Upon consummation, the combination is expected to be renamed Viatris Inc. and will be comprised of certain legacy Pfizer assets held by Upjohn Inc. and its subsidiaries, Respondent Pfizer’s Greenstone LLC business, and all of the assets of Respondent Mylan N.V. The Commission’s Bureau of Competition prepared and furnished to each Respondent the Draft Complaint, which it proposed to present to the Commission for its consideration. If issued by the Commission, the Draft Complaint would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45.
Respondents and the Bureau of Competition executed an Agreement Containing Consent Orders (“Consent Agreement”) containing (1) an admission by Respondents of all the jurisdictional facts set forth in the Draft Complaint; (2) a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in the Draft Complaint, or that the facts as alleged in the Draft Complaint, other than jurisdictional facts, are true; (3) waivers and other provisions as required by the Commission’s Rules; and (4) a proposed Decision and Order and Order to Maintain Assets.

The Commission considered the matter and determined to accept the executed Consent Agreement to place it on the public record for a period of 30 days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its Complaint, makes the following jurisdictional findings, and issues this Order to Maintain Assets:

3. ORDER

I. Definitions

IT IS ORDERED that, as used in this Order to Maintain Assets, the following definitions and all other definitions used in the Consent Agreement and the proposed Decision and Order (and when made final, the Decision and Order), shall apply:

A. “Decision and Order” means:

1. The proposed Decision and Order contained in the Consent Agreement in this matter, until the issuance of a final Decision and Order by the Commission; and

2. The final Decision and Order, once it is issued by the Commission in this matter.

B. “Orders” means the Decision and Order and Order to Maintain Assets.

II. Divestitures

IT IS FURTHER ORDERED that:

A. Prior to the Divestiture Date, Respondents shall provide the Acquirer with the opportunity to review Product Contracts related to each of the Divestiture Products so that the Acquirer can determine whether to assume each Product Contract; provided, however, that in cases in which any Product Contract also relates to a Retained Product the Respondent shall, at the option of that Acquirer, assign or otherwise make available to that Acquirer all such rights under the contract or agreement as are related to the specified Divestiture Product.

B. Prior to the Divestiture Date, Respondents shall secure all approvals, consents, ratifications, waivers, or other authorizations from all non-governmental third parties that are necessary to permit Respondents to divest the Divestiture Assets and to grant or assign rights to the Divestiture Products to the Acquirer, and to permit that Acquirer to continue in the related Divestiture Product Business in the United States without interruption or impairment.

C. As related to the Product Manufacturing Technology and any ingredient, material, or component used in the manufacture of the Divestiture Product, Respondents shall not enforce any agreement against a third party or the Acquirer to the extent that such agreement may limit or otherwise impair the ability of that Acquirer to use or to acquire from the third party a license or other right to the Product Manufacturing Technology or any ingredient, material, or component used in the manufacture of the Divestiture Product. Such agreements include agreements that might limit the ability of a third party to disclose Confidential Business Information related to such Product Manufacturing Technology to the Acquirer. No later than 10 days after the Divestiture Date,
Respondents shall grant a release to each third party that is subject to any such agreement that allows the third party to provide the Product Manufacturing Technology or any ingredient, material, or component used in the manufacture of the Divestiture Product to the Acquirer. Within 5 days of the execution of each such release, Respondents shall provide a copy of the release to that Acquirer;

provided, however, Respondents may satisfy this requirement by certifying that the Acquirer has executed all such agreements directly with each of the relevant third parties.

D. Respondents shall transfer the Product Manufacturing Technology related to the Spironolactone Products, the Prazosin Products, and the Phenytoin Products to Respondent Pfizer, with the consent of the Acquirer, or at the Acquirer’s option, to its Manufacturing Designee, in a manner consistent with the Technology Transfer Standards. Respondent Pfizer shall be responsible for validating and qualifying the manufacture of these Products at either a facility that is retained by Respondent Pfizer after the Acquisition Date or at a facility owned or controlled by the Manufacturing Designee in order to obtain FDA Approvals to manufacture these Products from such facilities and Respondents shall bear all costs related to these transfers.

E. If, at any time during the term of the Authorized Generic Product License, the Acquirer notifies the Respondents that the Acquirer wants to move manufacturing of an Authorized Generic Product out of a facility owned or controlled by a Respondent, then such Respondent shall transfer the Product Manufacturing Technology to that Acquirer, or to its Manufacturing Designee, in a manner consistent with the Technology Transfer Standards. Such Respondent shall be responsible for ensuring the validation and qualification of the manufacture of these Products at the facility chosen by that Acquirer in order to obtain FDA Approvals to manufacture these Products from that facility. Such Respondent shall bear all costs related to this transfer.

