DECLARATION OF SEAN EMERSON

1. My name is Sean Emerson. I reside in Warr Acres, Oklahoma. The following statements are within my personal knowledge and if called as a witness I could and would competently testify thereto.

2. In 2004, I graduated from the University of Oklahoma with a Bachelor of Arts in Journalism and Mass Communications. In 2016, I earned a Master of Business Administration from the University of Oklahoma Price College of Business. I now run my own business, Emerson Land Acquisition, LLC.

3. In December 2013, I received a solicitation by mail from American Financial Benefits Center (“AFBC”), which stated that the company could assist me in lowering my monthly student loan payment. When I received the mailer, I owed approximately $50,000 in federal student loans.

4. When I received the AFBC mailer, my gut told me to be skeptical of the offer. I wish that I had listened to it. But, when you are in need, you are more vulnerable.

5. I called the phone number on the AFBC mailer on January 8, 2014 and spoke with an AFBC agent named Patty Fagalde.

6. After talking with Ms. Fagalde, I understood that AFBC was offering services to obtain approval on my behalf from my loan servicer, American Education Services (“AES”), for the Department of Education’s Income Based Repayment (“IBR”) program. At the time, I was not aware that new federal law allowed student borrowers to access these programs on their own.

7. During the call, I inquired multiple times whether I would be reported past due to the credit bureaus if I stopped making my normal payments to AES until the application was processed. Ms. Fagalde assured me time and time again that I would be placed in forbearance on that same day and would remain in forbearance until the application process was finalized, so I would not need to make any further payments to AES until the IBR program application was processed. She further assured me that no negative reporting would take place to my credit bureaus during that time.

Emerson Declaration - Page 1
8. I recall that Ms. Fagalde also discussed my family size for my IBR application. She gave me what seemed like a pretty liberal interpretation of who was a “family member” for the purpose of the application – she told me that if I had friends living with me, or even just staying with me for a while, that would count as a family member.

9. Because Ms. Fagalde told me that AFBC could substantially lower my student loan payments and would place my account into forbearance immediately while they applied for the IBR program on my behalf, I went ahead and signed a contract with AFBC.

10. Ms. Fagalde collected my banking information. I understood from our conversation that AFBC would be taking money from my account and then using that money to pay my loan servicer.

11. I completed a form giving AFBC power of attorney with regard to my relationship with AES. Ms. Fagalde told me not to call AES. She assured me that AFBC would take care of my loans and would let my loan servicer know that I was working with AFBC.

12. AFBC sent me numerous documents via email and instructed me to sign them electronically through a program called DocuSign. Ms. Fagalde had me go through the contract documents while I was on the phone with her. She indicated that completing these forms was urgent – she said it took 30 days to get the loan changes in place, so they needed to get the process started as quickly as possible. A true and correct copy of the material AFBC sent me, with my personal information redacted, is attached as Emerson Attachment A.

13. I completed and returned the documents that AFBC sent me. I also sent AFBC all other requested documentation.

14. Months after I signed up with AFBC, I received a communication from AES alerting me that my loan payments were 60 days past due. AFBC had not put my loan into forbearance, as they had promised. I checked my credit report and, sure enough, AES had reported me as 60 days past due on my student loan payments.

15. I contacted AFBC immediately and its agents indicated that they were taking care of the situation. They assured me that once their process was complete, the credit reporting would be removed. The agent eventually transferred me to the president of AFBC. The
president, whose name I believe is Brandon Frere, was very vague in his responses to my
questions about why my loan had not been put in forbearance. Only once I suggested that I was
considering taking legal action against AFBC did Mr. Frere agree to help me.

16. The AFBC agents conferenced me in on a call with someone who was supposedly
a representative of AES. The supposed AES representative assured me that the credit reporting
would eventually be removed. In hindsight, I now believe the call was an elaborate fake and that
the person posing as an AES customer service representative was actually an AFBC employee. I
am not sure whether AFBC otherwise contacted AES on my behalf, though it is possible.

17. I was determined to get AES to remove the late payment marks – I must have
called AES a hundred times to advocate for myself. I worked with AES directly to apply for the
IBR program. Eventually, AES placed me in forbearance retroactively, from November 2013
through March 2014. However, AES would not initially undo the late payment reporting to the
credit bureaus, as they stated that the credit reporting took place prior to them approving the
forbearance and, as such, the reporting was accurate at that time. Prior to these past due reports,
I had not been reported past due by AES for well over two or three years. I would have never
stopped making payments if I had known in any way that I would jeopardize my credit score.

