh, yeah.

22 FTC STAFF 1: And I remember you said
23 earlier that we'd get a 35 percent cash discount if we
24 bought a second lot.

25 MS. MORGAN: Well, no, so you get -- like
26 that's -- so that's -- 35 percent is like for the cash

1 deal on a lot. But if you want to get another one,
2 they'll take really good care of you. There's a
3 multi-lot discount. So that's why people are going
4 down there and they are buying one, two, sometimes
5 three lots. So they're -- they're going to definitely
6 be able to work well with you on that. So -- and
7 that's something you'll decide when you're down there.

8 So, you know, if you're happy with going
9 through with one and you say, hey, look there's
10 another one in a different area that we feel is going to be a great
11 investment opportunity, let's talk about
12 maybe incorporating that into this deal, they will do
13 that with you.

14 FTC STAFF 1: Gotcha. Okay. So I get a 35
15 percent cash discount for the first lot.

16 MS. MORGAN: Yes.

17 FTC STAFF 1: Okay. And then I don't know
18 if you do this down here, and I do this sometimes in
19 my business, but I offer my clients a discount for
20 prompt payment. It obviously depends on the client's
21 situation. I don't always do this. But do you
22 ever -- how would you feel about moving the cash
23 discount from 35 percent to 45 percent if we agreed to
24 send the money, you know, like 72 hours after being
25 down there?

26 MS. MORGAN: I'm not too sure how they're

1 going to work that down there because I don't actually
2 do the -- like when it comes down to doing the deals
3 and the contracts. That's Daniel and Eric. But, you
4 know, I've seen people walk away where incredible
5 things happened. So you just use your playing cards
6 when you're down there, to be honest.

7 FTC STAFF 1: Mm-hmm.

8 MS. MORGAN: So when you're down there, get
9 boots on the ground, you know, we've reserved that one particular lot
10 for you. So, obviously, you're going
11 to go to different communities, but then they'll take
12 you to that one area. And, you know, if you've got
13 the -- if you've got the funds ready to move --

14 FTC STAFF 1: Yeah, I mean, they're coming
15 in this week.

16 MS. MORGAN: -- what will happen is on
17 Sunday -- yeah, so what will happen, I mean, on the
18 day of the island, remember those palapas I showed you
19 on the slides where you can go out there and have a
20 private talk (inaudible) --

21 FTC STAFF 2: Yeah, there's two -- the two huts
22 on the water, right?

23 MS. MORGAN: Yeah, so that's the office. So
24 if you want to sit down and talk with them, you know,
25 hey, look, we'd really like to have a private
26 conversation and talk about what we've got -- like

1 what our options are here --

2 FTC STAFF 1: Uh-huh.

3 MS. MORGAN: -- either with, you know,
4 Daniel or Eric. They're both incredible. All my
5 clients have come back and they've just been so well
6 taken care of and just thrilled with what they got.
7 So I'll leave them like -- if I can't get down
8 there -- I'm hoping I'm going to be okay, but --

9 FTC STAFF 1: Yeah, I hope so, too. So
10 you're saying we could --

11 MS. MORGAN: Yeah.

12 FTC STAFF 1: -- we could combine -- we
13 could basically combine a cash discount with a prompt
14 payment discount when we're down there.

15 FTC STAFF 2: Maybe.

16 MS. MORGAN: I'm not too sure. I know that
17 like with the -- if you're buying one lot and usually
18 if you come in as cash, depending on the area, if it's
19 North Ridge because it's still considered under
20 construction, like pre-construction phase, I know
21 they're giving extra discounts where you could get up
22 to around the 35 percent. But as I said, you know,
23 when push comes to shove and you're sitting there
24 (inaudible) with them, we've got the cash ready to go
25 now, what deal have you got, and if we're getting two,
26 what are you going to do for us.

1 FTC STAFF 1: Uh-huh.

2 MS. MORGAN: They will -- you know, you've
3 got room to play. So --

4 FTC STAFF 1: Oh, good, okay. So there's
5 some wiggle room here.

6 MS. MORGAN: Yeah.

7 FTC STAFF 1: We can make -- we can make something happen.

8 MS. MORGAN: Well, yeah. I mean, someone
9 coming down who's got cash compared to somebody who's
10 coming down with ten percent is a huge difference. So,
11 you know, they're going to -- they're going to sit
12 down and work something out really well with you,
13 obviously. And then, too, they'll cover your airfares
14 and your tour cost into that purchase as well.

15 FTC STAFF 1: Oh, great. All right, that
16 sounds good.

17 MS. MORGAN: Yeah, yeah.

18 FTC STAFF 2: Now, North Ridge, that was the --
19 that was the one we had talked about before, right,
20 where they're starting to dredge in there and stuff?

21 MS. MORGAN: Exactly.

22 FTC STAFF 2: Okay.

23 MS. MORGAN: So when you go to Sapodilla
24 Ridge and you see all the canals are being dredged
25 out, that's exactly what they're going to be doing and
26 that's what will be accomplished at North Ridge.

1 FTC STAFF 2: Okay. Well, so I did have a
2 question about that and this is great because it leads
3 right into it and I'm not -- I don't appear as
4 scatterbrained as normal.

5 MS. MORGAN: Yeah.

6 FTC STAFF 2: So I did have a question. So I
7 know that we've got our lot that we have -- we've
8 picked out currently and I know that when we talked
9 last week, we had looked at some other ones that were
10 on the water and I had --

11 MS. MORGAN: Yeah.

12 FTC STAFF 2: -- a question about like a --
13 like a boat dock like on our land --

14 MS. MORGAN: Mm-hmm.

15 FTC STAFF 2: -- like that sticks out into the
16 waterway. Would something like that be possible or --

17 MS. MORGAN: Yeah.

18 FTC STAFF 2: -- is it strictly using the
19 marina?

20 MS. MORGAN: No, so that's the whole reason
21 people are usually buying into those lots so for
22 people who can afford to get in on those canal lots.
23 You can have a boat that will come off the back of
24 your property. So there's different ways where they
25 can do cut in, so it's like you can park into part of
26 your property, and they'll show you what that looks

1 like when you get down there. So if you want to have
2 a boat off the back of 97 or if you pick another
3 waterfront lot there, you absolutely can do that.

