DECISION AND ORDER

The Federal Trade Commission, (“Commission”), having initiated an investigation of certain acts and practices of National Association of Teachers of Singing, Inc. (“Respondent” or “NATS”) and Respondent having been furnished thereafter with a copy of a draft of complaint that the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge Respondent with violations of Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

Respondent, its attorneys, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by Respondent that the law has been violated as alleged in such complaint, or that the facts as alleged in such complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondent has violated the said Act, and that a complaint should issue stating its charges in that respect, and having accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure described in § 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings and enters the following order (“Order”):

APPENDIX B

(Letterhead of NATS)

Dear Member:

As you may know, the Federal Trade Commission conducted an investigation concerning the provision in NATS's Code of Ethics that stated:

Members will not, either by inducements, innuendoes, or other acts, proselytize students of other teachers.

The Federal Trade Commission alleges that this provision in the Code of Ethics violates the Federal Trade Commission Act because it unnecessarily restricts members of NATS from competing for students, thereby depriving students of the benefits of competition among teachers of singing.

To end the investigation expeditiously and to avoid disruption to its core functions, NATS voluntarily agreed, without admitting any violation of the law, to the entry of a Consent Agreement and a Decision and Order by the Federal Trade Commission. As a result, NATS is in the process of revising its Code of Ethics and will implement an antitrust compliance program.

In general, the Federal Trade Commission has prohibited NATS from maintaining bylaws, code of ethics, operational policies, or membership requirements that restrict members from soliciting students or other teaching work, including restricting members from offering services directly to students who may be receiving similar services from other teachers of singing.

Some chapters that are affiliated with NATS have codes of ethics or similar documents that contain provisions that restrict its members from: (a) soliciting students or other teaching work, (b) advertising prices or other terms of teaching services, or (c) competing on price-related terms. The Federal Trade Commission has prohibited NATS from accepting or maintaining as a chapter any association that has such a code of ethics or similar document that contains these prohibited restrictions.

In order to maintain its affiliation with NATS, each chapter must review its constitution and bylaws, code of ethics, operational policies, and membership requirements to determine if they contain any of these prohibited restrictions on members. Examples of these prohibited restrictions would include:

- Restricting a member from proselytizing pupils of another teacher by inducement, innuendo, insinuations, or other acts.
- Restricting a member from accepting as a student anyone who has not satisfied financial obligations to another member.

- Restricting a member from advertising or offering free scholarships or free tuition.

Chapters that are affiliated with NATS and that have any of these prohibited restrictions in their constitution and bylaws, codes of ethics, operational policies, membership requirements, or elsewhere will have the opportunity to remove them. If a chapter does not certify to NATS that it does not have such restrictions prior to the deadline set forth in the Decision and Order, NATS will have to remove it as a chapter until such time as the chapter complies with the Decision and Order.

The Decision and Order does not prohibit NATS or its affiliates from adopting and enforcing Codes of Ethics or similar documents that govern the conduct of members with respect to representations that NATS reasonably believes would be false or deceptive within the meaning of Section 5 of the Federal Trade Commission Act.

A copy of the Decision and Order is enclosed. It is also available on the Federal Trade Commission website at www.FTC.gov, and through the NATS web site.
