**ORDER GRANTING MOTION FOR LEAVE TO FILE CORRECTED VERSION  
OF UNOPPOSED MOTION FOR *IN CAMERA* TREATMENT**

On May 10, 2021, nonparty NJOY, LLC (“NJOY”) filed a Motion for Leave to file a corrected version of NJOY’s Unopposed Motion for *In Camera* Treatment of Designated Trial Exhibits, filed May 7, 2021 (“Motion”).

The Second Revised Scheduling Order issued in this case on March 4, 2021 set May 7, 2021 as the deadline for filing motions for *in camera* treatment. NJOY states that NJOY filed its motion for *in camera* treatment together with exhibits on May 7, 2021 but the filing was returned to NJOY on May 10 by the Office of the Secretary because of an error in the case caption. NJOY further states that it has corrected the error and seeks leave to file the corrected version. NJOY also states that NJOY’s counsel has consulted with counsel for the parties and that the parties consent to NJOY’s Motion.

Based on the foregoing, NJOY’s Motion is GRANTED.<sup>1</sup>

ORDERED:

  
D. Michael Chappell  
Chief Administrative Law Judge

Date: May 12, 2021

<sup>1</sup> While this motion was pending, NJOY continued its effort to file its corrected version and completed the filing successfully on May 10, 2021.