F. No later than 10 days after the Divestiture Date, Respondents shall designate employees of Respondents knowledgeable about the marketing, distribution, warehousing, and sale of each of the Divestiture Products to assist the Acquirer of each of the Divestiture Products to transfer and integrate the related Divestiture Product Business.

G. No later than 10 days after the Divestiture Date, Respondents shall provide the following to the relevant Acquirer of each of the Divestiture Products:

1. A list of any finished batch or lot of the relevant Divestiture Product that any Respondent, any manufacturer for a Respondent, or regulatory Agency determined to be out-of-specification at any time during the three-year period immediately preceding the Divestiture Date, and, for each such batch or lot: (i) a detailed description of the known deficiencies or defects (e.g., impurity content, incorrect levels of the active pharmaceutical ingredient, stability failure); (ii) the corrective actions taken to remediate any cGMP deficiencies in that Divestiture Product; and (iii) to the extent known by any Respondent, the employees (whether current or former) responsible for taking such corrective actions;
2. A list by stock-keeping unit by Customer that contains the current net price per unit as packaged for sale (i.e., the price net of all customer-level discounts, rebates, or promotions) for the relevant Divestiture Product for each order sold to that Customer during the two-year period prior to the Divestiture Date;

3. A list of the inventory levels (weeks of supply) of the relevant Divestiture Product in the possession of each Customer to the extent known or available to any Respondent, as of the date prior to and closest to the Divestiture Date as is available;

4. A list of any pending reorder dates for the relevant Divestiture Product by Customer as of the Divestiture Date to the extent known by any Respondent;

5. A list of all of the NDC Numbers related to the specified Divestiture Product, and rights, to the extent permitted by law, to control, prohibit, or otherwise limit the use, including the use in Customer cross-referencing, of such NDC numbers by the Respondents, unless that Divestiture Product has not been marketed or sold in the United States prior to the Divestiture Date; and

6. The quantity and delivery terms in all unfilled Customer purchase orders for the relevant Divestiture Product as of the Divestiture Date.

H. Respondents shall not join, file, prosecute, or maintain any suit, in law or equity, against the Product Releasees under any Patent that was pending or issued on or before the Acquisition Date if such suit would limit or impair the Acquirer’s freedom to research and develop, or manufacture anywhere in the world the Divestiture Product(s), or to distribute, market, sell, or offer for sale within the United States any such Divestiture Product.

I. Upon reasonable written request from the Acquirer to a Respondent, that Respondent shall provide, in a timely manner, assistance of knowledgeable employees of that Respondent (i.e., employees of that Respondent that were involved in the Development of the Divestiture Products) to assist that Acquirer to defend against, respond to, or otherwise participate in any litigation brought by a third party related to the Product Intellectual Property for the Divestiture Products acquired by that Acquirer from a Respondent. A Respondent shall make its employees available to that Acquirer for the fee provided in the relevant Divestiture Agreement, or if no fee is provided, at no greater than Direct Cost.

J. For any patent infringement suit that is filed or to be filed within the United States that is (i) filed by, or brought against, a Respondent prior to the Divestiture Date related to any Divestiture Product or (ii) any potential patent infringement suit that a Respondent has prepared, or is preparing, to bring or defend against as of the Divestiture Date that is related to any Divestiture Product, that Respondent shall:

1. Cooperate with the Acquirer and provide any and all necessary technical and legal assistance, documentation, and witnesses from that Respondent in connection with obtaining resolution of such patent infringement suit;
2. Waive conflicts of interest, if any, to allow that Respondent’s outside legal counsel to represent the Acquirer in any such patent infringement suit; and

3. Permit the transfer to the Acquirer of all of the litigation files and any related attorney work product in the possession of that Respondent’s outside counsel related to such patent infringement suit.

III. Transition Services and Manufacturing by Respondents

IT IS FURTHER ORDERED that:

A. At the request of the Acquirer, in a timely manner, at no greater than Direct Cost or at such cost as provided in a Divestiture Agreement, Respondents shall provide transition services sufficient to enable the Acquirer of each of the Divestiture Products to operate the related Divestiture Product Business in substantially the same manner that Respondents have operated that Business prior to the Acquisition Date.

B. Upon reasonable written notice and request from the Acquirer of the rights to the Authorized Generic Products, Respondents shall manufacture, deliver and supply, or cause to be manufactured, delivered, and supplied, to the requesting Acquirer, in a timely manner and under reasonable terms and conditions, that Acquirer’s requested supply of each of the Authorized Generic Products and any of the active pharmaceutical ingredients used in the Authorized Generic Products that are made by a Respondent, as applicable, hereinafter “Supplied Products.” For the initial 10-year term of the Authorized Generic Agreement, the requested supply of Supplied Products shall be provided at no greater than Supply Cost or at such cost as provided in a Divestiture Agreement.