4 FTC STAFF 1: And is that something that IGY would have to
5 build or manage?

6 MS. MORGAN: No. No, that's something that
7 the builder would be doing for you.

8 FTC STAFF 2: Okay.

9 FTC STAFF 1: Okay. But IG -- oh, sorry,
10 honey, what was it?

11 FTC STAFF 2: Well, I was just -- because I'm
12 curious to, you know, weigh the pros and cons of
13 having our own, you know, dock --

14 MS. MORGAN: Right.

15 FTC STAFF 1: Yeah.

16 FTC STAFF 2: -- versus something at the
17 marina. And so would it be possible when we go down
18 there this week to like talk to someone from IGY? I
19 mean, like do they have -- will they have someone
20 there that we can talk to about, you know, the
21 benefits of buying a slot, a slip --

22 MS. MORGAN: I would be -- well, no, Frank
23 would be the person to talk with. And so write down
24 all those questions because he's actually -- we can
25 actually talk about that on the webinar tonight
26 because Frank's been the one that's been dealing with

1 them directly with IGY.

2 FTC STAFF 1: Gotcha.

3 FTC STAFF 2: Okay. Will there --

4 MS. MORGAN: So --

5 FTC STAFF 1: Will there be an IGY rep on
6 the call tonight?

7 MS. MORGAN: No, there's not going to be an
8 IGY rep, but they did say that any questions are to go
9 through us, so practically Frank. So they already
10 wrote a letter to us and I've got that on my -- on my
11 computer actually where they said, look, any and all
12 questions, you know, feel free to address it through
13 to -- because we had a lot of people calling them and,
14 obviously, you know, they're really, really busy right
15 now. So they've said, look, all questions can be
16 addressed through our company, which would be Frank,
17 because Frank's been the one meeting with them,
18 talking with them, and so he has a lot of insight into
19 those type of questions and how IGY would answer
20 those.

21 FTC STAFF 2: Okay. Because, I mean, if I
22 remember correctly --

23 MS. MORGAN: So I would bring that up on the
24 webinar tonight.

25 FTC STAFF 2: Yeah. So if I remember
26 correctly, you said that we would lease the slip,

1 right, we wouldn't buy it?

2 MS. MORGAN: Yes, yes.

3 FTC STAFF 2: And then so like if we lease a
4 slip, like how long do we lease it for? Like if we're
5 down there for two months --

6 MS. MORGAN: (Inaudible) --

7 FTC STAFF 2: -- do we lease it for two months,
8 do -- or --

9 FTC STAFF 1: That's a good question, honey.

10 FTC STAFF 2: -- is that lease for a year?

11 MS. MORGAN: Yeah, I'm not too sure. That's
12 definitely a question for Frank because I haven't been
13 dealing with IGY directly. But Frank has. All I --
14 all I know is that, you know, people cannot buy those
15 slips. But he's been dealing with other clients who
16 are boat owners.

17 FTC STAFF 2: Okay.

18 MS. MORGAN: So I would definitely bring
19 that up on the webinar tonight.

20 FTC STAFF 1: Gotcha.

21 FTC STAFF 2: Write that question down. Yeah.

22 FTC STAFF 1: Okay.

23 FTC STAFF 2: Okay.

24 FTC STAFF 1: So is Frank -- Frank's like an
25 IGY representative?

26 MS. MORGAN: He's not an IGY representative,

1 but he works very closely with the developer. Frank
2 is practically just as good as the developer. So
3 Frank is the go-to man. He's the one that's had his
4 boots on the ground, dealing with the Belizean
5 government. He's just incredible. So if you need any
6 like as close information as possible, I would be
7 talking with Frank because Frank was the one that was
8 meeting with IGY.

9

10 FTC STAFF 2: Okay.

11 MS. MORGAN: He just recently came back from
12 a meeting with the --

13 FTC STAFF 1: Uh-huh.

14 MS. MORGAN: -- representatives coming down
15 there. So he's the one that's been in talks with
16 them, so he would absolutely be the person I would be
17 directly that question to.

18 FTC STAFF 1: Gotcha. All right, yeah,
19 we'll definitely -- we'll bring that up on our list
20 tonight if we have questions with him.

21 MS. MORGAN: Yeah.

22 FTC STAFF 2: Yeah.

23 FTC STAFF 1: All right.

24 MS. MORGAN: Yeah.

25 FTC STAFF 2: And then how long is the webinar
26 tonight?

1 MS. MORGAN: It really depends. Sometimes it can go about an
2 hour. So it just depends -- what

3 we kind of do is go into an explanation of what you're
4 coming down to take a look at. Frank kind of puts a
5 little bit of his input in there. You'll hear me on
6 there as well. And then it comes time to questions
7 and answers at the end. So, you know, I'd probably
8 put aside about an hour. It just depends how many
9 questions come in. Frank's -- you know, I'm pretty
10 much put on there to, you know, steer Frank because
11 Frank can really go into in-depth detail.

12 FTC STAFF 1: Gotcha. So Frank --

13 MS. MORGAN: So -- he could go on for six
14 hours.

15 FTC STAFF 1: -- Frank's the go-to guy.

16 FTC STAFF 2: Right, gotcha. We don't --

17 MS. MORGAN: He is incredible.

18 FTC STAFF 2: We do not need a six-hour -- we
19 do not need a six-hour webinar. That's for sure.

20 FTC STAFF 1: No, no.

21 MS. MORGAN: Yeah. And that's the thing,
22 like it's a shame -- like I wish he was going to be
23 down there when you guys were there because, honestly,
24 people are just in awe of him. When he goes and he's
25 able to get down on one of the tours, people buy just
26 because Frank's there.

