

FTC's Proposed Partial Stipulated Order for
Permanent Injunction and Monetary Judgment

Attachment 4

The United States and California (U.S. Environmental Protection Agency, California Air Resources Board, California Attorney General); the U.S. Federal Trade Commission; and 2.0 Liter VW/Audi TDI car owners and lessees

Court Approved U.S. Volkswagen / Audi Diesel Emissions Settlement

Month 00, 2016

Dear Jane Smith,

The Court has approved settlements with Volkswagen regarding diesel emissions from Volkswagen or Audi 2.0 liter diesel vehicles. If you are eligible, you may submit a claim now.

Current owners and lessees can choose:

**a buyback of your car
or early lease termination**

OR

if approved by EPA and CARB

**a modification to your car
to improve emissions**

+ cash

Some **former** owners and lessees are also eligible to receive **cash**.

HOW IT WORKS

VWCourtSettlement.com

Visit **VWCourtSettlement.com**.

Enter your VIN to see if your car qualifies and how much compensation you will receive.

You'll get information about your options, including the timing.
If you are eligible, you can file a claim on the site now.

You can wait until you receive more information about whether there will be a modification available to improve emissions from your car.

Includes these **2.0-liter** diesel cars:

VW Beetle

2013-2015

VW Golf

2010-2015

VW Jetta

2009-2015

VW Passat

2012-2015

Audi A3

2010-2013, 2015