C. The Respondents shall make representations and warranties to the Acquirer that the Supplied Products meet the relevant Agency-approved specifications.

D. The Respondents shall agree to indemnify, defend, and hold the Acquirer harmless from any and all suits, claims, actions, demands, liabilities, expenses, or losses alleged to result from the failure of the Supplied Products to meet cGMP, but the Respondents may make this obligation contingent upon the Acquirer giving the Respondents prompt written notice of such claim and cooperating fully in the defense of such claim;

   provided, however, that the Respondents may reserve the right to control the defense of any such claim, including the right to settle the claim, so long as such settlement is consistent with the Respondents’ responsibilities to supply the Supplied Products in the manner required by the Decision and Order;

   provided further, however, that this obligation shall not require the Respondents to be liable for any negligent act or omission of the Acquirer or for any representations and warranties, express or implied, made by the Acquirer that exceed the representations and warranties made by the Respondents to the Acquirer in a Divestiture Agreement.

E. The Respondents shall agree to hold harmless and indemnify the Acquirer for any liabilities, loss of profits, or consequential damages resulting from the failure of the
Respondents to deliver the Supplied Products to the Acquirer in a timely manner unless (i) Respondents can demonstrate that the failure was beyond the control of Respondents and in no part the result of negligence or willful misconduct by Respondents, and (ii) Respondents are able to cure the supply failure no later than 30 days after the receipt of notice from that Acquirer of a supply failure.

F. The Respondents shall give priority to supplying the Acquirer over the supplying of Products for any Respondent’s own use or sale.

G. During the term of any agreement for a Respondent to supply the Supplied Products, upon written request of the Acquirer or a Monitor, the Respondent shall make available to the supplied Acquirer and a Monitor all records generated or created after the Divestiture Date that relate directly to the manufacture of the applicable Supplied Products.

H. The Respondents shall provide the Acquirer with the actual costs incurred or the price paid for active ingredients, components, and excipients the Respondents use to manufacture the applicable Supplied Products.

I. During the term of any agreement for a Respondent to supply the Supplied Products, Respondents shall take all actions as are reasonably necessary to ensure an uninterrupted supply of each of the Supplied Products.

J. Respondents shall not be entitled to terminate any agreement to supply the Supplied Products due to (i) a breach by the Acquirer of a Divestiture Agreement, or (ii) that Acquirer filing a petition in bankruptcy, or entering into an agreement with its creditors, or applying for or consenting to appointment of a receiver or trustee, or making an assignment for the benefit of creditors, or becoming subject to involuntary proceedings under any bankruptcy or insolvency law; provided, however, that this Paragraph shall not prohibit a Respondent from seeking compensatory damages from the Acquirer for that Acquirer’s breach of its payment obligations to the Respondent under the agreement.

K. The Respondents shall permit the Acquirer to terminate the agreement for the supply of the Supplied Products on a product-by-product basis, at any time, upon commercially reasonable notice, and without cost or penalty (other than costs or penalties due by the Respondent to third parties pursuant to the termination of such agreement, which may be the responsibility of that Acquirer).

L. In the event that a Respondent becomes (i) unable to supply or produce a Supplied Product from the facility that has been supplying the Acquirer, and (ii) any Respondent has a different facility that is listed on the FDA Authorization for that Supplied Product and is still suitable for use to manufacture the Supplied Product, or any Respondent has a facility that manufactures the Therapeutic Equivalent of such Supplied Product, then such Respondent shall, at the option of the supplied Acquirer, provide a supply of either the Therapeutic Equivalent or the Supplied Product from the other facility under the same terms and conditions as contained in the Divestiture Agreement to supply.
M. During the term of any agreement for a Respondent to supply the Supplied Products, the Respondents shall provide consultation with knowledgeable employees of Respondents and training, at the written request of the supplied Acquirer and at a facility chosen by the supplied Acquirer, for the purposes of enabling that Acquirer (or its Manufacturing Designee) to obtain all Product Approvals to manufacture the applicable Supplied Products in final form in the same quality achieved by, or on behalf of, Respondents and in commercial quantities, in a manner consistent with cGMP, independently of Respondents and sufficient to satisfy management of that Acquirer that its personnel (or its Manufacturing Designee’s personnel) are adequately trained in the manufacture of the applicable Supplied Products.

N. For any Supplied Product that, after the Acquisition Date, is made in a facility owned by Respondent Upjohn or Respondent Viatris, Respondents shall transfer such manufacturing to a facility owned, controlled, or operated by Respondent Pfizer or, at the option of the Acquirer, to its Manufacturing Designee. Respondents shall bear all costs for this transfer including the cost to validate the Supplied Products at the changed facility and the costs for any changes in the specifications for any Supplied Product required by the FDA prior to the FDA’s granting approval to market such Product from the changed site of manufacture.

