The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondents have violated the said Acts, and that a Complaint should issue stating its charges in that respect, and having thereupon issued its Complaint and an Order to Maintain Assets, and having accepted the executed Consent Agreement and placed such Consent Agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16

No later than forty five (45) days after the Acquisition Date, Respondents shall divest the VCD Assets To Be Divested and the Steerable Sheath Assets To Be Divested to Terumo, absolutely and in good faith, at no minimum price, pursuant to and in accordance with the Terumo Purchase Agreement (which agreement shall not vary or contradict, or be construed to vary or contradict, the terms of this Order, it being understood that nothing in this Order shall be construed to reduce any rights or benefits of Terumo or to reduce any obligations of Respondents under such agreement);

Provided, however, that if Respondents have divested the Assets To Be Divested to Terumo prior to the date this Order is issued and served as final, and if, at the time the Commission determines to issue and serve this Order as final, the Commission notifies Respondents that Terumo is not an acceptable purchaser of one or both of the Assets To Be Divested, then Respondents shall immediately rescind the transaction with Terumo, in whole or in part, as directed by the Commission, and shall divest the Assets To Be Divested within ninety (90) days from the date this Order is issued, absolutely and in good faith, at no minimum price to an Acquirer or acquirers that receive the prior approval of the Commission, and only in a manner that receives the prior approval of the Commission.

Provided further that if Respondents have divested the Assets To Be Divested to Terumo prior to the date this Order is issued and served as final, and if, at the time the Commission determines to issue and serve this Order as final, the Commission notifies Respondents that the manner in which the divestiture was accomplished is not acceptable, the Commission may direct Respondents, or appoint a Divestiture Trustee, to effect such modifications to the manner of divestiture of the Assets to Be Divested to Terumo (including, but not limited to, entering into additional agreements or arrangements) as the Commission may determine are necessary to satisfy the requirements of this Order.

B. Prior to the Closing Date, Respondents shall:

1. Secure, at their sole expense, all consents and waivers from all Third Parties that are necessary to permit Respondents to divest the Assets To Be Divested to the Acquirer(s), and to permit the Acquirer(s) to continue to operate the Businesses related to the Assets To Be Divested in a manner that will achieve the purposes of this Order; *provided, however*, that the Respondents may satisfy this requirement by certifying that the Acquirer(s) has executed agreements or entered into equivalent arrangements directly with the relevant Third Party(ies); and
2. Secure the transfer from the Respondents to the Acquirer(s) of any licenses, approvals, permits, registrations, certificates, rights, or other authorizations from any Persons or Governmental Entity(ies) that are necessary to accomplish the divestiture and transfer of the Assets To Be Divested to the Acquirer(s), and for the continued operation of such assets by the Acquirer(s), in a manner that will achieve the purposes of this Order;

Provided, however, that in the event Respondents are unable to secure the transfer to the Acquirer(s) of, or the Acquirer is unable to obtain, any license(s), approval(s), permits(s), registration(s), certificate(s), right(s), or authorization(s) with respect to the VCD Assets To Be Divested in any of the “Specified Jurisdictions” identified in the Terumo Purchase Agreement prior to the Closing Date, then Respondents shall:

- i. Continue to use best efforts and provide such assistance as the Acquirer(s) may reasonably request in connection with obtaining such license, approval, permit, registration, certificate, right, or other authorization until notification from such Specified Jurisdiction that the Acquirer(s) has been approved and/or is acceptable; but
- ii. If within one hundred twenty (120) days after the Acquisition Date, a Specified Jurisdiction notifies Respondents and/or the Acquirer(s) that the Acquirer(s) has not been approved and/or is not acceptable to such Specified Jurisdiction, then, with the agreement of the Acquirer(s), and subject to the prior approval of the Commission, Respondents shall substitute an alternative arrangement; or
- iii. If, after one hundred twenty (120) days after the Acquisition Date, the Specified Jurisdiction has not determined that the Acquirer(s) is approved or acceptable then Respondents shall: (i) report to the Commission on the circumstances surrounding such Specified Jurisdiction’s review of the Acquirer(s); and (ii) if and as directed by the Commission, submit a proposal for an alternative arrangement, with the agreement of the Acquirer(s), for the prior approval of the Commission.

