THIRD ORDER REGARDING SCHEDULING IN LIGHT OF PUBLIC HEALTH EMERGENCY

By orders dated March 19, 2020, and April 13, 2020, the Commission has already stayed this proceeding and deferred the commencement of the evidentiary hearing by 75 days. Because of the declared public health emergency\(^1\) associated with the outbreak of the coronavirus disease 2019 (“COVID-19”), also known as SARS-CoV-2, and because it has been advised that gatherings of people in close proximity may facilitate the spread of the disease, the Commission has determined that it is in the public interest to mitigate the transmission and impact of COVID-19, and that good cause exists to stay this proceeding for an additional period of approximately 30 days and to again reschedule the evidentiary hearing. Accordingly,

**IT IS HEREBY ORDERED** that this proceeding be fully stayed, except for matters of settlement, through July 6, 2020; and

**IT IS FURTHER ORDERED** that the evidentiary hearing be rescheduled to commence on January 5, 2021, and all pre-hearing deadlines in this proceeding be further extended by 32 calendar days. The Administrative Law Judge retains discretion to adjust any such pre-hearing deadlines to the extent compatible with the hearing date as set by this Order or to make a recommendation to the Commission regarding an alternative hearing date.