O. For any Authorized Generic Product that, after the Acquisition Date, has as its source of the active pharmaceutical ingredient either Respondent Upjohn or Respondent Viatris: (i) Respondents shall give priority to supplying the active pharmaceutical ingredients for use in such Authorized Generic Product over supplying the active pharmaceutical ingredients for any Product for any Respondent’s own use or sale, and (ii) at the Acquirer’s option, Respondents shall bear the costs to qualify and obtain FDA regulatory approval to change the source of the active pharmaceutical ingredient(s).

IV. Asset Maintenance

IT IS FURTHER ORDERED that, until the Respondents have physically transferred the Eplerenone Divestiture Assets, granted the Authorized Generic Product License and assigned the rights to the Gatifloxacin Products to the Acquirer pursuant to Paragraph II of the Decision and Order, Respondents shall operate and maintain each of the respective Divestiture Assets and each of the respective Divestiture Product Businesses in the ordinary course of business consistent with past practices. Included in these obligations, Respondents shall:

A. Take all actions necessary to maintain the full economic viability, marketability, and competitiveness of such Divestiture Product Businesses, to minimize the risk of loss of competitive potential of such Divestiture Product Businesses, to operate such Divestiture Product Businesses in a manner consistent with applicable laws and regulations, and to prevent the destruction, removal, wasting, or deterioration of any of the Divestiture Assets, except for ordinary wear and tear.
B. Not sell, transfer, encumber, or otherwise impair such Divestiture Assets, or terminate any of the operations of such Divestiture Product Businesses, other than in the ordinary course of business consistent with past practice or as prescribed in the Orders.

C. Make all payments required to be paid under any contract or lease when due, and pay all liabilities and satisfy all obligations associated with such Divestiture Product Businesses.

D. Provide such Divestiture Product Businesses with sufficient working capital to operate at least at current rates of operation, to meet all capital calls, to perform routine or necessary maintenance, to repair or replace facilities and equipment, and to carry on, at least at their scheduled pace, all capital projects, business plans, promotional plans, capital expenditure plans, research and development plans, and commercial activities for such Divestiture Product Businesses.

E. Use best efforts to preserve the existing relationships and goodwill with suppliers, customers, employees, vendors, distributors, landlords, licensors, licensees, government entities, brokers, contractors, and others having business relations with such Divestiture Product Businesses.

F. Maintain the working conditions, staffing levels, and a work force of equivalent size, training, and expertise associated with such Divestiture Product Businesses, including by:
   1. Filling vacancies that occur in the regular and ordinary course of business consistent with past practice; and
   2. Not transferring any employees from such Divestiture Product Businesses to another of Respondents’ businesses.

G. Maintain and preserve the Business Information of such Divestiture Product Businesses.

H. Provide the resources necessary for such Divestiture Product Businesses to respond to competition, prevent diminution in sales, and maintain its competitive strength.

I. Continue providing customary levels of support services to such Divestiture Product Businesses.

J. Maintain all licenses, permits, approvals, authorizations, or certifications used in the operation of such Divestiture Product Businesses, and operate such Divestiture Product Businesses in accordance and compliance with all regulatory obligations and requirements.

K. Maintain the levels of production, quality, pricing, service, or customer support typically associated with such Divestiture Product Businesses.

Provided, however, Respondents may take actions that the Acquirer has requested or agreed to in writing and that has been approved in advance by a Monitor (in consultation with Commission staff), in all cases to facilitate that Acquirer’s acquisition of the Divestiture Assets and rights in the Divestiture Products and consistent with the purposes of the Orders.
V. Employees

IT IS FURTHER ORDERED that:

A. Until 2 years after the Divestiture Date, Respondents shall cooperate with and assist the Acquirer to evaluate independently and offer employment to the Relevant Employees for the Divestiture Products acquired by that Acquirer.

B. Respondents shall:
   1. No later than 10 days after a request from the Acquirer, provide to that Acquirer a list of all Relevant Employees and provide Employee Information for each Relevant Employee;
   2. No later than 10 days after a request from the Acquirer, provide that Acquirer or its Manufacturing Designee an opportunity to meet individually and outside the presence or hearing of any employee or agent of Respondents with any of the Relevant Employees, and to make offers of employment to any of the Relevant Employees;
   3. Remove any impediments within the control of Respondents that may deter Relevant Employees from accepting employment with the Acquirer or its Manufacturing Designee, including, but not limited to, removal of any non-compete or confidentiality provisions of employment or other contracts with Respondents that may affect the ability or incentive of those individuals to be employed by that Acquirer or its Manufacturing Designee, and shall not make any counteroffer to a Relevant Employee who receives an offer of employment from that Acquirer or its Manufacturing Designee; provided, however, that nothing in the Orders shall be construed to require Respondents to terminate the employment of any employee or prevent Respondents from continuing the employment of any employee; and
   4. Not interfere, directly or indirectly, with the hiring or employing by that Acquirer or its Manufacturing Designee of any Relevant Employees, not offer any incentive to such employees to decline employment with that Acquirer or its Manufacturing Designee, and not otherwise interfere with the recruitment of any Relevant Employees by that Acquirer.

