Re: *In the Matter of Agrium Inc.; Potash Corporation of Saskatchewan, Inc.; and
Nutrien Ltd., a corporation, File No. 1610232, Docket No. C-4638*

Dear Mr. Chapman:

Thank you for your comment regarding the proposed consent order accepted by the Federal Trade Commission for public comment in the above-captioned matter. In your comment, you advise that you are a shareholder and believe that “if Agrium meets the necessary requirements, this acquisition should proceed, as it appears to be a ‘good deal’ for all shareholders.”

The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii). The Commission has now determined that the public interest would best be served by issuing the Decision and Order in final form, and copies of the Decision and Order and other public documents are available on the Commission Website at <https://www.ftc.gov>.

It helps the Commission's analysis to hear from a variety of sources in its work on antitrust and consumer protection issues, and we appreciate your interest in this matter.

By direction of the Commission.

Donald S. Clark
Secretary
