**EXPEDITED MOTION TO ENTER NEW SCHEDULING ORDER OR,
IN THE ALTERNATIVE, TRANSFER CASE TO THE COMMISSION**

Respondents request that, on an expedited basis, the ALJ enter a new scheduling order that will allow the parties to efficiently end this case without further delays or, in the alternative, the ALJ transfer the case to the Commission for issuance of a final decision.

I. Summary

With the filing of the Amended Answer that admits all material facts, this case has changed significantly. The Complaint and the Answer form the record for this case and make the case ripe for a decision by the ALJ and by the Commission. Respondents request that the ALJ issue an Amended Scheduling Order in the form attached as **Exhibit A** that allows for the immediate and efficient resolution of this case.

PUBLIC

II. Brief Statement of Facts

On March 10, 2021, the ALJ granted Respondents' Motion for Leave to Amend the Answer. Respondents filed their amended answer on March 30, 2021. On March 12, 2021, the ALJ issued its Order denying Complaint Counsel's Motion to Amend the Complaint. As noted in the March 12, 2021 Order, the filing of the answer constitutes "a waiver of the hearings as to the facts alleged in the complaint, and together with the complaint will provide a record basis on which the Commission shall issue a final decision containing appropriate findings and conclusions and a final order disposing of the proceeding." Consequently, we now have a record on which the Commission can issue a final decision. It is not necessary for the parties to waste time and money conducting further discovery or creating unnecessary expert reports. It is time for a final resolution of this case.

III. Argument

The Commission has a "strong interest in resolving proceedings expeditiously." *See In the Matter of Louisiana Real Estate Appraisers Board*, Docket No. 9374, 2018 WL 218323, at *3 (Apr. 26, 2018); *See also* Rule 3.1 ("[T]he Commission's policy is to conduct [adjudicative] proceedings expeditiously."); Rule 3.41(b) ("Hearings shall proceed with all reasonable expedition"); Rules of Practice Amendments, 61 Fed. Reg. 50,640 (FTC Sept. 26, 1996) ("[A]djudicative proceedings shall be conducted expeditiously and ... litigants shall make every effort to avoid delay at each stage of a proceeding."). To abide by this policy, this case should be decided now rather than in

PUBLIC

four to six months. As set forth in the proposed Scheduling Order, Respondents request that the ALJ set deadlines for the parties to submit proposed findings of fact, proposed conclusions of law, and legal briefing. In the alternative, Respondents request that the ALJ transfer this matter to the Commission for a final decision on this matter.

PRAYER

Respondents request that, on an expedited basis, the ALJ enter an Amended Scheduling Order in the form attached as Exhibit A or, in the alternative, transfer this case to the Commission for final decision.

CERTIFICATE OF COMPLIANCE

Pursuant to Paragraph 4 of the Court’s December 14, 2020 Scheduling Order, the undersigned counsel represents that, on March 31, 2021, I conferred with Complaint Counsel regarding the issues presented by this motion. Complaint Counsel told me that they not opposed to having the ALJ issue an initial decision, but that Complaint Counsel does not think that the initial decision should occur sooner than the date originally set by the ALJ. In fact, Complaint Counsel informed me that they want to extend the hearing date and extend at some of the deadlines. Complaint Counsel does oppose transferring the case to the Commission for final decision.

ADDITIONAL PROVISIONS

1. For all papers that are required to be filed with the Office of the Secretary, the parties shall provide a courtesy copy to the Administrative Law Judge by electronic mail to the following email address: oyalj@ftc.gov. The courtesy copy should be transmitted at or shortly after the time of any electronic filing with the Office of the Secretary. Courtesy copies must be transmitted to Office of the Administrative Law Judge directly, and the FTC E-filing system shall not be used for this purpose. The oyalj@ftc.gov email account is to be used only for courtesy copies of pleadings filed with the Office of the Secretary and for documents specifically requested of the parties by the Office of Administrative Law Judges. Certificates of service for any pleading shall not include the OALJ email address, or the email address of any OALJ personnel, including the Chief ALJ, but rather shall designate only 600 Pennsylvania Ave., NW, Rm. H-110 as the place of service. **The subject line of all electronic submissions to oyalj@ftc.gov shall set forth the docket number, an abbreviated case name, and the title of the submission (e.g., “No. 1234: Acme Corp – Motion to Extend”).** The parties are not required to provide a courtesy copy to the OALJ in hard copy, except upon request. In any instance in which a courtesy copy of a pleading for the Administrative Law Judge cannot be effectuated by electronic mail, counsel shall hand deliver a hard copy to the Office of Administrative Law Judges. Discovery requests and discovery responses shall not be submitted to the Office of Administrative Law Judges.