1 FTC STAFF 1: Oh, so we're not going to get
2 to meet him?

3 MS. MORGAN: Yeah. Well, no. So, but, you
4 know, the thing is is that he's happy to take a call
5 from you. He'll be on that webinar tonight.

6 FTC STAFF 1: Gotcha.

7 MS. MORGAN: And, you know, you'll be typing
8 in those questions live --

9 FTC STAFF 1: Uh-huh.

10 MS. MORGAN: -- as we're talking. And then
11 I'll be seeing those and then I'll be telling Frank
12 what questions are coming through and then he'll be
13 able to talk about it on there live.

14 FTC STAFF 1: Okay, gotcha.

15 FTC STAFF 2: No, that's great.

16 FTC STAFF 1: That makes sense.

17 MS. MORGAN: Yeah.

18 FTC STAFF 1: So do you have a sense of who
19 we're meeting down there?

20 MS. MORGAN: Yeah, and it's (inaudible).
21 What was that?

22 FTC STAFF 1: Who are we going to meet down
23 there on the tour?

24 MS. MORGAN: Oh, Danny Key (phonetic), a
25 fellow Aussie; awesome; you guys are going to love

1 Danny. Eric's down there. He's also an owner.

2 You're going to meet quite a few owners down there.

3 FTC STAFF 2: How many owners does this place
4 have?

5 MS. MORGAN: (Inaudible). Oh, well, it was
6 -- we've got like over 800 owners.

7 FTC STAFF 1: Oh, wow.

8 MS. MORGAN: That are (inaudible) owners.

9 FTC STAFF 1: So we're probably not going to
10 meet all of them.

11 MS. MORGAN: But actually living there,
12 though -- no, yeah, but not actually living there.
13 Last count -- I don't know, there's quite a few. But
14 you're going to meet a lot of people when you're down
15 there.

16 FTC STAFF 2: Now, when you say owners --

17 MS. MORGAN: (Inaudible).

18 FTC STAFF 2: -- do you mean like the owners of
19 the individual properties or like the owner of the
20 development itself?

21 MS. MORGAN: You might come across Pete, the
22 developer. He lives down there with his wife, Paula.
23 And so you may come in contact with them. But you'll
24 meet his sister. You're going to meet the developer's
25 sister, Maya. She's fantastic. I love Maya. Maya

1 and Victor. You'll have a blast with them. And then
2 you're going to meet Phil and his wife that live
3 there. He's actually an ex-police detective. And --
4 oh, there's multiple people that you'll meet. So --

5 FTC STAFF 2: Okay.

6 FTC STAFF 1: Yeah, it looks great. Looking
7 forward to meeting them all.

8 MS. MORGAN: (Inaudible). Yeah.

9 FTC STAFF 1: We'll be on our best behavior.
10 Don't worry.

11 MS. MORGAN: That's all right. You know,
12 everyone has a blast down there.

13 FTC STAFF 1: Yeah, I mean, it looks like
14 it's --

15 MS. MORGAN: (Inaudible).

16 FTC STAFF 1: -- hard not to. I mean, it
17 looks like a good time.

18 MS. MORGAN: Yeah, yes.

19 FTC STAFF 1: I just -- I've been thinking
20 about this IGY thing for a second. I just want to --
21 I just want to clarify, just so, you know, because
22 [redacted] and I have been talking about it and if we want
23 to get a boat and that type of situation.

24 MS. MORGAN: Yeah.

25 FTC STAFF 1: So we don't need to go through

1 IGY for info on the marina; we could just go through
2 Frank?

3 MS. MORGAN: Frank, absolutely, yep. You
4 can get information through Frank. As I said, he went
5 down there and he met with the representatives. We've
6 finished building the office down there for IGY at the
7 marina and so he said that the (inaudible) package
8 that will be done at the international boat show is
9 going to be centered around the opening of the Belize
10 marina. So he was the one that met with those guys.
11 So he's seen that from the beginning.

12 FTC STAFF 2: Okay.

13 FTC STAFF 1: All right.

14 MS. MORGAN: So Frank is the go-to man.

15 FTC STAFF 1: Great.

16 MS. MORGAN: Yeah, he's the go-to man. So
17 that's why I was shocked that he said, oh, look, just,
18 you know, pass, you know, [redacted] and [redacted] my number and
19 have them call me.

20 FTC STAFF 1: Yeah, great, no, we really
21 appreciate that.

22 MS. MORGAN: (Inaudible).

23 FTC STAFF 1: No, we had a great, great chat
24 with him.

25 MS. MORGAN: Yeah.

1 FTC STAFF 1: Oh, is there going to be --

2 MS. MORGAN: Oh, he's fantastic.

3 FTC STAFF 1: -- is there going to be AC in
4 any of these buildings when we're down there?

5 MS. MORGAN: Yeah. Oh, hell yes.

6 FTC STAFF 1: Hell yes, oh, great.

7 MS. MORGAN: Yeah, there will be. Yeah, you
8 don't have to worry about that.

9 FTC STAFF 1: Okay.

10 MS. MORGAN: But you'll be doing, you know,
11 quite a bit of swimming. (Inaudible) day, it will be
12 fantastic, you'll love it.

13 FTC STAFF 1: Oh, looking forward to it.

14 MS. MORGAN: You'll be there all day until
15 like around 3:30, yeah.

16 FTC STAFF 1: Forty-eight hours, babe, and
17 we'll be down there.

18 FTC STAFF 2: Yep.

19 MS. MORGAN: Yes. So get out there on the
20 reef, go snorkel, there's paddle boards, kayaks,
21 fishing, food, drink. It's just amazing. And the
22 water is just incredible.