C. Respondents shall continue to provide Relevant Employees compensation and benefits, including regularly scheduled raises and bonuses, until the Divestiture Date or as may be necessary to comply with the provisions of the Orders to provide manufacturing and supply of Divestiture Products or transition services to the Acquirer.

D. Respondents shall provide reasonable financial incentives for Relevant Employees to continue in their positions, and as may be necessary, to facilitate the employment of such Relevant Employees by the Acquirer.

E. If, at any point within 6 months of the Divestiture Date, the Commission, in consultation with the Acquirer and a Monitor, determines in its sole discretion that the Acquirer or its Manufacturing Designee should have the ability to interview, make offers of employment
to, or hire any of Respondents’ employees who were not included as Relevant Employees, but who either (i) were involved with any of the Divestiture Products, or (ii) provided manufacturing and supply of Divestiture Products or transition services to the Acquirer, then the Commission may notify Respondents that such employees are to be designated as Relevant Employees, and Paragraph IV of the Decision and Order shall apply to such employees as of that notification date.

F. Respondents shall not, for a period of one year following the Divestiture Date, directly or indirectly, solicit or otherwise attempt to induce any of the Relevant Employees who have accepted offers of employment with the Acquirer or its Manufacturing Designee to terminate his or her employment with the Acquirer or its Manufacturing Designee; provided, however, Respondents may:

1. Hire an employee whose employment has been terminated by the Acquirer;
2. Advertise for employees in newspapers, trade publications, or other media, or engage recruiters to conduct general employee search activities, in either case not targeted specifically at one or more of Relevant Employees; and

IT IS FURTHER ORDERED that:

A. Respondents shall transfer and deliver all Business Information related to a Divestiture Product Business to the Acquirer pursuant to the following:

1. Respondents shall deliver the Business Information to that Acquirer, at Respondents’ expense, in good faith, in a timely manner (i.e. as soon as practicable, avoiding any delays in transmission), and in a manner that ensures the completeness and accuracy of all information and ensures its usefulness;
2.    c. Applicable law;
4. Not disclose or convey any such Confidential Business Information, directly or indirectly, to any Person except (i) that Acquirer, (ii) other Persons specifically authorized by that Acquirer or staff of the Commission to receive such information (e.g., employees of a Respondent providing transition services, manufacturing Divestiture Products, or who are engaged in the transfer and delivery of the Product Manufacturing Technology), (iii) the Commission, or (iv) a Monitor, and except to the extent necessary to comply with applicable law;

5. Not provide, disclose, or otherwise make available, directly or indirectly, any Confidential Business Information to the employees associated with the business that is being retained, owned, or controlled by a Respondent, other than those employees specifically authorized as described above;

6. Institute procedures and requirements to ensure that those employees of a Respondent that are authorized by that Acquirer to have access to such Confidential Business information:
   a. Do not provide, disclose, or otherwise make available, directly or indirectly, any such Confidential Business Information in contravention of the Orders; and
   b. Do not solicit, access, or use any such Confidential Business Information that they are prohibited from receiving for any reason or purpose; and

7. Take all actions necessary and appropriate to prevent access to, and the disclosure or use of, such Confidential Business Information by or to any Person(s) not authorized to access, receive, or use such information pursuant to the terms of the Orders or the Divestiture Agreements, including:
   a. Establishing and maintaining appropriate firewalls, confidentiality protections, internal practices, training, communications, protocols, and system or network controls and restrictions;
   b. To the extent practicable, maintaining such Confidential Business Information separate from other data or information of any Respondent; and
   c. Ensuring by other reasonable and appropriate means that such Confidential Business Information is not shared with a Respondent’s personnel engaged in any Business related to the same or substantially the same type of Business as the Divestiture Products, including a Respondent’s personnel engaged in the marketing and sale within the United States of Products Developed or in Development for the same or similar indications as the Divestiture Products or that use the same active pharmaceutical ingredients as the Divestiture Products.

