## I.

**IT IS HEREBY ORDERED** that Respondent and its officers, agents, representatives, and employees, directly or indirectly, in connection with the marketing, advertising, offering for sale, or sale of used motor vehicles to consumers shall not, in any manner, expressly or by implication:

A. Represent that used motor vehicles that Respondent offers for sale are safe, have been repaired for safety issues, or have been subject to an inspection for issues related to safety unless:

- 1. The used motor vehicles are not subject to any open recalls for safety issues, and the representation is otherwise not misleading, or
- 2. Respondent discloses, clearly and conspicuously, and in close proximity to such representation, any material qualifying information related to open recalls for safety issues, including but not limited to:
  - i. the fact that its used motor vehicles may be subject to unrepaired recalls for safety issues, and

- ii. how consumers can determine whether an individual motor vehicle is subject to an open recall for a safety issue that has not been repaired,

and the representation is otherwise not misleading. *Provided further that* if Respondent receives any written notification from a manufacturer that an individual used motor vehicle is subject to an open recall for a safety issue, Respondent must clearly and conspicuously provide to the consumer, prior to the consummation of the sale of that used motor vehicle, either (a) any written notification from a manufacturer that Respondent has received that the motor vehicle is subject to an open recall for a safety issue, or a document that conveys the same information using a substantially similar format, or (b) a written notification that clearly and conspicuously conveys that the vehicle is subject to an open recall that is unrepaired, and the safety risks associated with the recall, that is made available by the U.S. Department of Transportation's National Highway Traffic Safety Administration ("NHTSA") or a commercial provider of recall information.

- B. Misrepresent the following:
  1. Whether there is or is not an open recall for safety issues for any used motor vehicle;
  2. Whether Respondent repairs used motor vehicles for open recalls for safety issues; and
  3. Any other material fact about the safety of the used motor vehicles it advertises for sale.

## II.

**IT IS FURTHER ORDERED** that Respondent, within sixty (60) days of entry of this Order, must provide, by first class mail to the last known address of every consumer who purchased a certified used motor vehicle from Respondent between July 1, 2013 and September 2, 2015, a notice on Respondent's letterhead that clearly and conspicuously discloses the following:

"We want to alert you that some of the used vehicles we recently sold had been recalled for safety issues, but weren't repaired as of the date they were sold. You can check whether the vehicle you bought from us is subject to an unrepaired recall at the National Highway Traffic Safety Administration's recall website, <https://vinrel.safercar.gov/vin/>. That site also provides information on how to get your vehicle fixed if it's been recalled."

Respondent shall not include any advertising, marketing, or other promotional information in the notice. Moreover, the mailing shall not include any other documents. The envelope enclosing the notice shall have printed thereon in a clear and conspicuous fashion the disclosure “Important Safety Recall Information.”

*Provided, however, that* Respondent is not required to provide this notice for (A) any motor vehicle that Respondent can demonstrate was not subject to an open recall for a safety issue at the time of purchase and delivery, or (B) any motor vehicle that was the subject of one or more open recalls for safety issues at the time of purchase and delivery that Respondent can demonstrate have subsequently been fixed.

For purposes of Subpart (A) of this proviso, records showing that the vehicle was not listed as subject to an open recall for a safety issue, as of the date of the purchase, on the Original Equipment Manufacturer’s recall database, on the National Highway Traffic Safety Administration’s [www.safercar.gov](http://www.safercar.gov) database, or on a database with information on vehicle recalls that is generally accepted based on the expertise of professionals in the relevant area to yield accurate and reliable results, shall be deemed to be sufficient to demonstrate that the vehicle was not subject to an open recall for a safety issue at the time of purchase and delivery.

For purposes of Subpart (B) of this proviso, (i) repair records generated by the dealer in the ordinary course of business that demonstrate that a vehicle with an open recall for a safety issue has been repaired; or (ii) records showing that the vehicle is no longer listed as subject to an open recall for a safety issue on the Original Equipment Manufacturer’s recall database, on the National Highway Traffic Safety Administration’s [www.safercar.gov](http://www.safercar.gov) database, or on a database with information on vehicle recalls that is generally accepted based on the expertise of professionals in the relevant area to yield accurate and reliable results, shall be deemed sufficient to demonstrate that an open recall for a safety issue has been fixed.

### III.

**IT IS FURTHER ORDERED** that Respondent shall, for five (5) years after the last date of dissemination of any representation covered by this order, maintain and upon request make available to the Commission for inspection and copying:

- A. Each advertisement or other marketing material that makes any representation covered by the order unless, in comparison to an advertisement or other marketing material already maintained by Respondent pursuant to this Section, the advertisement or marketing material: (i) is a duplicate, or (ii) differs only in the description of the vehicle in ways not related to any representations covered by this order;
- B. All materials that were relied upon in disseminating the representation;
- C. All evidence in its possession or control that contradicts, qualifies, or calls into question the representation, or the basis relied upon for the representation, including complaints and other communications with consumers or with governmental or consumer protection organizations; and

D. Any documents reasonably necessary to demonstrate full compliance with each provision of this order, including but not limited to all documents obtained, created, generated, or that in any way relate to the requirements, provisions, or terms of this order, and all reports submitted to the Commission pursuant to this order.

#### IV.

#### V.

**IT IS FURTHER ORDERED** that Respondent shall notify the Commission at least thirty (30) days prior to any change in the corporation(s) that may affect compliance obligations arising under this order, including but not limited to a dissolution, assignment, sale, merger, or other action that would result in the emergence of a successor corporation; the creation or dissolution of a subsidiary, parent, or affiliate that engages in any acts or practices subject to this order; the proposed filing of a bankruptcy petition; or a change in the corporate name or address. *Provided, however,* that, with respect to any proposed change in the corporation about which Respondent learns less than thirty (30) days prior to the date such action is to take place, Respondent shall notify the Commission as soon as is practicable after obtaining such knowledge. Unless otherwise directed by a representative of the Commission in writing, all notices required by this Part shall be emailed to [Debrief@ftc.gov](mailto:Debrief@ftc.gov) or sent by overnight courier (not U.S. Postal Service) to: Associate Director for Enforcement, Bureau of Consumer Protection, Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580. The subject line must begin: *In re Asbury Automotive Group, Inc.*

#### VI.

**IT IS FURTHER ORDERED** that Respondent, within sixty (60) days after the date of service of this order, shall file with the Commission a true and accurate report, in writing, setting forth in detail the manner and form of its own compliance with this order. Within ten (10) days of receipt of written notice from a representative of the Commission, it shall submit additional true and accurate written reports.

## VII.

This order will terminate on March 22, 2037, or twenty (20) years from the most recent date that the United States or the Federal Trade Commission files a complaint (with or without an accompanying consent decree) in federal court alleging any violation of the order, whichever comes later; *provided, however*, that the filing of such a complaint will not affect the duration of:

- A. Any Part in this order that terminates in less than twenty (20) years;
- B. This order's application to any Respondent that is not named as a defendant in such complaint; and
- C. This order if such complaint is filed after the order has terminated pursuant to this Part.

*Provided, further*, that if such complaint is dismissed or a federal court rules that Respondent did not violate any provision of the order, and the dismissal or ruling is either not appealed or upheld on appeal, then the order will terminate according to this Part as though the complaint had never been filed, except that the order will not terminate between the date such complaint is filed and the later of the deadline for appealing such dismissal or ruling and the date such dismissal or ruling is upheld on appeal.

By the Commission.
