Lithia 60 Day/3,000 Mile Warranty Includes:

160-Point Quality Inspection*

Lithia 60 Day/3,000 Mile vehicles are put through an exhaustive 160-checkpoint Quality Assurance Inspection. We want the vehicles to look, feel and smell as new as possible. We inspect everything from the tires and the brakes to the suspension, drive train, engine components and even the undercarriage. Only vehicles that pass all 160 checkpoints (as appropriate to vehicle content) can receive our 60 Day/3,000 miles Limited Warranty. See dealer for details.

Comprehensive Title Report*

A vehicle title (also known as a car title or pink slip) is a legal form, establishing a person or business as the legal owner of a vehicle. A "clean" title is a term used to refer to an automobile title that is free of liens and is not a salvage title. When someone purchases a car with a loan, the title is held by the Loan Company or bank, even though it is issued in the name of the buyer by the state Department of Motor Vehicles (DMV). The loan company or bank is known as the "lien holder" and the title is marked in a way that clearly indicates that the vehicle is subject to a financial obligation. In this case, the title is not a "clean" title.

Vehicle History Report*

The vehicle check will supply history information about the vehicle such as previous accidents that were reported, and title records such as ownership changes. As the prospective buyer you can then assess whether the cars history is going to subject you to further costs or concerns. Examples of what you might see on a vehicle history report: Odometer problems, State of the title, Number of titles, Title information, Accident history, Lemon history, Auction history, Salvage information, Warranty availability, Service records, Mileage and Total loss information from insurance companies.

Eligible for Purchase of Lithia Assured Service Contract and Lifetime Oil Plan*

For Peace of Mind Down the Road, our Assured Service Contracts will keep your vehicle **running its best** for years to come. Our Base Plan covers: Powertrain, Steering, Front Suspension, Electrical, Brakes and Factory Air Conditioning. Our Comprehensive Plan is designed to give you the finest in vehicle owner protection - by protecting you from unexpected repair costs, and taking the worry out of driving. The Comprehensive Plan combines the Powertrain & High-Tech Plans and adds much more. The Comprehensive Plan enhances and extends the Manufacturer's New Vehicle Warranty. It provides major electrical & mechanical component coverage, which protects you & your new purchase for just a few dollars per day. This is the ideal plan for those who want extensive coverage & maximum protection for their automobile investment. Our Roadside Assistance Program protects you 24 hours a day, 365 days a year in the U.S. & Canada with Tire Road Hazard Protection & Trip Interruption Coverage. This coverage is available on our Powertrain, High-Tech & Comprehensive plans. We offer the convenience of nationwide coverage for authorized service & repairs.

*See dealer for complete details.