18. AES reported my loan payments as 60, and then eventually 90, days past due to
the major credit bureaus. This negatively affected my credit score. This was especially harmful
to my credit-worthiness because I had been pre-qualified for a mortgage prior to these negative
reports and was planning on starting construction under a builder’s credit line shortly thereafter.
I was very concerned that these negative marks would prevent me from closing when my home
was finished. I believe the late payments to AES affected my credit score for months to come, if
not longer. Around June or July 2014, after I called AES countless times, they finally removed
the negative marks from my credit score.

19. It turns out that AFBC never deducted any money out of my account, but they
also apparently had not done any work on my behalf, as they had promised.

20. Shortly after AES placed me in forbearance, around March or April 2014, I wrote
down my experience with AFBC and my struggle to have the late payment removed from my
credit score. A true and correct copy of my written record of my experience is attached as Emerson Attachment B.

21. I declare under penalty of perjury that the foregoing is true and correct. Executed on August 30th, 2017 in Warr Acres, Oklahoma.

SECTION 2: REPAYMENT PLAN REQUEST

Before completing this form, carefully read the entire form, particularly Sections 7, 8, and 9. Type or print using dark ink. If you need help completing this form, contact your loan holder(s). Return the completed form and any required documentation to the address shown in Section 10. You may be able to complete your request online by visiting studentloans.gov. Information about repayment plans and calculators are available at studentaid.gov.

Other repayment plans, such as extended or graduated, may be available and may offer a lower monthly payment amount. In addition, payment under the IBR, Pay As You Earn, or ICR plans may result in your paying more interest over time and may result in federal income tax liability on any loan amount that is forgiven under these plans.

1. Please select the reason that you are completing this request by checking box a, b, or c, below.
   a. ☐ I am requesting a repayment plan based on my income – Check the plan(s) you are requesting below and then continue to item 2.
   b. ☐ I am submitting annual documentation for the recalculation of my monthly payment amount under my current repayment plan – Continue to item 2.
   c. ☒ I am requesting that my loan holder recalculate my current monthly payment amount because my circumstances have changed – Continue to item 2.

For Direct Loan borrowers, your request will apply to all of your loans that are eligible for the plan you choose. For FFEL borrowers, you can exclude eligible loans if you request IBR prior to July 1, 2013. If you are a FFEL borrower and request IBR on or after July 1, 2013, you must repay all loans eligible for IBR under that plan. For all borrowers, you will need to choose a different repayment plan for loans that are not eligible for a repayment plan based on income or they will be placed on the standard repayment plan.

2. ☐ Check this box if you owe eligible loans to more than one loan holder. You must submit a separate request to each holder of the loans you want to repay under the IBR, Pay As You Earn, or ICR plan.

You must promptly submit to your loan holder(s) this completed form and acceptable documentation of your Adjusted Gross Income (see Section 4), or, if applicable, alternative documentation of your current income (see Section 5).

SECTION 3: SPOUSAL INFORMATION

Complete this section if any of the following apply to you:
- You file a joint federal income tax return with your spouse and your spouse has eligible loans. Enter information about your spouse, below.
- You have a joint Direct or FFEL Consolidation Loan that you obtained with your spouse. Enter information about the co-borrower of the loan.
- You and your spouse have Direct Loans and both of you want to repay those loans under the ICR Plan. Enter information about your spouse, below.

3. Spouse’s SSN [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ]

4. Spouse’s Name

5. Spouse’s Date of Birth [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ]

6. ☐ My spouse and I wish to repay our Direct Loans jointly under the ICR Plan.

If you complete this section, your spouse is also required to sign this form. By signing, your spouse is authorizing the loan holder(s) to access information about his or her federal student loans in the National Student Loan Data System (NSLDS). In addition, if the Department is not your loan holder and your FFEL loan holder(s) does not service at least one of your spouse’s loans, your loan holder(s) will need detailed information about all of your spouse’s loans to accurately evaluate your eligibility and payment amount. Your spouse should log into NSLDS at nslds.ed.gov to give your loan holder(s) access to his or her loan information. To obtain the organization code needed for authorization on NSLDS or for other options to provide the loan details needed on your spouse’s loans, contact your loan holder(s).
SECTION 4: FAMILY SIZE AND FEDERAL TAX INFORMATION

7. □ Enter your family size (as defined in Section 8).