23 FTC STAFF 1: Oh, it looks beautiful, yeah.

24 MS. MORGAN: Absolutely incredible. Yeah.

25 So --

1 FTC STAFF 1: All right, great.

2 MS. MORGAN: Yeah. But any questions that
3 you do think of, yeah, just definitely write it down
4 for tonight at 4:00 so Frank can address all of those.
5 And he's really great. Because if there's something
6 that he really doesn't know and he needs to get info
7 on it, he's not going to feed you full of, you know,
8 fluff. He's going to actually go get that info and
9 then be able to pass it on to you.

10 FTC STAFF 1: That's good.

11 MS. MORGAN: But he's pretty -- he's pretty
12 much knowledgeable on everything.

13 FTC STAFF 1: All right, great. I mean,
14 we've definitely got some questions for him. I think
15 we just want to ask you a few more while we have you
16 one-on-one here --

17 MS. MORGAN: Yeah, sure.

18 FTC STAFF 1: -- so we're not, you know,
19 interrupting the crowd tonight. But one of the
20 things --

21 MS. MORGAN: Yeah.

22 FTC STAFF 1: -- that, you know, really
23 attracted me and [redacted] to this in the beginning is that
24 this place is debt-free. So I just want to clarify
25 that. You mentioned it a couple times and we just

1 really want to understand this. That the developer is
2 completely debt-free. Do we understand that
3 correctly?

4 MS. MORGAN: Yes, that's right. So what
5 happened was he came in and he purchased that land in
6 full. He paid cash. So there's absolutely no money
7 owing on that property whatsoever. It's very, very,
8 very rare you ever come across a development that has
9 been paid for in full. Usually the developers are
10 paying off the bank. And that's how -- that's the
11 issue. (Inaudible) buying into a development where
12 money is owed to the bank because there's where the,
13 you know, problems like where they go bankrupt.
14 They're not making enough sales and they can't proceed
15 with paying off that or even getting the amenities
16 finished.

17 This has all been paid for in full, so they
18 don't have to worry about putting (inaudible) their
19 property. All the money that comes in on those sales
20 are going straight into the completion of everything
21 they need at the marina and everything else that
22 they've been doing.

23 FTC STAFF 2: So --

24 MS. MORGAN: So there's absolutely no way
25 for you to lose your money.

1 FTC STAFF 2: So like no matter what, there's
2 no debt or anything that would stop like the marina
3 from going forward or like --

4 MS. MORGAN: Correct.

5 FTC STAFF 2: -- the grocery stores and the
6 things like that that we've talked about before. Like
7 those will go forward no matter what.

8 MS. MORGAN: Correct.

9 FTC STAFF 1: But -- so --

10 MS. MORGAN: Yeah, you're exactly right.

11 FTC STAFF 1: -- I -- I know he bought the
12 land debt-free, but does he still owe to other people
13 or he's completely debt-free?

14 MS. MORGAN: No, he's completely debt-free.
15 So that's why there's no (inaudible).

16 FTC STAFF 2: Okay. That's --

17 MS. MORGAN: Like we've even got --

18 FTC STAFF 2: Yeah, that's great.

19 MS. MORGAN: Yeah. So, I mean, you could
20 even bring that up on the webinar tonight and just
21 have Frank maybe go into a little bit more.

22 FTC STAFF 2: Yeah, I will.

23 FTC STAFF 1: Uh-huh.

24 FTC STAFF 2: That's the --

25 MS. MORGAN: Of how that all came about,

1 yeah. So --

2 FTC STAFF 2: Yeah, because it's --

3 MS. MORGAN: -- that's also a really, really
4 good question.

5 FTC STAFF 2: Yeah, because it's one of my
6 fears, you know, because I've had it happen to someone
7 in the my family and it just -- you know, it's one of
8 those things.

9 MS. MORGAN: It's terrifying.

10 FTC STAFF 2: Once burned --

11 FTC STAFF 1: Oh, it was a mess.

12 FTC STAFF 2: -- once burned, twice shy.

13 FTC STAFF 1: Yeah.

14 MS. MORGAN: Yeah, it's terrifying. So
15 bring that up. Just, you know, maybe other people
16 might not have thought to even ask that question who
17 are going on the tour with you, so maybe they'd all
18 probably appreciate that a lot, too, if Frank could go
19 into that in a little bit more detail.

20 FTC STAFF 2: Yeah.

21 FTC STAFF 1: Okay.

22 MS. MORGAN: And he'll also give a
23 background (inaudible) -- what he does is he gives a
24 background on who he is --

25 FTC STAFF 1: Uh-huh.

1 MS. MORGAN: -- and what role he's played in
2 his career.

3 FTC STAFF 2: Okay.

4 FTC STAFF 1: All right. So -- so this
5 place is going to stay right on track even if the
6 money coming in slows for some reason?

7 MS. MORGAN: Yes, it does stay on track,
8 that's right.

9 FTC STAFF 2: Okay.

10 MS. MORGAN: So you can definitely bring
11 that up. It's a great question, and have, yeah, Frank
12 go into a little bit more detail.

13 FTC STAFF 1: All right, sounds good.

14 FTC STAFF 2: Yeah.

15 FTC STAFF 1: Yeah, we're looking forward to
16 talking tonight. And there's going to be some
17 environmental questions there, too, right? We'll get
18 a mix of --

19 MS. MORGAN: Perfect.

20 FTC STAFF 1: -- a mix of some stuff.

21 MS. MORGAN: Perfect. So that's -- I'll
22 have him -- like he'll talk about it, but you'll hear
23 me probably start -- I'll start giving him the eye
24 because he -- honestly, he can just go on and on --

25 FTC STAFF 1: Yeah, we --

1 MS. MORGAN: -- and on and on.

2 FTC STAFF 1: -- we kind of got that sense
3 talking to him.

4 FTC STAFF 2: Yeah.

5 MS. MORGAN: Yeah. There's just so much
6 knowledge up in his head and --

7 FTC STAFF 1: Oh, it sounded like -- I mean,
8 he was running circles around us with some of those --
9 some of those concepts.