C. Respondents shall, at the option of the Acquirer, and subject to the prior approval of the Commission, provide Transition Services to the Acquirer pursuant to a Transition Services Agreement for a period of (2) years from the Closing Date; *provided, however*, that such Agreement shall provide that (1) the Acquirer may terminate the Agreement at any time, without cost or penalty to the Acquirer, upon commercially reasonable notice to Respondents; and (2) at

the Acquirer's request, Respondents shall file with the Commission any request for prior approval to extend the term of a Transition Services Agreement as provided in this Paragraph. The Transition Services provided pursuant to a Transition Services Agreement shall be at no greater than Respondents' Direct Costs for such personnel, technical support, assistance, training, and other services as are necessary to transfer the Assets To Be Divested to the Acquirer and enable the Acquirer to operate the Assets To Be Divested in a manner consistent with the purposes of this Order.

- D. Respondents shall, at the option of the Acquirer, and subject to the prior approval of the Commission, enter into a Transitional Manufacturing and Supply Agreement to supply the Acquirer with VCD Products and VCD Components for a period of (2) years from the Closing Date; *provided, however*, that such Agreement shall provide that (1) the Acquirer may terminate the Agreement at any time, without cost or penalty to the Acquirer, upon commercially reasonable notice to Respondents; and (2) at the Acquirer's request, Respondents shall file with the Commission any request for prior approval to extend the term of a Transitional Manufacturing and Supply Agreement as provided in this Paragraph for such period of time as will be sufficient to allow the Acquirer to obtain all of the relevant Product Approvals necessary to manufacture the VCD Products and VCD Components in commercial quantities, and in a manner consistent with cGMP, independently of Respondents, and to secure relevant Manufacturing Equipment and sources of supply of VCD Components from Persons other than the Respondents. The VCD Products and VCD Components supplied by Respondents to the Acquirer pursuant to such Transitional Manufacturing and Supply Agreement shall be at no greater than Respondents' Direct Costs.
- E. Respondents shall:
1. Provide to the Acquirer(s) originals or copies of, or access to all Confidential Business Information;
 2. Deliver or provide access to such Confidential Business Information as follows: (i) in good faith; (ii) in a timely manner, *i.e.*, as soon as practicable, avoiding any delays in transmission of the respective information; and (iii) in a manner that ensures its completeness and accuracy and that fully preserves its usefulness;
 3. Pending complete delivery of all such Confidential Business Information to the Acquirer, provide the Acquirer and the Monitor (if any has been appointed) with access to all such Confidential Business Information and employees who possess or are able to locate such information for the purposes of identifying the books, records, and files related to the Assets To Be Divested;
 4. Not use, directly or indirectly, any Confidential Business Information, other than as necessary to comply with the following: (i) the requirements of this Order; (ii) the Respondents' obligations to the Acquirer under the terms of any Remedial Agreement related to the Assets to be Divested; or (iii) applicable Law, including mandatory regulatory filings;

5. Not disclose or convey any Confidential Business Information, directly or indirectly, to any Person except (i) the Acquirer, (ii) other Persons specifically authorized by the Acquirer to receive such information, (iii) the Commission, and (iv) the Monitor, if any, and the Divestiture Trustee, if any; and
6. No later than thirty (30) days after the Closing Date, provide written notification of the restrictions on the use of the Confidential Business Information to all Respondents' employees who are involved in the manufacture, distribution, sale, or marketing of the Assets to be Divested or who may have or have access to Confidential Business Information ("Designated Employees"); Respondents shall give the above-described notification by e-mail with return receipt requested or similar transmission, and keep a file of those receipts for at least one (1) year after the Closing Date. Respondents shall provide a copy of such notification to the Acquirer. Respondents shall maintain complete records at its principal place of business regarding the provision of notification to Designated Employees and shall provide an officer's certification to the Commission stating that such notification program has been implemented and is being complied with. Respondents shall provide the Acquirer with copies of all certifications, notifications, and reminders sent to Designated Employees.

Provided, however, that this Paragraph II.E. shall not apply to Confidential Business Information:

- (i) That Respondents can demonstrate to the Commission that Respondents obtained other than in connection with the Acquisition;
- (ii) To the extent related to Retained Products or the Retained Business;
- (iii) That subsequently falls within the public domain through no violation of the Order or breach of confidentiality and non-disclosure agreement with respect to such information by Respondents;
- (iv) That is necessary to be exchanged in the course of consummating the Acquisition or the transactions under the Remedial Agreement; and
- (v) The disclosure of which is consented to by the Acquirer.