2. The parties shall serve each other by electronic mail and shall include “Docket 9397” in the re: line and all attached documents in .pdf format. In the event that service through electronic mail is not possible, the parties may serve each other through any method authorized under the Commission’s Rules of Practice.

3. Each pleading that cites to unpublished opinions or opinions not available on LEXIS or WESTLAW shall include such copies as exhibits.

4. Each motion (other than a motion to dismiss, motion for summary decision, or a motion for *in camera* treatment) shall be accompanied by a separate signed statement representing that counsel for the moving party has conferred with opposing counsel in an effort in good faith to resolve by agreement the issues raised by the motion and has been unable to reach such an agreement. In addition, pursuant to Rule 3.22(g), for each motion to quash filed pursuant to § 3.34(c), each motion to compel or determine sufficiency pursuant to § 3.38(a), or each motion for sanctions pursuant to § 3.38(b), the required signed statement must also “recite the date, time, and place of each . . . conference between counsel, and the names of all parties participating in each such conference.” Motions that fail to include such separate statement may be denied on that ground.

5. Rule 3.22(c) states:

All written motions shall state the particular order, ruling, or action desired and the grounds therefor. Memoranda in support of, or in opposition to, any dispositive motion shall not exceed 10,000 words. Memoranda in support of, or in opposition to, any other

PUBLIC

motion shall not exceed 2,500 words. Any reply in support of a dispositive motion shall not exceed 5,000 words and any reply in support of any other motion authorized by the Administrative Law Judge or the Commission shall not exceed 1,250 words.

If a party chooses to submit a motion without a separate memorandum, the word count limits of 3.22(c) apply to the motion. If a party chooses to submit a motion with a separate memorandum, absent prior approval of the ALJ, the motion shall be limited to 750 words, and the word count limits of 3.22(c) apply to the memorandum in support of the motion. This provision applies to all motions filed with the Administrative Law Judge, including those filed under Rule 3.38.

6. If papers filed with the Office of the Secretary contain *in camera* or confidential material, the filing party shall mark any such material in the complete version of their submission with **{bold font and braces}**. 16 C.F.R. § 3.45(e). Parties shall be aware of the rules for filings containing such information, including 16 C.F.R. § 4.2.

7. Each party is limited to 50 document requests, including all discrete subparts; 25 interrogatories, including all discrete subparts; and 50 requests for admissions, including all discrete subparts, except that there shall be no limit on the number of requests for admission for authentication and admissibility of exhibits. Any single interrogatory inquiring as to a request for admissions response may address only a single such response. There is no limit to the number of sets of discovery requests the parties may issue, so long as the total number of each type of discovery request, including all subparts, does not exceed these limits. Within seven days of service of a document request, the parties shall confer about the format for the production of electronically stored information.

8. Compliance with the scheduled end of discovery requires that the parties serve subpoenas and discovery requests sufficiently in advance of the discovery cut-off and that all responses and objections will be due on or before that date, unless otherwise noted. Any motion to compel responses to discovery requests shall be filed within 30 days of service of the responses and/or objections to the discovery requests or within 20 days after the close of discovery, whichever first occurs; except that, where the parties have been engaging in negotiations over a discovery dispute, the deadline for the motion to compel shall be within 5 days of reaching an impasse.

9. The deposition of any person may be recorded by video, provided that the deposing party notifies the deponent and all parties of its intention to record the deposition by video at least five days in advance of the deposition. The parties shall work in good faith, in light of the public-health emergency, to develop appropriate protocols for remote depositions. No deposition, whether recorded by video or otherwise, may exceed a single, seven-hour day, unless otherwise agreed to by the parties or ordered by the Administrative Law Judge.

10. The parties shall serve upon one another, at the time of issuance, copies of all subpoenas *duces tecum* and subpoenas *ad testificandum*. For subpoenas *ad testificandum*, the party seeking the deposition shall consult with the other parties before the time and place of the deposition is scheduled. The parties need not separately notice the deposition of a non-party

PUBLIC

noticed by an opposing party. If both sides notice any non-party fact deposition, the time and allocation for the deposition shall be divided evenly between them. For any non-party deposition noticed by only one side, the non-noticing side shall be allocated one and a half hours of deposition time for cross or re-cross testimony. Unused time in any side's allocation of deposition time may be used by the other side.