10 MS. MORGAN: Yeah, yeah, yeah.

11 FTC STAFF 2: Now, something that --

12 MS. MORGAN: But you go --

13 FTC STAFF 2: I'm sorry.

14 MS. MORGAN: He said you guys were great.
15 He said, look, these guys have -- really do have fine
16 questions and so he said, look, yeah, you're a
17 fantastic couple, yeah.

18 FTC STAFF 1: Oh, awesome.

19 FTC STAFF 2: Ahhh.

20 FTC STAFF 1: We like hearing that, yeah.

21 MS. MORGAN: Yeah, no, he really, really did
22 like you guys and he -- you know, even with the other
23 management, you know, they said, oh, did you get Frank
24 to call [redacted] and [redacted]. I'm like, yeah. And they're
25 like, he's (inaudible) look, great couple.

1 FTC STAFF 1: Oh, look at that, babe, we're
2 making quite the impression already.

3 MS. MORGAN: (Inaudible).

4 FTC STAFF 2: Yeah, it's great.

5 FTC STAFF 1: We'll try to keep it up.

6 MS. MORGAN: Yeah.

7 FTC STAFF 2: So I have something written
8 down --

9 MS. MORGAN: Yeah.

10 FTC STAFF 2: -- that I wanted to ask because I
11 realized that out of all the stuff that I -- the
12 little notes and stuff that I have written down from
13 our conversations, we didn't ask about a brokerage
14 fee.

15 MS. MORGAN: A brokerage fee? Not that I'm
16 aware of at all.

17 FTC STAFF 1: So I know for something like
18 in the U.S., we would pay 3 percent. So we don't pay
19 that down there?

20 FTC STAFF 2: So like we don't have to like pay
21 you anything in addition to the payment for the land?

22 MS. MORGAN: No. So you -- I mean, you've
23 just got GST. All of that will be broken down. So
24 when you're down there on the tour with Danny and
25 Eric, they're going to have that payment calculator,

1 kind of like what I used, and they're going to break
2 everything down for you. I haven't heard of a
3 brokerage fee.

4 FTC STAFF 2: Okay.

5 MS. MORGAN: So that's all news to me.

6 FTC STAFF 1: And so what's the GST?

7 MS. MORGAN: No, I have not heard of that.
8 Remember the GST. So it's on the purchase price of
9 the property, not on the original list price. Now,
10 we're talking about the GST, the general sales tax.

11 FTC STAFF 1: Gotcha.

12 MS. MORGAN: Remember when I was going
13 through the payment calculator and it was like 12.5
14 percent? But they break it down. They've got a
15 completely different type of payment calculator than
16 what I use but it really breaks it down and it makes
17 sense and it kind of saves you a lot of costs with the
18 way they do it. So they go through all of that with
19 you down there (inaudible).

20 FTC STAFF 1: So how much is the GST?

21 MS. MORGAN: The GST is 12.5 percent of the
22 purchase price. But they break it up. So they try to
23 do it with a -- where you just pay a little bit on the
24 land. But there's -- I don't know how they do it, how
25 those guys do it when they sign the contracts down

1 there. It's completely different from what I do up on
2 this end.

3 FTC STAFF 1: So do we pay the developer and
4 then he pays the tax?

5 MS. MORGAN: Yes.

6 FTC STAFF 1: Okay.

7 FTC STAFF 2: Okay.

8 FTC STAFF 1: Gotcha.

9 MS. MORGAN: Yeah.

10 FTC STAFF 2: We were just curious that we were
11 going to have to try to figure out how to pay the
12 Belize government or something, like --

13 FTC STAFF 1: Yeah, we didn't want to have
14 to deal with that --

15 MS. MORGAN: No, no, no (inaudible).

16 FTC STAFF 1: -- paperwork.

17 MS. MORGAN: No, so our company -- no, so
18 our company and our accountants and all of that -- so
19 you'll -- everything is being done through a U.S.
20 bank, but then they also make sure that the government
21 is paid in Belize, you know, what they're owed. So
22 they go through all of that with you when you're down
23 there. You might even want to bring that up with
24 Frank. That's another thing. Just maybe mention that
25 and see what he says.

1 FTC STAFF 1: Oh, all right, all right,
2 sounds good. So I think we're almost through. I
3 think we just have a few more questions.

4 FTC STAFF 2: Yeah, the only thing I can think
5 of is was we were wondering if you could like send us
6 some more information about the -- the Cabo and the
7 Long Beach? What was the other one? There was
8 another one, wasn't there?

9 FTC STAFF 1: I think it was like Harvest
10 Cay.

11 MS. MORGAN: Oh, yeah. So with the -- with
12 that Long Island one, we haven't -- the property's
13 been purchased. We haven't been given any information
14 on that yet.

15 FTC STAFF 2: Okay.

16 MS. MORGAN: That's all brand spanking new.

17 FTC STAFF 2: That's fine.

18 MS. MORGAN: That's still in the works right
19 now. But the one in Cabo --

20 FTC STAFF 2: Could you send us the information
21 about the other ones? Because we're curious --

22 FTC STAFF 1: We were just wondering.

23 FTC STAFF 2: We've had such a great experience
24 with you --

25 MS. MORGAN: Yeah, the one in Cabo --

1 FTC STAFF 2: -- that if -- you know, if we get
2 down there and this doesn't work, you know --

3 MS. MORGAN: Yeah.

4 FTC STAFF 2: -- we're willing -- we'd be
5 interested in looking at what else you have to offer.
6 And we're not saying we're not interested in Belize.