F. Respondents shall:

1. No later than the earlier of ten (10) days after a request from the Proposed Acquirer or ten (10) days before the Closing Date, provide to the Proposed Acquirer a list of all Employees and, in compliance with and to the extent permitted by all Laws, and an opportunity to inspect the personnel files and other documentation relating to such Employees. The list of Employees that Respondents shall provide shall include the following information for each Employee, as requested by the Proposed Acquirer, and to the extent permitted by Law:

- b. Specific description of the employee's responsibilities and primary work location;
 - c. The base salary or current wages;

 - e. Employment and leave status (*i.e.*, active or on leave or disability; full-time or part-time; reason for leave and expected date of return from leave, in each case, if applicable; accrued and unused vacation, sick leave, and personal time off days);
 - f. Any other material terms and conditions of employment in regard to such employee that are not otherwise generally available to similarly-situated employees; and
 - g. At the Proposed Acquirer's option, copies of all employee benefit plans and summary plan descriptions (if any) applicable to the Employee.
2. No later than ten (10) days before the Closing Date, allow the Proposed Acquirer an opportunity to meet personally and outside the presence or hearing of any employee or agent of Respondents with any Employee, and to make offers of employment to any one or more of the Employees;
 3. Not interfere, directly or indirectly, with the hiring or employing of any Employee by the Proposed Acquirer, not offer any incentive to any Employee to decline employment with the Proposed Acquirer, not make any counter-offer to any Employee who has an outstanding offer of employment from the Proposed Acquirer or who has accepted an offer of employment from the Proposed Acquirer, and not otherwise interfere with the recruitment or employment of an Employee by the Proposed Acquirer;
 4. Remove any impediments within the control of Respondents that may deter any Employee from accepting employment with the Proposed Acquirer, including, but not limited to, removal of any non-compete or confidentiality provisions of employment or other contracts with Respondents that may affect the ability or incentive of the Employee(s) to accept employment with the Proposed Acquirer;
 5. Not, for a period of one (1) year from the Closing Date, directly or indirectly, solicit or otherwise attempt to induce any Employee who has accepted an offer of employment with the Acquirer to terminate his or her employment with the Acquirer; *provided, however*, that Respondents may:
 - a. Advertise for employees in newspapers, trade publications, or other media, or engage recruiters to conduct general employee search activities, as long as this is not targeted specifically at Employees; or

- G. Pending divestiture of the Assets To Be Divested, Respondents shall take such actions as are necessary to maintain the viability, marketability, and competitiveness of the Assets To Be Divested, and to prevent the destruction, removal, deterioration, or impairment of any of the Assets To Be Divested.
- H. The purpose of the divestiture of the Assets To Be Divested is to ensure the continued use of the assets in the same Businesses in which the Assets To Be Divested were engaged at the time of the announcement of the proposed Acquisition by Respondents and to remedy the lessening of competition alleged in the Commission's complaint.

III.

IT IS FURTHER ORDERED that:

- A. Edward J. Buthusiem shall serve as Monitor to assure that Respondents expeditiously comply with all of their obligations and perform all of their responsibilities as required by the Orders and the Remedial Agreement, including any Transition Services Agreement and Transitional Manufacturing and Supply Agreement, approved by the Commission.
- B. No later than one (1) day after the Acquisition Date, Respondents shall enter into the Monitor Agreement that is attached as Appendix II and Confidential Appendix II-1 to the Order to Maintain Assets. The Monitor Agreement shall become effective on the date the Order to Maintain Assets is issued. Respondents shall transfer to and confer upon the Monitor all the rights, powers, and authorities necessary to permit the Monitor to perform his/her duties and responsibilities in a manner consistent with the purposes of the Orders. Respondents shall assure, and the Monitor Agreement shall provide, that:
 - 1. The Monitor shall have the responsibility and the power and authority to monitor Respondents' compliance with the terms of the Orders and the Remedial Agreement, including any Transition Services Agreement and Transitional Manufacturing and Supply Agreement, and shall exercise such power and authority and carry out the duties and responsibilities of the Monitor in a manner consistent with the purposes of the Orders, in consultation with the Commission or its staff, including any directive from the Commission to the Respondents to effect such modifications to the manner of divestiture of the Assets to be Divested as are necessary to satisfy the requirements of this Order;

