DECISION

The Federal Trade Commission (“Commission”) initiated an investigation of the proposed acquisition by Respondent Total Renal Care, Inc., a wholly owned subsidiary of Respondent DaVita Inc. (“Respondents”), of certain assets comprising dialysis clinics owned and operated by the University of Utah. The Commission’s Bureau of Competition prepared and furnished to Respondents the Draft Complaint, which it proposed to present to the Commission for its consideration. If issued by the Commission, the Draft Complaint would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45 (collectively “Acts”).

Respondents and the Bureau of Competition executed an Agreement Containing Consent Orders (“Consent Agreement”) containing (1) an admission by Respondents of all the jurisdictional facts set forth in the Draft Complaint, (2) a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in the Draft Complaint, or that the facts as alleged in the Draft Complaint, other than jurisdictional facts, are true, (3) waivers and other provisions as required by the Commission’s Rules, and (4) a proposed Decision and Order and Order to Maintain Assets.

The Commission considered the matter and determined that it had reason to believe that Respondents have violated the said Acts, and that a complaint should issue stating its charges in that respect. The Commission accepted the Consent Agreement and placed it on the public record for a period of 30 days for the receipt and consideration of public comments; at the same time, it issued and served its Complaint and Order to Maintain Assets. The Commission duly

In re DaVita, et al.

considered any comments received from interested persons pursuant to Commission Rule 2.34, 16 C.F.R. § 2.34. Now, in further conformity with the procedure described in Rule 2.34, the Commission makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

1. Respondent DaVita Inc. is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of Delaware, with its executive offices and principal place of business located at 2000 16th Street, Denver, Colorado 80202.
2. Respondent Total Renal Care, Inc. is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of California, with its executive offices and principal place of business located at 601 Hawaii Street, Segundo, California 90245.
3. The Federal Trade Commission has jurisdiction over the subject matter of this proceeding and of Respondents, and this proceeding is in the public interest.