B. As a condition of continued employment after the Divestiture Date, Respondents shall require each employee that has had responsibilities related to the marketing or sales of the Divestiture Products within the one-year period prior to the Divestiture Date, and each employee that has responsibilities related to the Development, marketing, or sales of
those Retained Products that are Developed or in Development for the same or similar indications as the Divestiture Products, in each case who have or may have had access to Confidential Business Information, and the direct supervisor(s) of any such employee, sign a confidentiality agreement pursuant to which that employee shall be required to maintain all such Confidential Business Information as strictly confidential, including the nondisclosure of that information to all other employees, executives, or other personnel of any Respondent (other than as necessary to comply with the requirements of the Orders).

C. No later than 30 days after the Divestiture Date, Respondents shall provide written notification of the restrictions on the use and disclosure of the above-described Confidential Business Information by that Respondent’s personnel to all of its employees who (i) may be in possession of such Confidential Business Information or (ii) may have access to such Confidential Business Information. Respondents shall give the above-described notification by e-mail with return receipt requested or similar transmission, and keep a file of those receipts for 2 years after the Divestiture Date. Respondents shall provide a copy of their notifications to the Acquirer. Respondents shall maintain complete records of all such notifications at the respective Respondent’s principal executive offices within the United States and shall provide an officer’s certification to the Commission affirming the implementation of, and compliance with, the acknowledgement program. Respondents shall provide that Acquirer with copies of all certifications, notifications, and reminders sent to that Respondent’s personnel.

D. Each Respondent shall assure that its own counsel (including its own in-house counsel under appropriate confidentiality arrangements) shall not retain unredacted copies of documents or other materials provided to the Acquirer or access original documents provided to that Acquirer, except under circumstances in which copies of documents are insufficient or otherwise unavailable, and for the following purposes:

1. To assure such Respondent’s compliance with any Divestiture Agreement, the Orders, any law (including, without limitation, any requirement to obtain regulatory licenses or approvals, and rules promulgated by the Commission), any data retention requirement of any applicable government entity, or any taxation requirements; or

2. To defend against, respond to, or otherwise participate in any litigation, investigation, audit, process, subpoena, or other proceeding relating to the divestiture or any other aspect of an Divestiture Product, the Divestiture Assets, or the Divestiture Product Business;

provided, however, that a Respondent may disclose such information as necessary for the purposes set forth in this Paragraph pursuant to an appropriate confidentiality order, agreement, or arrangement;

provided further, however, that pursuant to this Paragraph, a Respondent needing such access to original documents shall: (i) require those who view such
unredacted documents or other materials to enter into confidentiality agreements with the Acquirer (but shall not be deemed to have violated this requirement if that Acquirer withholds such agreement unreasonably); and (ii) use best efforts to obtain a protective order to protect the confidentiality of such information during any adjudication.

VII. Additional Obligations

IT IS FURTHER ORDERED that, during the term of the license of any Authorized Generic Product to the Acquirer pursuant to Paragraph II of the Decision and Order, Respondent Pfizer shall retain and maintain each FDA Authorization that is the FDA Authorization for an Authorized Generic Product unless:

A. Respondent Pfizer transfers such FDA Authorization to the Acquirer;

B. The FDA requires the withdrawal of the FDA Authorization for safety or efficacy reasons;

C. Respondent Pfizer demonstrates, in consultation with that Acquirer and a Monitor, that a withdrawal of the FDA Authorization is necessary due to safety issues based on adverse events, serious adverse events, unexpected adverse events, or other pharmacovigilance reported to the FDA since the Divestiture Date; or

The Monitors shall serve pursuant to the agreement contained in the Monitor Agreement Appendix to the Orders, provided, however, such agreement shall not limit, or be construed to limit, the terms of the Monitor Paragraphs of the Orders.

B. No later than one day after the Commission issues this Order to Maintain Assets, Respondents shall:

1. Confer on the Monitors all rights, power, and authorities necessary to permit the Monitors to monitor Respondents’ compliance with the terms of the Orders as set forth in the Monitor Paragraphs of the Orders; and

2. Consent to the terms and conditions regarding such rights, powers, and authorities of the Monitors set forth in the Monitor Paragraphs of the Orders.

C. The Monitors:

9. Shall serve until that Monitor, in conjunction with Commission staff, determines that all obligations for the Respondents to provide manufacturing and supply of Divestiture Products have expired or been terminated and a final report is filed within 30-days after that date or until such other time as may be determined by the Commission or its staff.

D. Respondents shall (i) provide the Monitors full and complete access to all information and facilities, and, as necessary, make such arrangements with third parties, to allow the Monitors to monitor Respondents’ compliance with its obligations under the Orders; and (ii) cooperate with, and take no action to interfere with or impede the ability of, the Monitors to perform their duties pursuant to the Orders.

For purposes of this Paragraph, the term “Monitor” shall include all persons retained by the Monitors in the performance of their duties under the Orders.