2. The Monitor shall act in a fiduciary capacity for the benefit of the Commission;
 3. The Monitor shall serve for such time as is necessary to monitor Respondents' compliance with the provisions of the Orders and the Remedial Agreement, including for as long as Respondents are providing Transition Services to the Acquirer pursuant to a Transition Services Agreement or supplying VCD Products or VCD Components to the Acquirer pursuant to a Transitional Manufacturing and Supply Agreement; *provided, however*, that the Commission may extend or modify this period as may be necessary or appropriate to accomplish the purposes of the Orders;
 4. Subject to any demonstrated legally recognized privilege, the Monitor shall have full and complete access to Respondents' personnel, books, documents, records kept in the ordinary course of business, facilities and technical information, and such other relevant information as the Monitor may reasonably request, related to Respondents' compliance with its obligations under the Orders and the Remedial Agreement. Respondents shall cooperate with any reasonable request of the Monitor and shall take no action to interfere with or impede the Monitor's ability to monitor Respondents' compliance with the Orders and the Remedial Agreement;
 5. The Monitor shall serve, without bond or other security, at the expense of Respondents on such reasonable and customary terms and conditions as the Commission may set. The Monitor shall have authority to employ, at the expense of Respondents, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Monitor's duties and responsibilities;
 6. Respondents shall indemnify the Monitor and hold the Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Monitor; and
 7. Respondents shall report to the Monitor in accordance with the requirements of the Orders and as otherwise provided in any agreement approved by the Commission. The Monitor shall evaluate the reports submitted to the Monitor by Respondents, and any reports submitted by the Acquirer with respect to the performance of Respondents' obligations under this Order or the Remedial Agreement. Within thirty (30) days after the date the Monitor receives these reports, the Monitor shall report in writing to the Commission concerning performance by Respondents of their obligations under the Orders.
- C. Respondents may require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, that such agreement shall not restrict the Monitor from providing any information to the Commission.

- D. The Commission may, among other things, require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Monitor's duties.
- E. If the Commission determines that the Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Monitor, subject to the consent of Respondents, which consent shall not be unreasonably withheld, as follows: (a) If Respondents have not opposed, in writing, including the reasons for opposing, the selection of a proposed Monitor within ten (10) days after notice by the staff of the Commission to Respondents of the identity of any proposed Monitor, Respondents shall be deemed to have consented to the selection of the proposed Monitor; and (b) not later than ten (10) days after appointment of a substitute Monitor, Respondents shall execute an agreement that, subject to the prior approval of the Commission, confers on the Monitor all the rights and powers necessary to permit the Monitor to monitor Respondents' compliance with the terms of the Orders and the Remedial Agreement.
- F. The Commission may on its own initiative, or at the request of the Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of the Orders or the Remedial Agreement.
- G. The Monitor appointed pursuant to the Orders may be the same Person appointed as a Divestiture Trustee pursuant to the relevant provisions of this Order.

IV.

IT IS FURTHER ORDERED that:

- A. If Respondents have not fully complied with the obligations to divest the Assets to be Divested as required by this Order, the Commission may appoint a Divestiture Trustee to divest the Assets to be Divested and/or perform Respondents' other obligations in a manner that satisfies the requirements of this Order. In the event that the Commission or the Attorney General brings an action pursuant to Section 5(l) of the Federal Trade Commission Act, 15 U.S.C. §45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to divest the relevant assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to Section 5(l) of the Federal Trade Commission Act or any other statute enforced by the Commission, for any failure by Respondents to comply with this Order.
- B. The Commission shall select the Divestiture Trustee, subject to the consent of the Respondents, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a Person with experience and expertise in acquisitions and divestitures. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondents of the identity of

any proposed Divestiture Trustee, Respondents shall be deemed to have consented to the selection of the proposed Divestiture Trustee.