11. Non-parties shall provide copies or make available for inspection and copying of documents requested by subpoena to the party issuing the subpoena. The party that has requested documents from non-parties shall provide copies of the documents received from non-parties to the opposing party within 3 business days of receiving the documents. No deposition of a non-party shall be scheduled between the time a non-party provides documents in response to a subpoena *duces tecum* to a party, and 3 business days after the party provides those documents to the other party, unless a shorter time is required by unforeseen logistical issues in scheduling the deposition, or a non-party produces those documents at the time of the deposition, as agreed to by all parties involved.

12. If a party intends to offer confidential materials of an opposing party or non-party as evidence at the hearing, in providing notice to such non-party, the parties are required to inform each non-party of the strict standards for motions for *in camera* treatment for evidence to be introduced at trial set forth in 16 C.F.R. § 3.45, explained *In re Otto Bock Healthcare N. Am.*, 2018 WL 3491602 at *1 (July 2, 2018); and *In re 1-800 Contacts, Inc.*, 2017 FTC LEXIS 55 (Apr. 4, 2017). Motions also must be supported by a declaration or affidavit by a person qualified to explain the confidential nature of the documents. *In re 1-800 Contacts, Inc.*, 2017 FTC LEXIS 55 (Apr. 4, 2017); *In re North Texas Specialty Physicians*, 2004 FTC LEXIS 66 (Apr. 23, 2004). Each party or non-party that files a motion for *in camera* treatment shall provide one copy of the documents for which *in camera* treatment is sought to the Administrative Law Judge.

13. Motions *in limine* are strongly discouraged. Motion *in limine* refers “to any motion, whether made before or during trial, to exclude anticipated prejudicial evidence before the evidence is actually offered.” *In re Daniel Chapter One*, 2009 FTC LEXIS 85, *18-20 (Apr. 20, 2009) (citing *Luce v. United States*, 469 U.S. 38, 40 n.2 (1984)). Evidence should be excluded in advance of trial on a motion *in limine* only when the evidence is clearly inadmissible on all potential grounds. *Id.* (citing *Hawthorne Partners v. AT&T Technologies, Inc.*, 831 F. Supp. 1398, 1400 (N.D. Ill. 1993); *Sec. Exch. Comm'n v. U.S. Environmental, Inc.*, 2002 U.S. Dist. LEXIS 19701, at *5-6 (S.D.N.Y. Oct. 16, 2002)). Moreover, the risk of prejudice from giving undue weight to marginally relevant evidence is minimal in a bench trial such as this where the judge is capable of assigning appropriate weight to evidence.

14. The final witness lists shall represent counsel's good faith designation of all potential witnesses who counsel reasonably expect may be called in their case-in-chief. Parties shall notify the opposing party promptly of changes in witness lists to facilitate completion of discovery within the dates of the scheduling order. The final proposed witness list may not include additional witnesses not listed in the preliminary or supplemental witness lists previously exchanged unless by consent of all parties, or, if the parties do not consent, by an order of the Administrative Law Judge upon a showing of good cause.

PUBLIC

15. If any party wishes to offer a rebuttal witness other than a rebuttal expert, the party shall file a request in writing in the form of a motion to request a rebuttal witness. That motion shall be filed as soon as possible after the testimony sought to be rebutted is known and shall include: (a) the name of any witness being proposed (b) a detailed description of the rebuttal evidence being offered; (c) citations to the record, by page and line number, to the evidence that the party intends to rebut; and shall demonstrate that the witness the party seeks to call has previously been designated on its witness list or adequately explain why the requested witness was not designated on its witness list.

16. Witnesses shall not testify to a matter unless evidence is introduced sufficient to support a finding that the witness has personal knowledge of the matter. F.R.E. 602.

17. Witnesses not properly designated as expert witnesses shall not provide opinions beyond what is allowed in F.R.E. 701.

18. The parties are required to comply with Rule 3.31A and with the following:

(a) At the time an expert is first listed as a witness by a party, that party shall provide to the other party:

(i) materials fully describing or identifying the background and qualifications of the expert, all publications authored by the expert within the preceding ten years, and all prior cases in which the expert has testified or has been deposed within the preceding four years; and

(ii) transcripts of such testimony in the possession, custody, or control of the producing party or the expert, except that transcript sections that are under seal in a separate proceeding need not be produced.

(b) At the time an expert report is produced, the producing party shall provide to the other party all documents and other written materials relied upon by the expert in formulating an opinion in this case, subject to the provisions of 19(g), except that documents and materials already produced in the case need only be listed by Bates number.