F. Respondents may require the Monitors and each of the Monitors’ consultants, accountants, attorneys, and other representatives and assistants to enter into a customary confidentiality agreement; provided, however, that such agreement does not restrict the Monitors from providing any information to the Commission.
G. Respondents shall not require nor compel the Monitors to disclose to Respondents the substance of communications with the Commission, including the Monitors’ written reports submitted to the Commission, or any other Person with whom the Monitors communicate in the performance of their duties.

H. 1. The Commission shall select the substitute Monitor, subject to the consent of Respondents which consent shall not be unreasonably withheld. Respondents shall be deemed to have consented to the selection of the proposed substitute Monitor if, upon notice by staff of the Commission of the identity of the substitute Monitor to Respondents, Respondents have not opposed, in writing, including the reasons for opposing, the selection of the substitute Monitor within 10 days after such notice; and

2. Not later than 5 days after the Commission appoints a substitute Monitor, Respondents shall enter into an agreement with the substitute Monitor that (i) contains substantially the same terms as the agreement attached as Monitor Agreement Appendix to the Orders or (ii) is approved by the Commission and confers on the substitute Monitor the rights, powers, and authority of a Monitor under the Monitor Paragraphs of the Orders.

I. The Commission may on its own initiative or at the request of a Monitor issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of the Orders.

IX. Divestiture Trustee

IT IS FURTHER ORDERED that:

A. If the Respondents have not fully complied with the obligations to assign, grant, license, divest, transfer, deliver, or otherwise convey the Divestiture Assets or the rights to the Divestiture Products as required by the Decision and Order, the Commission may appoint a trustee (“Divestiture Trustee”) to assign, grant, license, divest, transfer, deliver, or otherwise convey these assets in a manner that satisfies the requirements of the Decision and Order. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to assign, grant, license, divest, transfer, deliver, or otherwise convey these assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the
Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by a Respondent to comply with the Orders.

B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondents, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a Person with experience and expertise in acquisitions and divestitures. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within 10 days after notice by the staff of the Commission to Respondents of the identity of any proposed Divestiture Trustee, Respondents shall be deemed to have consented to the selection of the proposed Divestiture Trustee.

C. No later than 10 days after the appointment of a Divestiture Trustee, Respondents shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the divestiture required by the Decision and Order. Any failure by Respondents to comply with a trust agreement approved by the Commission shall be a violation of the Orders.

D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee’s powers, duties, authority, and responsibilities:

1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to assign, grant, license, divest, transfer, deliver, or otherwise convey the assets that are required by the Decision and Order to be assigned, granted, licensed, divested, transferred, delivered, or otherwise conveyed.

2. The Divestiture Trustee shall have one year after the date the Commission approves the trust agreement described herein to accomplish the divestiture, which shall be subject to the prior approval of the Commission. If, however, at the end of the one-year period, the Divestiture Trustee has submitted a plan of divestiture or the Commission believes that the divestiture(s) can be achieved within a reasonable time, the divestiture period may be extended by the Commission; provided, however, the Commission may extend the divestiture period only two (2) times.

3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records, and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered, or otherwise conveyed by the Decision and Order and to any other relevant information as the Divestiture Trustee may request. Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee’s accomplishment of the divestiture(s). Any delays in divestiture caused by a Respondent shall extend the time for divestiture under this Paragraph in an amount equal to the delay, as
determined by the Commission or, for a court-appointed Divestiture Trustee, by the court.

4. The Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondents’ absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture(s) shall be made in the manner and to the Acquirer that receives the prior approval of the Commission as required by the Decision and Order;

    provided, however, if the Divestiture Trustee receives bona fide offers from more than one acquiring Person, and if the Commission determines to approve more than one such acquiring Person, the Divestiture Trustee shall divest to the acquiring Person selected by Respondents from among those approved by the Commission;

    provided further, however, that Respondents shall select such Person within 5 days after receiving notification of the Commission’s approval.

5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondents, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee’s duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee’s services, all remaining monies shall be paid at the direction of Respondents, and the Divestiture Trustee’s power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by the Decision and Order.

6. Respondents shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee’s duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee.

7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by the Decision and Order.
8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every 30 days concerning the Divestiture Trustee’s efforts to accomplish the divestiture.

9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee’s consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement;

\[\text{provided, however, that such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.}\]

E. The Commission may, among other things, require the Divestiture Trustee and each of the Divestiture Trustee’s consultants, accountants, attorneys, and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Divestiture Trustee’s duties.

F. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.

G. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture(s) required by the Decision and Order.