7 MS. MORGAN: Yeah.

8 FTC STAFF 2: But we thought if we could just
9 go ahead and get a little bit of information now, why
10 not?

11 MS. MORGAN: Yeah. So what I have to do is
12 I have to find out what's going on with that one
13 because I know they put a hold on it for a bit because
14 I think they were dealing with the surveys and
15 everything else --

16 FTC STAFF 2: Oh, okay.

17 MS. MORGAN: -- you know, with the -- with
18 the Mexican government. So we're not selling that
19 property at this moment, it was put a hold on. So let
20 me -- let me find out what's going on with that one.
21 But that --

22 FTC STAFF 2: That's fine.

23 MS. MORGAN: -- everything with those
24 properties will be happening more so, you know,
25 sometime early next year.

1 FTC STAFF 2: Okay.

2 FTC STAFF 1: Okay.

3 MS. MORGAN: Yeah.

4 FTC STAFF 1: So we can't reserve a lot at
5 those places yet?

6 MS. MORGAN: No, not yet. So what some
7 people might want to do is, you know, obviously come
8 here because IGY's stepping in and immediately your
9 money -- you know, you're going to be making money on
10 your property. But then there's also the option of,
11 you know, you might say, look, I might buy two lots,
12 you'll get one here and, you know, when we're leasing
13 the other ones, you might save some of that money and
14 then put it over in there, too.

15 FTC STAFF 2: Right.

16 MS. MORGAN: To the two places in two
17 different countries.

18 FTC STAFF 1: Right, gotcha, that makes
19 sense. And we can -- okay, that makes sense. Yeah,
20 we could totally do that, babe.

21 FTC STAFF 2: Yeah.

22 FTC STAFF 1: Look at that. Look at our
23 options there for that.

24 FTC STAFF 2: Because, yeah, I mean, where --
25 we only represent developers where they've got it in

1 prime locations where they know for a fact that the
2 value of the property is going to increase really
3 fast. So, you know, maybe if you had one in Belize
4 and --

5 FTC STAFF 1: Right.

6 MS. MORGAN: -- if you wanted to, you know,
7 have property in -- tuck some money into another one
8 in one of the other countries as well.

9 FTC STAFF 1: And could a lot reservation
10 fee apply to one of the other places you sell?

11 MS. MORGAN: Yeah, I don't see why not. I
12 would talk to my -- I would talk to my supervisor
13 because she's got a little bit more knowledge on that.
14 So I can ask her what her thoughts are on it and how
15 close we are to, you know, doing something like that.

16 FTC STAFF 1: Mm-hmm, okay. That would be
17 cool to look into, babe --

18 MS. MORGAN: Yeah.

19 FTC STAFF 1: -- in case we want to --

20 FTC STAFF 2: Yeah.

21 FTC STAFF 1: -- figure something else out.

22 FTC STAFF 2: Keep our options open for sure.

23 MS. MORGAN: Oh, look, I mean, if you've got
24 money to play with and if you have the option to --
25 you know, if I had the option to put it into two

1 different countries, both making killer money and I
2 can travel to two different countries, I would
3 definitely be doing that.

4 FTC STAFF 1: Okay.

5 MS. MORGAN: I wouldn't put it all just --
6 you know, all property in just one -- in one country.
7 I'd try to hit a few different ones.

8 FTC STAFF 1: And what about the -- so we
9 were just talking about this. So I know when we -- I
10 know when [redacted] and I were working on stuff here that
11 we got -- we had title insurance. Is that something
12 that we do down there?

13 MS. MORGAN: (Inaudible) title insurance or
14 getting title for the property?

15 FTC STAFF 1: Yeah, title insurance.

16 MS. MORGAN: Yeah. So that's all -- once --
17 if you do decide you want to move forward with it and
18 you do want to get the title, that's going to be dealt
19 within accounting. So they're going to give you all
20 the information that you need to do to proceed with
21 getting title, which could take -- it could take up to
22 six months. The Belizean government, they run slow.
23 It's not like here in the United States where it's go,
24 go, go, go, go.

25 FTC STAFF 1: Yeah, I can imagine. It's a

1 little different system.

2 MS. MORGAN: Yeah, they go a little slower.
3 You know, they've got a slower system. So that's why
4 I say, you know, at least allow up to a six-month
5 period to, you know, gain the title and -- you know,
6 ask them the fees that are included. I think it's a
7 few thousand dollars at least to get the title. But
8 Kathleen in accounting, she can actually give you all
9 the information on that.

10 Did Sandy not send all of that anyway in the
11 email?

12 FTC STAFF 2: I know she sent us some -- some
13 documents, but I have no idea. I didn't really look
14 at them. I just forwarded.

15 MS. MORGAN: I think she -- yeah, I think
16 she would have given (inaudible) aren't all there
17 because I know that was something that your attorney
18 was questioning about.

19 FTC STAFF 2: Right.

20 MS. MORGAN: So I'm pretty sure -- like if
21 not, when I'm in to -- this afternoon --

22 FTC STAFF 1: Uh-huh.

23 MS. MORGAN: -- I'll email it through to you
24 and you could forward that straight away to your
25 attorney.

1 FTC STAFF 2: Right.

2 MS. MORGAN: Just the information on how the
3 title process works.

4 FTC STAFF 2: Well, I did have a question. So
5 you said it could take like up to six months --

6 MS. MORGAN: Yeah.

7 FTC STAFF 2: -- to get this all taken care of.

8 MS. MORGAN: Mm-hmm, for it to go to the
9 lands department.

10 FTC STAFF 2: Do we have to wait -- do we have
11 to wait before we can start building or can we start
12 building right away?

13 MS. MORGAN: No, you can start building.
14 No, you can start building. It's just -- it's just to
15 say that, you know, you want the title in hand.

