DECISION AND ORDER  
DOCKET NO. C-4652  
[Public Record Version]

DECISION

The Federal Trade Commission (“Commission”) initiated an investigation of the proposed acquisition by Respondent Northrop Grumman Corporation, (“Northrop”) of the voting securities of Respondent Orbital ATK, Inc., (“Orbital”), collectively “Respondents.” The Commission’s Bureau of Competition prepared and furnished to Respondents the Draft Complaint, which it proposed to present to the Commission for its consideration. If issued by the Commission, the Draft Complaint would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45.

Respondents and the Bureau of Competition executed an agreement (“Agreement Containing Consent Order” or “Consent Agreement”) containing (1) an admission by Respondents of all the jurisdictional facts set forth in the Draft Complaint, (2) a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in the Draft Complaint, or that the facts as alleged in the Draft Complaint, other than jurisdictional facts, are true, (3) waivers and other provisions as required by the Commission’s Rules, and (4) a proposed Decision and Order.

The Commission considered the matter and determined that it had reason to believe that Respondents have violated the said Acts, and that a complaint should issue stating its charges in that respect. The Commission accepts the executed Consent Agreement and places it on the public record for a period of 30 days for the receipt and consideration of public comments. Now, in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission issues its Complaint, makes the following jurisdictional findings, and issues the following Decision and Order (“Order”):

1. Respondent Northrop Grumman Corporation is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of Delaware with its executive offices and principal place of business located at 2980 Fairview Park Drive, Falls Church, Virginia 22042.
2. Respondent Orbital ATK, Inc. is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of Delaware with its executive offices and principal place of business located at 45101 Warp Drive, Dulles, Virginia 20166.
3. The Federal Trade Commission has jurisdiction over the subject matter of this proceeding and over Respondents, and the proceeding is in the public interest.

## **II.**

### **IT IS FURTHER ORDERED THAT:**

- A. Respondents shall not Discriminate in any Missile Competition where Northrop: (i) is currently competing to be the Prime Contractor; or (ii) has the capability to compete and has taken the steps identified in Paragraph IV. and continues to take steps to compete as a Prime Contractor. By way of example, Respondents shall:
1. Not Discriminate in developing or providing an Offer requested by or made to a Third Party Prime Contractor, or in supporting the proposal of the Third Party Prime Contractor in connection with the Offer;
  2. Not Discriminate in providing SRM Information;
  3. Not Discriminate regarding staffing, resource allocation, or design decisions in connection with SRM Products and Services to be provided to any Third Party Prime Contractor;
  4. Not Discriminate in making any Offers to, or entering into Collaborative Agreements or other similar arrangements with, any Third Party Prime Contractor, or in the negotiation of such Offers, agreements, or other arrangements with Third Party Prime Contractors;

*Provided, however,* that no provision of this Order shall require Respondents to provide products, services or technologies, including SRMs and Related Services, to any Third Party without commercially reasonable terms or if it is commercially unreasonable because (i) the Northrop SRM Business does not have the technical capability to supply the Third Party Prime Contractor or (ii) the Northrop SRM Business does not have the capacity (and it is not commercially reasonable to expand its capacity) to provide SRMs or a Firewalled SRM Customer Team to one or more Prime Contractors that have requested such services or team because the number or burden of Prime Contractors seeking the benefit of Paragraph II.A. of this Order becomes unreasonably large, so long as Respondents are providing SRMs and Related Services to at least one Third Party Prime Contractor in the applicable Missile Competition;

5. Not Discriminate in making available for use in Missile Competitions any technologies for SRMs and Related Services developed by the Northrop SRM Business under independent research and development funding, government-funded research and development activities or other funds expended by the Northrop SRM Business; *provided, however,* that Respondents shall be under no obligation to disclose or offer the products or other results of any joint investment or development activity engaged in with one Prime Contractor (including Northrop) to any other Prime Contractor in the applicable Missile Competition;
  6. Establish and maintain separate Firewalled SRM Customer Teams as required by Paragraph III. of this Order to support each Third Party Prime Contractor; and
  7. As to each separate Firewalled SRM Customer Team, take all steps reasonably necessary to ensure that a Prime Contractor's Non-Public Missile Information is kept confidential and protected from unauthorized disclosure and use, including such steps as Respondents would take to protect their own Non-Public Information and as required pursuant to Paragraph III.
- B. The provision of any protected information, technology, or product to the Respondents by any Third Party, or to any Third Party by the Respondents, pursuant to this Order shall be subject to appropriate customary confidentiality agreements on the treatment of competitively-sensitive, national security-sensitive, ITAR-controlled, and/or proprietary information. Notwithstanding any other provision of this Order, Respondents shall not be required to provide any information to any Persons, including at the DoD or a Third Party Prime Contractor, if they do not have the security clearance required to be eligible to receive such information.
- C. As to each Missile Competition, Respondents' obligations under the provisions of Paragraphs II.A.-B. of this Order shall cease to apply upon the occurrence of any of the following events: (i) the award of the applicable contract or, if a determination is made by the Government Customer not to award the applicable contract, the date such a determination is made; (ii) Respondent Northrop has been eliminated from consideration of being the Prime Contractor; (iii) Respondent Northrop has provided notice that it has withdrawn from consideration of being the Prime Contractor; (iv) Respondent Northrop's SRM Business has been eliminated from consideration of being the SRM supplier to all

