**MODIFIED ORDER EXTENDING TIME FOR FILING INITIAL
DECISION PURSUANT TO COMMISSION RULE 3.51**

On March 18, 2019, an Order Extending Time for Filing Initial Decision Pursuant to Commission Rule 3.51 was issued (“March 18 Order”). The March 18 Order recited the reasons establishing good cause to extend the time period for filing the Initial Decision in this case and extended the deadline for filing the Initial Decision by up to 30 days. As explained in the March 18 Order, absent an order extending the deadline pursuant to Rule 3.51(a), the Initial Decision would be filed on or before March 28, 2019. Thirty days from March 28, 2019 is April 29, 2019, not April 25, 2019, as stated in the March 18, 2019 Order. Accordingly, the March 18 Order is hereby modified to clarify that the latest date by which the *in camera* version of the Initial Decision shall be filed is Monday, April 29, 2019.