16 FTC STAFF 1: Gotcha.

17 FTC STAFF 2: Okay.

18 MS. MORGAN: So --

19 FTC STAFF 1: Okay.

20 MS. MORGAN: -- you can definitely start to
21 build, yeah.

22 FTC STAFF 1: Yeah, that makes sense.

23 MS. MORGAN: You're (inaudible). So -- but,
24 you know, why not? Why not go ahead and get the title

1 to the property if you paid for it.

2 FTC STAFF 1: Right. I mean, do buyers
3 usually get title insurance?

4 MS. MORGAN: I don't think everyone gets
5 title insurance. I don't think -- because I've never
6 heard anyone say that they've gone to do it. And if
7 that was a regular thing, I would have heard about it.
8 But I haven't had anybody talk about getting title
9 insurance.

10 FTC STAFF 1: Okay, all right.

11 MS. MORGAN: So but -- yeah.

12 FTC STAFF 1: Sounds good.

13 MS. MORGAN: But what I'll do is I'll still
14 -- I'll still get Kathleen to forward me the email
15 that she sends out to people when they're asking to
16 get the title. And then you can just forward that on
17 to (inaudible) --

18 FTC STAFF 1: Okay, yeah, we were --

19 FTC STAFF 2: Yeah, we were just curious.

20 FTC STAFF 1: -- just curious because I know
21 it's like a -- sometimes a thing up there and we
22 didn't know what's the deal down there.

23 FTC STAFF 2: Yeah, yeah.

24 FTC STAFF 1: But, okay, that sounds great.

25 MS. MORGAN: Yeah, it's a little bit

1 different when it's in Belize. Everything works a
2 little bit differently. But it's very smooth. Like
3 even with the contracts, they're just a couple --
4 they're just a few pages.

5 FTC STAFF 1: Oh, that's -- ah, I love it.

6 MS. MORGAN: Very simple. Yeah.

7 FTC STAFF 1: That's my kind of paperwork.

8 FTC STAFF 2: Yeah, that's a lot easier than
9 when we bought our land --

10 MS. MORGAN: (Inaudible).

11 FTC STAFF 1: Oh, man.

12 FTC STAFF 2: -- where we built our house.

13 MS. MORGAN: Yeah, because when you're
14 there, they'll sit down and they'll read the contract
15 with you. They'll go through it and explain. You'll
16 be shocked at how simple the contracts are there.

17 FTC STAFF 1: Okay.

18 MS. MORGAN: So I've got clients who were
19 down there wanting to like -- dying to like get
20 through the -- start the building phase. It's really,
21 really exciting. I've got owners that have gone down
22 there and back within two months saying, I'm starting
23 to build. So --

24 FTC STAFF 1: Wow, that's great. I mean,
25 that's what we're hoping to do.

1 MS. MORGAN: Yeah.

2 FTC STAFF 2: Yeah.

3 MS. MORGAN: Yeah.

4 FTC STAFF 1: So I think that wraps it up
5 for us, Zarni. Oh, actually, I just had one more
6 question. So I was going through my credit card
7 statements and --

8 MS. MORGAN: Mm-hmm.

9 FTC STAFF 1: -- for the -- for the tour and
10 the lot, it was charged under something called Global
11 Property. What is that?

12 MS. MORGAN: Yeah, so that's Global Property
13 Alliance. Yeah, so that's the -- that's the part of
14 the developer. So that's who your --

15 FTC STAFF 1: Wait --

16 MS. MORGAN: -- (inaudible) in the
17 accounting section.

18 FTC STAFF 1: -- what do you mean -- what
19 was it?

20 FTC STAFF 2: No, nothing.

21 FTC STAFF 1: Oh, okay. Gotcha.

22 MS. MORGAN: Yeah. So just make sure that
23 you keep your receipts and if you do decide you want
24 to buy, just like let them know how much the airfare
25 is costing you, let them know -- like they know how

1 much the tour costs and then, you know, you got your
2 lot reservation in and they'll just incorporate it
3 into the purchase for you.

4 FTC STAFF 1: Okay, all right, sounds good.

5 MS. MORGAN: Yeah, yeah. How much did the
6 flights cost you, by the way?

7 FTC STAFF 1: Oh, I have to check. I think
8 they were -- I think it was about 12 --

9 FTC STAFF 2: I think it was under -- it was
10 1,214, something like that.

11 FTC STAFF 1: Yeah.

12 MS. MORGAN: Right.

13 FTC STAFF 2: It wasn't too --

14 FTC STAFF 1: For two round trip, I mean --

15 FTC STAFF 2: They were reasonable.

16 FTC STAFF 1: Yeah, they were cheaper than
17 we thought they would be.

18 MS. MORGAN: We've got people who have been
19 following the property for many years and they didn't
20 jump on it and they're calling us now and saying, oh,
21 we're ready to come, we should have come down two
22 years ago. So now they're jumping to come in because
23 they've been following the project for, you know, that
24 long. And so they're now, we're coming first class
25 because we know we're going to buy so you're going to

1 cover the airfares anyway, so we're coming in first
2 class.

3 FTC STAFF 2: Oh, no, we weren't going that
4 way.

5 FTC STAFF 1: No, we're not -- we're not --
6 I don't know if we're a first class couple yet.

7 MS. MORGAN: No, I mean, you guys haven't
8 been following it. So but it's the people who have,
9 you know, they're (inaudible) emailing (inaudible)
10 them watching the property and watching everything
11 that's been happening, all the progress, and now, you
12 know, they're ready to move. And these people, too,
13 have (inaudible) so they already know what they're
14 coming into. It's easier for them to say, oh, I'm
15 going to come in first class, you're going to cover my
16 airfare, I know I'm buying.