Note: If you do not enter your family size, your loan holder(s) will assume a family size of one. For purposes of these repayment plans, your family size may be different from the number of exemptions you claim on your federal tax return. By signing this form, you are certifying that the family size you enter above is correct.

8. Did you file a federal income tax return for either of the two most recently completed tax years?
   □ Yes - Continue to Item 9.
   □ No - Skip to Section 5.

9. Is your current income or your spouse's current income (if you completed Section 3 or file a joint federal income tax return) significantly different than the income used to determine the Adjusted Gross Income* (AGI) reported to the IRS on your most recently filed federal income tax return?
   □ Yes - Continue to Section 5.
   □ No - Provide your most recently filed federal income tax return or IRS tax return transcript. Skip to Section 6.

*You can find your Adjusted Gross Income on your most recently filed IRS Form 1040, 1040A, or 1040EZ.

SECTION 5: ALTERNATIVE DOCUMENTATION OF INCOME

To be completed if (1) you did not file a federal income tax return for the two most recently completed tax years, (2) your AGI from your most recently filed federal income tax return does not reasonably reflect your current income (due to circumstances such as the loss of or change in employment), or (3) your loan holder(s) informed you that alternative documentation of income is required.

10. Do you have taxable income? Check "No" if (1) you do not have any income, (2) receive only untaxed income (such as Supplemental Security Income, child support, or federal or state public assistance), or (3) are not required to file a federal income tax return based on the amount of your taxable income.
    □ Yes - Provide documentation of this income, as described below.
    □ No - By signing this form, you are certifying that you have no taxable income or are not required to file a federal income tax return based on the amount of your taxable income.

11. If you are married and completed Section 3 or file a joint federal income tax return with your spouse, does your spouse have taxable income? Check "No" if (1) your spouse does not have any income, (2) receives only untaxed income (such as Supplemental Security Income, child support, or federal or state public assistance), or (3) is not required to file a federal income tax return based on the amount of his/her taxable income.
    □ Yes - Provide documentation of your spouse's income, as described below.
    □ No - By signing this form, your spouse is certifying that he/she has no taxable income or is not required to file a federal tax return based on the amount of his/her taxable income.

You must provide documentation of all taxable income that you currently receive from all sources (for example, income from employment, unemployment income, dividend income, interest income, tips, alimony). If you are married and completed Section 3 or file a joint federal income tax return, you must also provide documentation of your spouse's taxable income. Do not report untaxed income such as Supplemental Security Income, child support, or federal or state public assistance.

You must provide one piece of supporting documentation for each source of income (your and your spouse's). For example, documentation includes pay stubs, a letter(s) from your employer(s) listing income, interest or bank statements, or dividend statements. If these forms of documentation are unavailable, attach a signed statement from you or your spouse explaining the income source(s) and giving the name and the address of the source(s).

Unless the frequency is clearly indicated on the documentation that you provide, write on your documentation how often you receive the income, for example, "twice per month" or "every other week." The date on any supporting documentation you provide must be no older than 90 days from the date you sign this form. Copies of original documentation are acceptable.