(c) It shall be the responsibility of a party designating an expert witness to ensure that the expert witness is reasonably available for deposition in keeping with this Scheduling Order. Unless otherwise agreed to by the parties or ordered by the Administrative Law Judge, expert witnesses shall be deposed only once and each expert deposition shall be limited to one day for seven hours.

(d) Each expert report shall include a complete statement of all opinions to be expressed and the basis and reasons therefor; the data or other information relied on by the expert in forming the opinions; any exhibits to be used as a summary of or support for the opinions; the qualifications of the expert; and the compensation to be paid for the study and testimony.

PUBLIC

(e) A party may not discover facts known or opinions held by an expert who has been retained or specially employed by another party in anticipation of this litigation or preparation for hearing and who is not designated by a party as a testifying witness.

(f) At the time of service of the expert reports, a party shall provide opposing counsel:

(i) a list of all commercially-available computer programs used by the expert in the preparation of the report;

(ii) a copy of all data sets used by the expert, in native file format and processed data file format; and

(iii) all customized computer programs used by the expert in the preparation of the report or necessary to replicate the findings on which the expert report is based.

(g) Experts' disclosures and reports shall comply in all respects with Rule 3.31A, except that neither side must preserve or disclose:

(i) any form of communication or work product shared between any of the parties' counsel and their expert(s), or between any of the experts themselves;

(ii) any form of communication or work product shared between an expert(s) and persons assisting the expert(s);

(iii) expert's notes, unless they constitute the only record of a fact or an assumption relied upon by the expert in formulating an opinion in this case;

(iv) drafts of expert reports, analyses, or other work product; or

(v) data formulations, data runs, data analyses, or any database-related operations not relied upon by the expert in the opinions contained in his or her final report.

19. If the expert reports prepared for either party contain confidential information that has been granted *in camera* treatment, the party shall prepare two versions of its expert report(s) in accordance with 16 C.F.R. § 3.45(e).

20. An expert witness' testimony is limited to opinions contained in the expert report that has been previously and properly provided to the opposing party. In addition, no opinion will be considered, even if included in an expert report, if the underlying and supporting documents and information have not been properly provided to the opposing party. Unless an expert witness is qualified as a fact witness, an expert witness is only allowed to provide opinion testimony; expert testimony is not considered for the purpose of establishing the underlying facts of the case.

21. The final exhibit lists shall represent counsel's good faith designation of all trial exhibits other than demonstrative, illustrative, or summary exhibits. Additional exhibits may be added after the submission of the final lists only by consent of all parties, or, if the parties do not consent, by an order of the Administrative Law Judge upon a showing of good cause.

PUBLIC

22. Properly admitted deposition testimony and properly admitted investigational hearing transcripts are part of the record and shall not be read in open court to provide that testimony, but may be used in the examination of live witnesses. Video recorded deposition excerpts that have been admitted in evidence may be presented in open court only upon prior approval by the Administrative Law Judge.

23. The parties shall provide to one another, and to the Administrative Law Judge and the court reporter, no later than 48 hours in advance, not including weekends and holidays, a list of all witnesses to be called on each day of hearing, subject to possible delays or unforeseen circumstances.

24. The parties shall provide one another with copies of any demonstrative, illustrative or summary exhibits (other than those prepared for cross-examination) 24 hours before they are used with a witness.

25. Complaint Counsel's exhibits shall bear the designation PX and Respondents' exhibits shall bear the designation RX or some other appropriate designation. Complaint Counsel's demonstrative exhibits shall bear the designation PXD and Respondents' demonstrative exhibits shall bear the designation RXD or some other appropriate designation. If demonstrative exhibits are used with a witness, the exhibit will be marked and referred to for identification only. Any demonstrative exhibits referred to by any witness may be included in the trial record, but they are not part of the evidentiary record and may not be cited to support any disputed fact. Both sides shall number the first page of each exhibit with a single series of consecutive numbers. When an exhibit consists of more than one piece of paper, each page of the exhibit must bear a consecutive control number or some other consecutive page number. Additionally, parties must account for all their respective exhibit numbers. Any number not actually used at the hearing shall be designated "intentionally not used."

26. At the final prehearing conference, counsel will be required to introduce all exhibits they intend to introduce at trial and to provide the exhibits to the court reporter. The parties shall confer and shall eliminate duplicative exhibits in advance of the final prehearing conference and, if necessary, during trial. For example, if PX100 and RX200 are different copies of the same document, only one of those documents shall be offered into evidence. The parties shall agree in advance as to which exhibit number they intend to use. Counsel shall contact the court reporter regarding submission of exhibits.
