Citra-Slim 4, the Medically Proven Capsule "IT'S THE FASTEST, SAFEST WEIGHT- LOSS METHOD"

Paul Ericksson is a well known authority on weight loss.
His remarkable new formula is now available in the U.S.

A single capsule acts for 4 days!
Each Citra-Slim 4 capsule uses a sustained-release formula, based on a method that is well known in the pharmaceutical industry. With Citra-Slim 4 you can be sure that a single capsule is capable of dislodging all localized fat deposits. Up to 5 pounds every four days!

Here's how Citra-Slim 4 works!
Within the Citra-Slim 4 formula are new fat-attacking molecules which *literally* break down fatty deposits in the body. The fat attacking component of Citra-Slim 4 is balanced with other compounds, to guarantee weight loss of up to 5 pounds every 4 days.

Citra-Slim 4 works without me having to do any strenuous exercise!
You simply need to take the capsule and drink plenty of water throughout the day. We recommend six 8-ounce glasses of water per day due to the fact that while the capsule is dislodging fat, the body needs water to eliminate it.

No special diet is required during the treatment period!
I actively discourage it. This is not because I am against the idea of a balanced and reduced diet. But simply due to the fact that if you follow a restrictive diet at the same time you take Citra-Slim 4, you could mistakenly believe the weight loss is due to the diet. So, continue to eat as you normally do, and you will observe daily progress in terms of weight loss. In this way you will realize that Citra-Slim 4 alone is the sole cause of the vanishing fat. It's the real proof.

EUROPE'S ALL-TIME BEST SELLING DIET MIRACLE!

- W8-B-GONE -

NOW AVAILABLE IN THE U.S. FOR THE VERY FIRST TIME!

It is available in limited supplies only.

The enclosed form bearing your name and order number
- GUARANTEES you a fresh and immediate supply!

Dear Friend,

--- **W8-B-Gone** was originally developed in Sweden. A super powerful, high potency molecular formula that removes fat from the system instantly, removing and expelling it naturally over a period of just four days.

--- **W8-B-Gone** was first introduced exclusively through Brantley Juergen, Sweden's most famous and respected weight-loss specialist.

News of its amazing effectiveness spread quickly in northern Europe - and soon it was in demand throughout all of the European continent.

It quickly became Sweden's top diet aid - and a leading European magazine, GOOD HEALTH, described it simply as: "**THE MIRACULOUS TREATMENT**"

News of this weight-loss miracle capsule soon spread to the luxurious spas of Germany and France. And from there to all the great continental nations making **W8-B-Gone Europe's all-time best-selling weight-loss secret**.

--- Brantley Juergen then decided to make his proprietary formula available in the U.S.

And to assure its freshness and potency, after an exhaustive search, he chose MBE MANAGEMENT to be his U.S. distributor. MBE Management is famous the world over for their strict ethical standards in producing only pure pharmaceutical-standard "**100% natural products**".

And to GUARANTEE the power and freshness of this remarkable, high potency formula, MBE Management made the decision to only market it straight to the customer on a one-to-one basis.

It will not sit on store shelves and lose 60 to 80% of its power as do some popular health aids and drugs.

This means it is only available by direct order from MBE Management.

--- Naturally the demand for **W8-B-Gone** is great – and the supply, because of our high manufacturing standards, is small.

That's why we have included the enclosed registered Priority Order Form bearing your name and your individual order number.

This registered form guarantees you immediate delivery from our fresh and limited stock. It also guarantees you will be among the very first people in the U.S. privileged to experience the weight-loss miracle capsule of W8-B-Gone!

Remember **W8-B-Gone's** powerful super-molecular formula works on our exclusive "sustained release" system.

This means it works continuously in your body – day and night – at work, play or sleep.

And achieves these CLINICALLY-PROVEN results:

- Take just **one capsule** and **lose up to 5 pounds in 4 days**
- Take another capsule and in 4 more days lose 5 more pounds
(10 pounds total)
- Take a third capsule and in 4 more days lose 5 more pounds
(15 pounds total)
- With the convenient **W8-B-Gone 4-capsule** pack, you can lose
up to 20 pounds in only 16 days!

The entire amazing story of **W8-B-Gone** is presented in detail in the enclosed brochure.

--- It explains how it works without dieting! You continue to eat your favorite foods. **W8-B-Gone** is 100% safe! The astonishing clinical tests prove it really is "a miracle capsule"!

Within the W8-B-Gone formula are new fat-attacking molecules which literally break down fatty deposits in the body. The fat attacking component of W8-B-Gone is balanced with other compounds, to guarantee weight loss of up to 5 pounds every 4 days.

You simply need to take the capsule and drink plenty of water throughout the day. We recommend six 8-ounce glasses of water per day due to the fact that while the capsule is dislodging fat, the body needs water to eliminate it.

No special diet is required during the treatment period!

I actively discourage it. This is not because I am against the idea of a balanced and reduced diet. But simply due to the fact that if you follow a restrictive diet at the same time you take W8-B-Gone, you could mistakenly believe the weight loss is due to the diet. So, continue to eat as you normally do, and you will observe daily progress in terms of weight loss. In this way you will realize that W8-B-Gone alone is the sole cause of the vanishing fat. It's the real proof.

W8-B-Gone always works!

I have all the results of tests conducted in Sweden and across Europe on individuals of both sexes and all ages. All of them automatically lost between 4 and 6 pounds over the 4 days, making an average weight loss of 5 pounds. That is how we can safely claim this figure. It simply corresponds to the facts.

"W8-B-Gone is perfectly safe in terms of health!"

Whatever the state of your health, and whatever other treatment you may be taking, you can take W8-B-Gone without any risk whatsoever. W8-B-Gone has only one effect-to dislodge fat deposits. It is advisable to discontinue treatment when you have reached your target weight, as otherwise you may lose too much.

W8-B-Gone is a truly exceptional and unequalled product. We guarantee it will have absolutely no negative effects on your health. you will lose weight. In bringing this new breakthrough treatment to the U.S., we must keep the formula a secret in order to avoid unauthorized copying by unlicensed labs.

**Europe's All-Time Best Selling Diet Miracle!
Now Available in the U.S. for the Very First Time in Limited Supplies Only!**

Dear Friend,

Quick & Easy was originally developed in Sweden. A super powerful, high potency molecular formula that removes fat from the system instantly, removing and expelling it naturally over a period of just four days.

Quick & Easy was first introduced exclusively through Edvard Johansson, Sweden's most famous and respected weight-loss specialist.

News of its amazing effectiveness spread quickly in northern Europe – and soon it was in demand throughout all of the European continent.

It quickly became Sweden's top diet aid – and a leading European magazine, *GoodHealth*, described it simply as: **"The Miraculous Treatment"**.

News of this weight-loss miracle capsule soon spread to the luxurious spas of Germany and France. And from there to all the great continental nations making **Quick & Easy** Europe's all-time best-selling weight-loss secret.

Edvard Johansson then decided to make his proprietary formula available in the U.S.

And to assure its freshness and potency, after an exhaustive search, he chose Health & Nutritional Products to be his U.S. distributor. Health & Nutritional Products is famous the world over for their strict ethical standards in producing only pure pharmaceutical-standard "100% natural products".

And to guarantee the power and freshness of this remarkable, high potency formula, Health & Nutritional Products made the decision to only market it straight to the customer on a one-to-one basis.

It will not sit on store shelves and lose 60% to 80% of its power as do some popular health aids and drugs.

This means it is only available by direct order.