SECTION 6: BORROWER REQUEST, UNDERSTANDINGS, AGREEMENT, AUTHORIZATION, AND CERTIFICATION

- I request to use the plan I selected in Section 2 to repay my eligible Direct Loan or FFEL Program loans held by the holder(s) to which I submit this form. If I selected the option to allow my loan holder(s) to choose my plan, I request my loan holder(s) to place me in the plan with the lowest monthly payment amount.
- If more than one plan provides the same initial payment amount, I understand that my loan holder will choose the plan that is likely to keep my monthly payment amount lower in subsequent years.
- I understand that: (1) If I am entering repayment on my loan(s) for the first time and do not provide my loan holder(s) with this completed form and any other documentation required by my loan holder(s), or if I do not qualify for the repayment plan (see Section 8), (2) If I am currently repaying my loan(s) under a different repayment plan and want to change to the repayment plan I selected in Section 2, my loan holder(s) may grant me a forbearance for up to 60 days to collect and process documentation supporting my request for the selected plan. I am not required to make loan payments during this period of forbearance, but interest will continue to accrue. Unpaid interest that accrues during this maximum 60-day forbearance period will not be capitalized (see Section 8). (3) If I am delinquent in making payments under my current repayment plan at the time I request one of the repayment plans listed in Section 2, my loan holder(s) may grant me a forbearance to cover any payments that are overdue, or that would be due, at the time I enter the repayment plan I requested. Unpaid interest that accrues during this forbearance period may be capitalized. (4) If I am requesting the ICR plan, my initial payment amount will be the amount of interest that accrues each month on my loan(s) until my loan holder receives the income documentation needed to calculate my ICR payment amount. If I cannot afford the initial interest payments, I may request forbearance by contacting my loan holder.
- I authorize the entity to which I submit this request (i.e., the school, the lender, the guaranty agency, the U.S. Department of Education, and their respective agents and contractors) to contact me regarding my request or my loan(s), including repayment of my loan(s), at the number that I provide on this form or any future number that I provide for my cellular telephone or other wireless device using automated telephone dialing equipment or artificial or prerecorded voice or text messages.
- I certify that all of the information I have provided on this form and in any accompanying documentation is true, complete, and correct to the best of my knowledge and belief.

This Service Agreement is entered into on the date shown below between the American Financial Benefits Center, Inc. (AFBC) and the Client shown below (Client).

AFBC provides processing and support services to assist consumers who are applying for Federal Student Loan Consolidation Services, and/or other repayment plan programs available through the Department of Education (DOE). AFBC is a private company, not affiliated with any government agency, and for a fee AFBC will assist in assembly and submission of student loan consolidation, and/or other repayment plan program documents. AFBC is not a lender or a debt consolidation company.

Client requests AFBC to perform, in good faith, the following services, (“the Services”): (a) Performing a review of the Client’s current Federal Student Loan debt situation, (b) Identify potential Student Loan Consolidation, and/or other repayment plan options that may be available to Client from the DOE, (c) Discuss potential options with the Client, and (d) After Client selects an option, prepare and process, on the Client’s behalf, a Federal Student Loan Consolidation Application, and/or other repayment plan program application with the DOE.

Now therefore in consideration of the foregoing and every term, covenant and condition hereafter set forth, AFBC and Client do hereby understand, covenant and agree to the following:

1. Provide Complete and Truthful Information. AFBC will provide Client with an overview session limited to their Federal Student Loan debts to assist the Client in locating options that may be available to them. Client expressly represents and warrants that he/she/they will at all times provide AFBC with information that is complete, accurate and true to the best of their knowledge and belief.

2. Performance of Services. Upon receipt of all information from Client, AFBC shall promptly analyze Client’s Federal Student Loan debt situation, review the information provided by the Client, and complete the application forms required for the DOE program(s) that have been selected by the Client. Upon completion of AFBC’s review and due diligence, AFBC shall prepare for filing with Client’s lender an application to initiate a Federal Student Loan Consolidation, and/or other repayment plan available to Client through the DOE on behalf of Client.

3. Fees for Services. The cost of the program for a client enrolling is $600, and is split into a monthly payment option as indicated in the attached form. The fee shall be debited from Client’s bank account specified on the attached Electronic Funds (EFT) Authorization. AFBC will use a third party payment processor to debit Client for fee and Client shall pay all processing fees associated with such. AFBC’s services shall be complete upon AFBC completing its review and providing an application packet to the Client.

4. Documents Service Agreement and Monthly Cost Authorization. AFBC will use a third party payment processor to debit Client for fees/payments and Client shall pay all processing fees associated with such. Client hereby authorizes AFBC to deduct all payments due per this contract from the financial institution listed in the Electronic Funds (EFT) Authorization or such other financial institution that may be used by Client from time to time. Further, Client authorizes their financial institution to accept and to charge any debit entries initiated by American Financial Benefits Center to Client’s account. This authorization for automatic withdrawal of fees/payments is to remain in full force and effect until AFBC has received written notice from Client of its termination in such time and such manner as to afford AFBC a reasonable opportunity to act. A fee/payment (whether paid by debit or other means) that is not honored by Client’s financial institution for any reason may be subject to a $20.00 service fee imposed by AFBC (unless otherwise limited or prohibited by state law), the amount of which may be debited from Client’s account.