17 FTC STAFF 1: Well, maybe someday, [redacted]

18 FTC STAFF 2: Yeah.

19 FTC STAFF 1: -- we'll take that first class
20 flight down there.

21 FTC STAFF 2: Yeah, I just --

22 FTC STAFF 1: Show up in style.

23 FTC STAFF 2: I just can't -- I can't make
24 myself pay for all that just to sit somewhere.

25 FTC STAFF 1: No, not yet.

1 MS. MORGAN: Yeah, no, it's going to --
2 you're going to have a blast. You're going to have an
3 absolute blast. And, look, worst case scenario, you
4 don't buy, you've met some great people, you come to
5 the country, you've seen it, and you can say that,
6 hey, you know, I went and checked out a good
7 opportunity, it wasn't for me, but --

8 FTC STAFF 1: Uh-huh.

9 MS. MORGAN: -- I don't feel like I missed
10 out. You know what I mean?

11 FTC STAFF 1: Yeah. I mean, that's totally
12 -- I think that's the perfect approach.

13 MS. MORGAN: So --

14 FTC STAFF 1: So but --

15 MS. MORGAN: -- you got there, open mind, you know.

16 FTC STAFF 1: Yeah.

17 MS. MORGAN: Ask (inaudible) whatever you want.

18 FTC STAFF 1: Excellent, excellent.

19 MS. MORGAN: And -- yeah.

20 FTC STAFF 1: So, yeah, super excited about
21 it and we'll --

22 MS. MORGAN: You'll be pumped full of info.

23 FTC STAFF 1: I'm sorry?

24 MS. MORGAN: You'll be pumped full of information.

25 FTC STAFF 1: Good. There's only so much we can digest.

26 MS. MORGAN: So everything -- everything you

1 keep thinking of through here -- everything you keep
2 thinking of through the day, your questions, write
3 them down.

4 FTC STAFF 1: Uh-huh.

5 MS. MORGAN: And even if you start putting
6 them in an email, I think it would help a lot. It's
7 up to you if you guys have time. If you put it in an
8 email and I can have it ahead of time, even with some
9 of them, you'll have some more come to mind as we're
10 talking on the webinar.

11 FTC STAFF 1: Right.

12 FTC STAFF 2: Right.

13 MS. MORGAN: But just the ones you can think
14 of now, if you could email it so I can give it to
15 Frank. So if there's any updates he needs to check on
16 before he gets on the webinar tonight, then he's ready
17 for that, and he can give you the updated information.

18 FTC STAFF 1: Okay, cool.

19 FTC STAFF 2: Yeah, that sounds perfect.

20 MS. MORGAN: That would help a lot.

1 FTC STAFF 1: Yeah, we'll --

2 MS. MORGAN: That would help a lot.

3 FTC STAFF 1: [redacted] and I will spend the rest
4 of the day here coming up with questions together and
5 seeing what we want to --

6 MS. MORGAN: Awesome, yeah. And just email
7 them through to me --

8 FTC STAFF 1: Okay.

9 MS. MORGAN: -- and then I'll print it out
10 and I'll give it to Frank and I'll make sure we
11 address all those on the webinar. Plus you'll have
12 more, as I said, and you can just write -- and you
13 start typing it live.

14 FTC STAFF 1: Okay, great, sounds good.
15 Yeah, we're super excited to come down.

16 FTC STAFF 2: Yeah.

17 FTC STAFF 1: You know, hopefully, you start
18 feeling better and maybe we can meet you down there.

19 MS. MORGAN: I know, I'm hoping. If I just
20 -- if I can kick this fever.

21 FTC STAFF 1: Ugh.

22 MS. MORGAN: I (inaudible) have a fever and
23 I know I got it from my friend because she's home sick
24 in bed.

25 FTC STAFF 1: Oh, yeah, the culprit.

1 FTC STAFF 2: Oh.

2 MS. MORGAN: Yeah, we hung out a few days
3 ago and so I know I got it from there.

4 FTC STAFF 1: Okay.

5 MS. MORGAN: But --

6 FTC STAFF 1: All right.

7 MS. MORGAN: But I'll be in for the webinar.
8 I won't let Frank down. Frank and I work very well
9 together so --

10 FTC STAFF 1: Sounds good. Oh, by the way,
11 did you see -- did you see the email I sent? Our
12 attorney is asking for like specific lot information
13 on Lot 97 or something.

14 MS. MORGAN: Yes, and I sent that
15 immediately to Sandy and then Sandy responded straight
16 away.

17 FTC STAFF 1: Oh, okay.

18 MS. MORGAN: Yeah. So you should have that
19 in your inbox.

20 FTC STAFF 1: The one I sent last night?

21 MS. MORGAN: Because I went to her office.
22 Yeah, I went to her office and she responded immediately.

23 FTC STAFF 1: Okay, all right.

24 MS. MORGAN: I think I even have a copy in mine.

25 FTC STAFF 1: Gotcha. All right, I'll
26 double-check that.

1 MS. MORGAN: Yeah.

2 FTC STAFF 1: Okay. All right, Zarni, well,
3 take it easy. I hope you start to feel better.

4 MS. MORGAN: Thank you. And I'll be hearing
5 from you guys tonight then.

6 FTC STAFF 1: Great, sounds good.

7 FTC STAFF 2: Yeah.

8 MS. MORGAN: If you have a problem, I'll
9 have my phone on me, just call me and say, Zarni, we
10 can't get on, and then I'll get Darrell on the phone
11 with you.

12 FTC STAFF 1: All right, great, awesome.
13 Thanks so much.

14 FTC STAFF 2: Yeah.

15 MS. MORGAN: No problem. All right, we'll
16 talk tonight.

17 FTC STAFF 1: All right. Talk to you soon,
18 Zarni.

19 FTC STAFF 2: Bye.

20 FTC STAFF 1: Take it easy.

21 MS. MORGAN: Okay, thank you.

22 FTC STAFF 1: All right. Bye-bye.

23 MS. MORGAN: Bye.

24 (The call was concluded.)
