STIPULATED ORDER FOR PERMANENT INJUNCTION AND MONETARY
JUDGMENT AS TO INDEPENDANT RESOURCES NETWORK CORP.
also d/b/a IRN PAYMENT SYSTEMS

Plaintiff Federal Trade Commission ("Commission" or "FTC") filed its *First Amended Complaint for Permanent Injunction and Other Equitable Relief* ("Amended Complaint") against Defendant Independent Resources Network Corp. also d/b/a IRN Payment Systems ("IRN") for a permanent injunction and other equitable relief pursuant to Sections 13(b) and 19 of the Federal Trade Commission Act ("FTC Act"), 15 U.S.C. §§ 53(b) and 57b, and the Telemarketing and Consumer Fraud and Abuse Prevention Act ("Telemarketing Act"), 15 U.S.C. §§ 6101-6108. The Commission and IRN stipulate to the entry of this *Stipulated Order for Injunction and Monetary Judgment as to Independent Resources Network Corp. also d/b/a IRN Payment Systems* ("Order") to resolve all matters in dispute in this action between them.

THEREFORE, IT IS ORDERED as follows:

FINDINGS

1. This Court has Jurisdiction over this matter.
2. The Complaint charges that IRN provided substantial assistance or support to the other Defendants in this case—Innovative Wealth Builders Inc., Carly Janene Pelland, Tamara Dawn Johnson, and Sheryl Leigh Lopez—whom IRN knew, or consciously avoided knowing, were engaged in violations of the Telemarketing Sales Rule (“TSR”), 16 C.F.R. Part 310, and charges that IRN’s acts or practices are deceptive telemarketing acts or practices that violate the TSR, 16 C.F.R. § 310.3(b).
3. IRN neither admits nor denies any of the allegations in the Complaint, except as specifically stated in this Order. Only for purposes of this action, IRN admits the facts necessary to establish jurisdiction.
4. IRN waives any claim that it may have under the Equal Access to Justice Act, 28 U.S.C. § 2412, concerning the prosecution of this action through the date of this Order, and agrees to bear its own costs and attorney fees.
5. IRN and the Commission waive all rights to appeal or otherwise challenge or contest the validity of this Order.

DEFINITIONS

For purposes of this Order, the following definitions shall apply:

- A. “ACH Debit” means any completed or attempted debit to a Person’s account at a financial institution that is processed electronically through the Automated Clearing House Network.
- B. “Card-Not-Present Transactions” means a debit or credit card transaction whereby the Person’s debit or credit card is not physically swiped, scanned or imprinted.

C. “Chargeback” means a procedure whereby an issuing bank or other financial institution charges all or part of an amount of a Person’s credit or debit card transaction back to the acquiring or merchant bank.

D. “Chargeback Rate” means the proportion (expressed as a percentage) of Chargebacks out of the total number of credit or debit card sales transactions, calculated separately for each payment card association (e.g., American Express, Discover Card, MasterCard, Visa, etc.).

E. “Client” means any Person for which IRN provides Payment Processing.

F. “Covered Client” means any Client (1) that on an annual basis, whether measured by a single merchant account or by the aggregate of all merchant accounts held by the Covered Client, processes more than fifteen percent (15%) Card-Not-Present Transactions and more than two hundred thousand dollars (\$200,000) in total Card-Not-Present Transactions; or (2) that is engaged in any of the following types of businesses: (a) collection agency, (b) credit card protection service, (c) lead source providers, (d) money making systems – get rich quick, (e) mortgage loan modification, or (f) outbound telemarketing.

G. “Debt Relief Product or Service” means any product, service, plan or program represented, directly or by implication, to renegotiate, settle, or in any way alter the terms of payment or other terms of the debt between a Person and one or more unsecured creditors or debt collectors, including, but not limited to, a reduction in the balance, interest rate, or fees owed by a Person to an unsecured creditor or debt collector.

H. “Payment Processing” means providing a Person, directly or indirectly, with the means used to charge or debit accounts through the use of any payment mechanism, including, but not limited to, Remotely Created Payment Orders, Remotely Created Checks, ACH Debits, or debit, credit, prepaid, or stored value cards. Whether accomplished through the use of software or

otherwise, Payment Processing includes, among other things: (a) reviewing and approving merchant applications for payment processing services; (b) providing the means to transmit sales transaction data from merchants to acquiring banks or other financial institutions; (c) clearing, settling, or distributing proceeds of sales transactions from acquiring banks or financial institutions to merchants; or (d) processing Chargebacks or returned Remotely Created Payment Orders, Remotely Created Checks, or ACH Debits.

I. “Person” means an individual, partnership, corporation, entity, association or organization.

J. “Remotely Created Check” or “RCC” means a check that is not created by the paying bank and that does not bear a signature applied, or purported to be applied, by the Person on whose financial account the check is drawn. An RCC is often also referred to as a “demand draft,” “telephone check” or “preauthorized draft.” For purposes of this definition, an RCC originates as a paper-based transaction, but can be processed subsequently through electronic means (such as through check imaging or scanning) or through non-electronic means.

K. “Remotely Created Payment Order” or “RCPO” means a payment instruction or order drawn on a Person’s financial account that is initiated or created by the payee and that does not bear a signature applied, or purported to be applied, by the Person on whose financial account the order is drawn, and which is deposited into or cleared through the check clearing system. For purposes of this definition, unlike an RCC, an RCPO does not originate as a paper-based transaction. An RCPO is created when a payee directly or indirectly enters financial account and routing numbers into an electronic check template that is converted into an electronic file for deposit into the check clearing system.

L. “Total Return Rate” means the proportion (expressed as a percentage) of all attempted

ACH Debit, RCC or RCPO transactions that are returned through the banking system for any reason, whether before or after payment, out of the total number of such attempted transactions, calculated separately for each transaction type.