5. Limited Money Back Guarantee. AFBC guarantees that Client will receive a Federal Student Loan Consolidation, or other repayment plan program available to client through the Department of Education subject to the following conditions: (1) student loans that Client presents to AFBC are original debts, and have not been previously consolidated or had their terms or amounts previously adjusted; (2) Client full cooperates, is honest and timely in providing all information requested by AFBC and DOE; and/or (3) Client does not possess a characteristic that pursuant to DOE rules would disqualify Client from receiving a consolidation. If a Client is not approved for a Federal Student Loan Consolidation, or any other repayment plan program available to client through the DOE, after reasonable efforts by the parties, then AFBC will reimburse the Consolidation Fee Payment (payment made to
AFBC in Section 3, above). All refund requests must be made, in writing, to AFBC within 30 days of any denial by the DOE.

6. Process. Once paperwork has been received, processing will begin. AFBC will always act promptly on Client’s documents and program. Be advised that Federal Student Loan Consolidations, and other repayment plans completed by AFBC rely on the relevant lenders for prompt service and AFBC cannot be held liable for delayed completion. Average completion of a Federal Student Loan Consolidation through the DOE is usually ninety (90) days, but may take longer. AFBC solely prepares and provides documents for submission, and does not control the DOE application review process.

7. Indemnification and Hold Harmless. Client hereby agrees to defend and hold harmless AFBC from and against any claims and liability of any nature whatsoever arising out of or in connection with Client’s failure to timely provide requested information to AFBC, Client’s lack of authority or ability to complete terms of this Agreement, and all other claims arising out of this Agreement or relating to Client’s loans and other financial obligations. This Agreement constitutes the entire agreement between the parties. AFBC makes no warranty, express or implied, as to the fitness of any recommendation it may make to Client arising out of this Agreement. Except for cause, Client unconditionally waives any right of action against AFBC, its officers, directors, employees, agents, brokers and assignees, at law, equity or any other cause of action for any reason, directly, indirectly or proximately believed to arise out of this Agreement, for any damages of any nature whatsoever that Client may incur by reason of Client following any recommendation of AFBC or Client’s failure to follow any recommendation of AFBC, whether any singular, concurrent or series of recommendations are acted upon or not acted upon in whole or in part by Client. This section shall survive any termination of this Agreement.

8. Important Limitation on Consumer Rights - Mandatory Arbitration Requirement – Please read carefully: In the event of any controversy, claim or dispute between the parties arising out of or relating to this agreement or the breach, termination, enforcement, interpretation, construction or validity thereof, including any determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in Sonoma County, California or in the county in which the consumer resides, in accordance with the Laws of the State of California for agreements to be made in and to be performed in California. The parties agree that the arbitration shall be administered by the American Arbitration Association (“AAA”) pursuant to its rules and procedures and an arbitrator shall be selected by the AAA. The arbitrator shall be neutral and independent and shall comply with the AAA code of ethics. The award rendered by the arbitrator shall be final and shall not be subject to vacation or modification. Judgment on the award made by the arbitrator may be entered in any court having jurisdiction over the parties. If either party fails to comply with the arbitrator's award, the injured party may petition the circuit court for enforcement. The parties agree that either party may bring claims against the other only in his/her or its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Further, the parties agree that the arbitrator may not consolidate proceedings of more than one person's claims, and may not otherwise preside over any form of representative or class proceeding. The parties shall share the cost (not attorneys’ fees) of arbitration equally. In the event a party fails to proceed with arbitration, unsuccessfully challenges the arbitrator's award, or fails to comply with the arbitrator's award, the other party is entitled to costs of suit, including a reasonable attorney's fee for having to compel arbitration or defend or enforce the award. Binding Arbitration means that both parties give up the right to a trial by a jury. It also means that both parties give up the right to appeal from the arbitrator’s ruling except for a narrow range of issues that can or may be appealed. It also means that discovery may be severely limited by the arbitrator. This section and the arbitration requirement shall survive any termination. OPT-OUT PROCESS: You may choose to opt-out of this Arbitration Provision but only by following the process set-forth below. If you do not wish to be subject to this Arbitration Provision, then you must notify us in writing within thirty (30) calendar days of the date of this Agreement at the following address: AFBC, Attn: Customer Service, 311 Professional Center Drive #200 Rohnert Park, CA 94928. Your written notice must include your name, address, the date of this Agreement, and a signed statement that you wish to opt out of the Arbitration Provision. If you choose to opt out, then your choice will apply only to this Agreement.