- C. No later than ten (10) Days after the appointment of a Divestiture Trustee, Respondents shall execute a trust agreement that, subject to the prior approval of the Commission transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the divestiture(s) required by this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:
1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to assign, grant, license, divest, transfer, deliver or otherwise convey the relevant assets or rights that are required to be assigned, granted, licensed, divested, transferred, delivered or otherwise conveyed by this Order;
 2. The Divestiture Trustee shall have twelve (12) months from the date the Commission approves the trust agreement described herein to accomplish the divestiture(s), which shall be subject to the prior approval of the Commission. If, however, at the end of the twelve-month period, the Divestiture Trustee has submitted a plan of divestiture or believes that the divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission, or, in the case of a court-appointed Divestiture Trustee, by the court; *provided, however*, the Commission may extend the divestiture period only two (2) times;
 3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered or otherwise conveyed by the Order, or to any other relevant information, as the Divestiture Trustee may request. Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture(s). Any delays in divestiture caused by Respondents shall extend the time for divestiture under this Paragraph in an amount equal to the delay, as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court;
 4. The Divestiture Trustee shall use commercially reasonable best efforts to negotiate the most favorable price and terms available in the contract that is submitted to the Commission, subject to Respondents' absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture(s) shall be made in the manner and to an acquirer as required by this Order; *provided, however*, if the Divestiture Trustee receives bona fide offers from more than one acquiring entity for any of the Assets to be Divested, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity selected by Respondents from among those approved by the Commission; *provided further* that Respondents shall select such entity within five (5) days after receiving notification of the Commission's approval;

5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondents, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, investment bankers, business brokers, appraiser, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture(s) and all expenses incurred. After approval by the Commission and, in the case of a court-appointed Divestiture Trustee, by the court, of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of the Respondents, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order;
 6. Respondents shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee;
 7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be assigned, granted, licensed, divested, transferred delivered or otherwise conveyed by this Order; *provided, however*, that the Divestiture Trustee appointed pursuant to this Paragraph may be the same Person appointed as Monitor pursuant to the relevant provisions of the Orders;
 8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture(s); and
 9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- E. The Commission may, among other things, require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Divestiture Trustee's duties.
- F. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.

- G. The Commission, or in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture(s) required by this Order.

V.

IT IS FURTHER ORDERED that, for a period of ten (10) years from the date this Order is issued, Respondents shall not, acquire, directly or indirectly, through subsidiaries or otherwise, any ownership, leasehold, or other interest, in whole or in part, in ACT or the assets of the ACT, without providing advance written notice to the Commission.

The prior notification required by this Paragraph shall be given on the Notification and Report Form set forth in the Appendix to Part 803 of Title 16 of the Code of Federal Regulations as amended (hereinafter referred to as the “Notification”), and shall be prepared and transmitted in accordance with the requirements of that part, except that no filing fee will be required for any such Notification; Notification shall be filed with the Secretary of the Commission; Notification need not be made to the Department of Justice; and Notification is required only of the Respondents and not of any other party to the transaction. Respondents shall provide two (2) complete copies (with all attachments and exhibits) of the Notification to the Commission at least thirty (30) days prior to consummating any such transaction (hereafter referred to as the “first waiting period”). If, within the first waiting period, representatives of the Commission make a written request for additional information or documentary material (within the meaning of 16 C.F.R. § 802.20), Respondents shall not consummate the transaction until thirty (30) days after substantially complying with such request. Early termination of the waiting periods in this Paragraph may be requested by Respondents and, where appropriate, granted by a letter from the Commission’s Bureau of Competition; *provided however*, that prior notification shall not be required by this Paragraph for a transaction for which notification is required to be made, and has been made, pursuant to Section 7A of the Clayton Act, 15 U.S.C. § 18a.

VI.

IT IS FURTHER ORDERED that:

- A. Any Remedial Agreement shall be deemed incorporated into this Order.
- B. Any failure by Respondents to comply with any term of such Remedial Agreement shall constitute a failure to comply with this Order.
- C. Respondents shall include in each Remedial Agreement a specific reference to this Order, the remedial purposes thereof, and provisions to reflect the full scope and breadth of each Respondent’s obligations to the Acquirer(s) pursuant to this Order.
- D. Respondents shall not seek, directly or indirectly, pursuant to any dispute resolution mechanism incorporated in any Remedial Agreement, or in any agreement related to the Assets to be Divested, a decision the result of which would be inconsistent with the terms of this Order or the remedial purposes thereof.

- E. Respondents shall not modify or amend any of the terms of any Remedial Agreement without the prior approval of the Commission, except as otherwise provided in Rule 2.41(f)(5) of the Commission's Rules of Practice and Procedure, 16 C.F.R. §2.41(f)(5). Notwithstanding any term of the Remedial Agreement(s), any modification or amendment of any Remedial Agreement made without the prior approval of the Commission, or as otherwise provided in Rule 2.41(f)(5), shall constitute a failure to comply with this Order.
