Our #FTCbcp Twitter chat on FTC's proposed settlement w/Reebok is starting in 5 mins! We'll tweet some background now.

Reebok made unsupported claims that its toning shoes would strengthen & tone leg & butt muscles more than regular shoes. #FTCbcp

FTC settlement bars Reebok from making any health/fitness claims 4 toning shoes/apparel unless claims R true & backed by science. #FTCbcp

Reebok also barred from misrepresenting any tests, studies, or research results regarding toning shoes & other apparel. #FTCbcp

Reebok will pay the FTC \$25 million to refund consumers as part of the settlement. Submit claims here: <http://go.usa.gov/8yL> #FTCbcp

Good afternoon! Attorneys Larissa Bungo & Dana Barragate from FTC's Cleveland office here for #FTCbcp. Qs about our case w/Reebok?

Q1. RT [REDACTED] What's this mean for advertisers? #FTCbcp

A1. All advertisers need support for claims they make about their products before they make them. <http://go.usa.gov/8yL>

e