9. Entire Agreement. By virtue of Client’s signature below, Client acknowledges that he/she has read, understands and agrees to every term, covenant and condition of this Agreement and that he/she has received a true and complete copy hereof, effective on the date below. This agreement is the only agreement between the parties and there is no other collateral agreement (oral or written) between the parties in any manner relating to the subject matter of this agreement. If any portion of this agreement is held to be invalid or unenforceable, the remaining provisions will remain in effect. The parties mutually understand and agree that a facsimile copy signature or an electronic signature on this agreement shall be deemed an original for all lawfully enforceable purposes.

10. Cancellation Policy – I, the Client, may cancel this contract at any time prior to being approved for a Federal Student Loan Consolidation, or any other Department of Education repayment plan option achieved on Client’s behalf, and receive a full refund.
11. Limitations on Damages: AFBC’s liability under this agreement and/or relating directly or indirectly to Client’s participation in the Student Loan Consolidation Program, under any theory of liability regarding any claim by the Client is limited to the amount of fees paid by Client to AFBC. The Parties agree to be contractually bound to such limitation on any damages, and agree not to demand or attempt to recover any amount in excess of such. This section shall survive termination.

12. Information Authorization: I hereby authorize AFBC to verify my past present employment earnings records, bank accounts, stock holdings, and any other asset balances that are needed to process my Federal Student Loan Consolidation, and/or other repayment plan program available to client. The information AFBC obtains is only to be used in the processing of my application for a Federal Student Loan Consolidation or any other repayment plan program through the DOE, and AFBC does not provide any form of credit repair, credit score enhancement, or debt relief.

To whom it may concern,

My student loans have been consolidated with American Education Services since 2005. In December of 2013 I received solicitation by mail from a third party company, American Financial Benefits Center, offering me the services to obtain an approval from my lender, AES, for the Department of Education’s Income Based Repayment program, or, IBR Program. Because AFBC suggested that they could lower my student loan payments, substantially, for the period of 12 months, and, place my account into forbearance, immediately—from that day, January 8th, 2014 forward—I went ahead and signed a contract with them—and contracted with them to process an IBR application on my behalf.

At that time, I inquired of their sales representative multiple times prior to signing a contract with them, as to whether, if I stopped making my normal payments to AES until the application was processed, I would be reported past due to the credit bureaus. She assured me time and time again that I would be placed in forbearance, from that day forward until the application process was finalized, and that I would not need to make any further payments to AES until the application was processed. And, further, that no negative reporting would take place to my credit bureas during that time.

Those statements made by AFBC’s sales representative turned out to be patently false. And, although AFBC was, ultimately, able to get my application for Income Based Repayment, approved, I was reported as (60) and (90) days past due during this process to the major credit bureaus. This is especially injurious to my credit-worthiness due to the fact that I was pre-qualified for mortgage, prior to these negative reports and will be starting construction under the builders credit line in nest month or so. I’m very concerned that these negative marks may prevent me from closing when my home is finished.

I have disputed these negative reports to AES several times and have documented that I was grossly mislead by a third party company, who operates on the fringes of the law, but can appear to have an official standing within the student loan, lender/loan servicing community. So far, none of these disputes have been successful.

Because, I was, basically misinformed and mislead into believing that my account was in forbearance—by a possibly fraudulent third party—I have begged and pleaded with AES to remove the past due marks in lieu of the circumstances. AES did, in fact, retroactively place me in forbearance, from 11/20/13 through 03/31/14 once the IBR application was approved. I pointed this out to AES and they said that the credit reporting took place prior to them approving the forbearance and, that as such, the reporting was accurate at that time. Prior to these past due reports, I had not been reported past due by AES for well over two or three years. I would have never ignored making payments if I had known in any way that I would jeopardize my credit score.

Last, I made several inquiries to AES during the time my IBR application was being processed, with regard to my past due reports—which I had been made aware of—and they insured me, that once the IBR application was approved, all the past due reporting would be removed. So far, AES has still been reluctant to remove the marks on my credit. I know that my situation cannot be an isolated incident as
many other customers must have been the victim of the same type of unscrupulous players now infiltrating this market place.

If there is anything you office can do to set this right, I would greatly appreciative.