X. Prior Approvals

A. Each Respondent (other than Respondent Pfizer) shall not, directly or indirectly, through subsidiaries, partnerships, or otherwise, acquire any rights or interests in the Levotyroxine Products, the Sucralfate Products or the Varenicline Products, or the Therapeutic Equivalent of any of these Products without the prior approval of the Commission.

d. To the extent that the Monitor is requested to travel in the performance of the Monitor's duties, the Monitor shall use such travel time, to the extent practicable, to work on the FTC monitor process.

16. Mylan hereby confirms its obligation to indemnify the Monitor and hold the Monitor harmless in accordance with and to the extent required by the Orders (and, upon direction by the Commission to the Monitor to divest any Divestiture Products).

Without in any way limiting the generality of the foregoing, Mylan shall indemnify the Monitor and any subcontractor and their respective consultants, agents, partners, principals, directors, officers, members, managers and employees (the “Indemnified Parties”) and hold the Indemnified Parties harmless (regardless of form of action, whether in contract, statutory law, tort or otherwise) against any losses, claims, damages, liabilities or expenses arising out of or in connection with, the performance of the Monitor’s duties and obligations including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses are determined by final arbitration to result from the gross negligence or the willful misconduct of the Monitor.

17. The Monitor’s maximum liability to the Merging Parties relating to services rendered pursuant to this Monitor Agreement (regardless of the form of the action, whether in contract, statutory law, tort, or otherwise) shall be limited to the lesser of $75,000 or the total sum of the fees paid to the Monitor by the Mylan, except to the extent resulting from the gross negligence or the willful misconduct of the Monitor determined by final arbitration. IN NO CIRCUMSTANCES WHATSOEVER SHALL THE MONITOR BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES.

18. The Merging Parties agrees that Mylan’s obligations to indemnify the Monitor extend to any agreement that is entered between the Monitor and Prasco and relates to the Monitor’s responsibilities under this Monitor Agreement and/or the Orders.
19. Upon this Monitor Agreement becoming effective, the Monitor shall be permitted, and Mylan shall be required, to notify Prasco and potential future Acquirers with respect to its appointment as the Monitor.

20. In the event of a disagreement or dispute between the Merging Parties and the Monitor concerning the Merging Parties’ obligations under the Orders and, in the event that such disagreement or dispute cannot be resolved by the parties, either party may seek the assistance of the individual in charge of the Commission’s Compliance Division to resolve this issue. In the case of any disagreement or dispute between the Merging Parties and the Monitor not relating to the Merging Parties’ obligations under the Orders, and in the event that such disagreement or dispute cannot be resolved by the parties, the parties shall submit the matter to binding arbitration before the American Arbitration Association under its Commercial Arbitration Rules. Binding arbitration shall not be available, however, to resolve any disagreement or dispute concerning the Merging Parties’ obligations pursuant to the Orders. Any fees and expenses of the arbitration shall be split between the parties.

21. This Monitor Agreement shall be subject to the substantive law of the Commonwealth of Pennsylvania (regardless of any other jurisdiction’s choice of law principles).

22. This Monitor Agreement shall terminate no later than: (i) the date set forth in the relevant provision of the Orders; or (ii) on the date on which the Commission has appointed a substitute monitor pursuant to the Orders. The Commission may extend this Monitor Agreement as may be necessary or appropriate to accomplish the purposes of the Orders. The confidentiality, indemnity and limitation of liability provisions of this Monitor Agreement shall survive its termination.

23. In the event that, during the term of this Monitor Agreement, the Monitor becomes aware that it has a conflict of interest that could adversely affect the performance by the designated lead monitor for the Monitor, of any duty under this Monitor Agreement, the Monitor shall promptly inform both the Merging Parties and the Commission of such conflict.

24. It is understood that the Monitor will be serving under this Monitor Agreement as an independent contractor and that the relationship of employer and employee shall not exist between Monitor and the Merging Parties.

25. This Monitor Agreement is for the sole benefit of the parties hereto and their permitted assigns and the Commission, and nothing herein express or implied shall give or be construed to give any other person any legal or equitable rights hereunder.

26. This Monitor Agreement and the Orders contains the entire agreement between the parties hereto with respect to the matters described herein and
replaces and supersedes any and all prior agreements or understandings, whether written or oral. Any amendment, waiver, or modification of this Monitor Agreement shall not be valid unless in writing and signed by the parties, and approved by the Commission. Any such amendment, modification, or waiver may only be made in a manner consistent with the terms of the Orders. Purchase Order terms and conditions shall not be applicable.

27. Any notices or other communication required to be given hereunder shall be deemed to have been properly given if sent by mail, reputable overnight courier or fax (with acknowledgment of receipt of such fax having been received), to the applicable party at its address below (or to such other address as to which such party shall hereafter notify the other party):