Third Party Prime Contractors (*provided*, that such obligations shall cease to apply with respect to a particular Third Party Prime Contractor's proposal if and when Northrop's SRM Business has been eliminated from consideration by that Prime Contractor); or (v) Respondent Northrop becomes the sole remaining Prime Contractor being considered in the Missile Competition, whichever occurs first.

- D. The purpose of the provisions of Paragraph II. of this Order is to assure that the Northrop SRM Business continues to provide its services to Third Party Prime Contractors in any Missile Competition after the Acquisition on a non-discriminatory basis and in the same manner and of the same performance level and quality as before the Acquisition, and to remedy the lessening of competition resulting from the Acquisition as alleged in the Commission's Complaint.

### III.

**IT IS FURTHER ORDERED THAT** Respondents shall protect a Third Party Prime Contractor's Non-Public Missile Information and Non-Public SRM Information in any Missile Competition where Northrop (i) is currently competing to be the Prime Contractor or (ii) has the capability to compete and has taken the steps identified in Paragraph IV. and continues to take steps to compete as a Prime Contractor. Specifically, Respondents shall take all actions as are reasonably necessary and appropriate to prevent access to, or the disclosure or use of, any Non-Public Missile Information or Non-Public SRM Information by or to any Person(s) not authorized to access, receive, or use such Non-Public Information pursuant to the terms of this Order, and shall develop and implement procedures and requirements to protect such Non-Public Information and to comply with the prohibitions and requirements of this Order, including, but not limited to, taking the following actions in any such Missile Competition covered by Paragraph II. of this Order to protect such Non-Public Information:

- A. Northrop Firewalled SRM Customer Teams shall maintain firewalls and confidentiality protections, consistent with company practices and industry standards, and in compliance with the following requirements and prohibitions:
1.   2. Northrop Personnel assigned to the Firewalled SRM Customer Teams shall sign appropriate non-disclosure or equivalent agreements providing written acknowledgement of their responsibilities regarding the restrictions on the use and dissemination of Non-Public Information;

3. Northrop shall keep separate and limit access to Non-Public Missile Information and Non-Public SRM Information of the respective Firewalled SRM Customer Teams, *e.g.*, by separating data in information systems; physically separating, securing, and/or shielding prototypes, models, and hard copies of such Non-Public Information; utilizing identification badge hangers to identify members of Firewalled SRM Customer Teams; and employing other processes designed to confine the flow of such Non-Public Information to personnel who have permission to see it in connection with the Missile Competition;
4. No member of a Firewalled SRM Customer Team supporting a Third Party Prime Contractor in a Missile Competition where Northrop is currently competing to be the Prime Contractor or has the capability to compete and has taken the steps identified in Paragraph IV. and continues to take steps to compete as a Prime Contractor (i) may participate in any way, directly or indirectly, in support of Respondents' efforts to participate as a Prime Contractor in the Missile Competition, including the preparation or review of a proposal or other response to a Request for Information, Request for Proposal or similar inquiry from the Government Customer or (ii) disclose any Non-Public Missile Information to any Northrop Personnel outside the Firewalled SRM Customer Team, except as permitted in Paragraph III.A.5. or Paragraph III.D. of this Order;
5. The Management Oversight Group shall not receive or be provided the Non-Public Missile Information of a Third Party Prime Contractor by members of a Firewalled SRM Customer Team, and members of a Firewalled SRM Customer Team shall not directly or indirectly disclose Non-Public Missile Information of a Third Party Prime Contractor to the Management Oversight Group, unless and solely to the extent necessary for the Management Oversight Group to perform the functions described in Paragraph I.N. of this Order and permitted under any applicable confidentiality agreement between Respondents and the Third Party Prime Contractor. In this regard, the Management Oversight Group:
  - a. Shall not be provided Non-Public Missile Information that does not relate directly to the Offer they are evaluating and does not relate directly to the provision of SRMs and Related Services;
  - b. May be informed of (i) the requirements of a Third Party Prime Contractor for SRMs and Related Services, including technical, interface and performance specifications, subcontract deliverables, evaluation criteria, schedule and terms; and (ii) the Firewalled SRM Customer Team's proposed approach to design, development and production, test, supply chain, cost and pricing, risks, schedule, quantity, terms and conditions; in each case, to enable the Management Oversight Group to evaluate and approve an Offer:

- i. if and solely to the extent necessary for the Management Oversight Group to perform the functions described in Paragraph I.N. of this Order and permitted under any applicable confidentiality agreement between Respondents and the Third Party Prime Contractor;
    - ii. only after Northrop's chief legal officer, or designee (who shall sign appropriate non-disclosure or equivalent agreements providing written acknowledgement of their responsibilities regarding the restrictions on the use and dissemination of Non-Public Missile Information and Non-Public SRM Information) has reviewed any such Non-Public Information and verified that its disclosure to the Management Oversight Group is in compliance with this Order; and
    - iii. where any such communication to the Management Oversight Group containing a Third Party Prime Contractor's Non-Public Missile Information or Non-Public SRM Information shall be made available for review by the Compliance Officer;
  - c. Shall under no circumstances have access to Non-Public Missile Information of the Third Party Prime Contractor's overall bid price or bid strategy or to Non-Public Missile Information unrelated to the SRMs and Related Services; and
  - d. To the extent a member of a Firewalled SRM Customer Team supporting a Third Party Prime Contractor in a Missile Competition is permitted to disclose and discloses Non-Public Missile Information to the Management Oversight Group, the Management Oversight Group shall not disclose such information to a different Firewalled SRM Customer Team and shall not use the information in any way, directly or indirectly, in support of Respondents' efforts to participate as a Prime Contractor in the Missile Competition; and
- 6. Northrop shall:
  - a. Not move members of a Firewalled SRM Customer Team from one Third Party Prime Contractor's team to any other Firewalled SRM Customer Team, for the same Missile Competition, so long as that Third Party Prime Contractor remains in the Missile Competition, without prior written consent of the affected Third Party Prime Contractor(s);
  - b. Maintain records of such transfers referenced in Paragraph III.A.6.a. during the term of this Order and make them available for inspection by the Commission and the Compliance Officer; and
  - c. Notify the Commission and the Compliance Officer of any such transfers within 15 days of the transfer;

*Provided, however,* that other than the limitations described in Paragraphs III.A.1-6. of this Order, the Order shall not limit the movement or reassignment of any Northrop Personnel to different roles or teams within the company.

- B. The Firewalled SRM Customer Teams shall protect all Non-Public Missile Information and Non-Public SRM Information, such that, absent a Third Party Prime Contractor's prior written consent or otherwise as provided below, the Firewalled SRM Customer Teams shall not:
1. Disclose any of that Third Party Prime Contractor's Non-Public Missile Information or Non-Public SRM Information to Northrop Personnel in a Firewalled SRM Customer Team supporting Northrop or another Third Party Prime Contractor, or

- C. The Northrop Missile Business shall take all reasonable steps to protect any Non-Public SRM Information, and shall not provide, disclose, or otherwise make any Non-Public SRM Information available to the Northrop SRM Business. 1. A Firewalled SRM Customer Team on a particular Missile Competition may disclose the Non-Public Missile Information or Non-Public SRM Information of a Third Party Prime Contractor to specified Northrop Personnel providing (i) support services to Firewalled SRM Customer Teams as members of a TAS Group, or (ii) management functions as part of the Management Oversight Group, in each case, only to the extent those persons have a need to know such Non-Public Information to fulfill their responsibilities and in support of the proposals as described herein;

    - a. not be members of any Firewalled SRM Customer Team;
    - b. use such Non-Public Information only as needed to perform their functions and not for any purpose other than related to developing or providing an Offer requested by or made to that Third Party Prime Contractor, or in supporting the proposal of that Third Party Prime Contractor in connection with the Offer;
    - c. protect the confidentiality of such Non-Public Information; and

  4. Members of a TAS Group or Management Oversight Group who receive Non-Public Missile Information or Non-Public SRM Information from any Third Party supplier of SRMs shall:
    - a. not be members of any Firewalled SRM Customer Team;
    - b. use such Non-Public Information only as needed to perform their functions and not for any purpose other than related to Northrop's potential purchase, directly or indirectly, of that Third Party's SRMs and Related Services for a Missile Competition;
    - c. protect the confidentiality of such Non-Public Information; and
    - d. not share such Non-Public Information of any Third Party supplier of SRMs with the Northrop SRM Business;
