If the Commission accepts this Consent Agreement, it, together with the draft Complaint, will be placed on the public record for 30 days and information about them publicly released. Acceptance does not constitute final approval, but it serves as the basis for further actions leading to final disposition of the matter. Thereafter, the Commission may either withdraw its acceptance of this Consent Agreement and so notify each Proposed Respondent, in which event the Commission will take such action as it may consider appropriate, or issue and serve its Complaint (in such form as the circumstances may require) and decision in disposition of the proceeding, which may include an Order. *See* Section 2.34 of the Commission's Rules, 16 C.F.R. § 2.34 ("Rule 2.34").

5. If this agreement is accepted by the Commission, and if such acceptance is not subsequently withdrawn by the Commission pursuant to Rule 2.34, the Commission may, without further notice to Proposed Respondents: (1) issue its Complaint corresponding in form and substance with the attached draft Complaint and its Decision and Order; and (2) make information about them public. Proposed Respondents agree that service of the Order may be effected by its publication on the Commission's website ([ftc.gov](http://ftc.gov)), at which time the Order will become final. *See* Rule 2.32(d). Proposed Respondents waive any rights they may have to any other manner of service. *See* Rule 4.4.

6. When final, the Decision and Order will have the same force and effect and may be altered, modified, or set aside in the same manner and within the same time provided by statute for other Commission orders.

7. The Complaint may be used in construing the terms of the Decision and Order. No agreement, understanding, representation, or interpretation not contained in the Decision and Order or in this Consent Agreement may be used to vary or contradict the terms of the Decision and Order.

8. Each Proposed Respondent agrees to comply with the terms of the proposed Decision and Order. Proposed Respondents understand that they may be liable for civil penalties and other relief for each violation of the Decision and Order after it becomes final.

**DECISION AND ORDER**

**DOCKET NO. C-**

**DECISION**

The Federal Trade Commission (“Commission”) initiated an investigation of certain acts and practices of the Respondents named in the caption. The Commission’s Bureau of Consumer Protection (“BCP”) prepared and furnished to Respondents a draft Complaint. BCP proposed to present the draft Complaint to the Commission for its consideration. If issued by the Commission, the draft Complaint would charge the Respondents with violations of the Federal Trade Commission Act.

Respondents and BCP thereafter executed an Agreement Containing Consent Order (“Consent Agreement”). The Consent Agreement includes: 1) statements by Respondents that they neither admit nor deny any of the allegations in the Complaint, except as specifically stated in this Decision and Order, and that only for purposes of this action, they admit the facts necessary to establish jurisdiction; and 2) waivers and other provisions as required by the Commission’s Rules.

The Commission considered the matter and determined that it had reason to believe that Respondents have violated the Federal Trade Commission Act, and that a Complaint should issue stating its charges in that respect. The Commission accepted the executed Consent Agreement and placed it on the public record for a period of 30 days for the receipt and consideration of public comments. The Commission duly considered any comments received from interested persons pursuant to Section 2.34 of its Rules, 16 C.F.R. § 2.34. Now, in further conformity with the procedure prescribed in Rule 2.34, the Commission issues its Complaint, makes the following Findings, and issues the following Order:

## **Findings**

1. The Respondents are:
  - a. Sandpiper of California, Inc., a California corporation with its principal office or place of business at 687 Anita Street, Suite A, Chula Vista, CA 91911.
  - b. PiperGear USA, Inc., a California corporation with its principal office or place of business at 687 Anita Street, Suite A, Chula Vista, CA 91911.
2. The Commission has jurisdiction over the subject matter of this proceeding and over Respondents, and the proceeding is in the public interest.

## **ORDER**

### **Definitions**

For purposes of this Order, the following definitions apply:

- A. “Clear(ly) and conspicuous(ly)” means that a required disclosure is difficult to miss (i.e., easily noticeable) and easily understandable by ordinary consumers, including in all of the following ways:
  1. In any communication that is solely visual or solely audible, the disclosure must be made through the same means through which the communication is presented. In any communication made through both visual and audible means, such as a television advertisement, the disclosure must be presented simultaneously in both the visual and audible portions of the communication even if the representation requiring the disclosure (“triggering representation”) is made through only one means.
  2. A visual disclosure, by its size, contrast, location, the length of time it appears, and other characteristics, must stand out from any accompanying text or other visual elements so that it is easily noticed, read, and understood.
  3. An audible disclosure, including by telephone or streaming video, must be delivered in a volume, speed, and cadence sufficient for ordinary consumers to easily hear and understand it.
  4. In any communication using an interactive electronic medium, such as the Internet or software, the disclosure must be unavoidable.
  5. On a product label, the disclosure must be presented on the same display panel as the claim being qualified.
  6. The disclosure must use diction and syntax understandable to ordinary consumers and must appear in each language in which the triggering representation appears.

7. The disclosure must comply with these requirements in each medium through which it is received, including all electronic devices and face-to-face communications.
  8. The disclosure must not be contradicted or mitigated by, or inconsistent with, anything else in the communication.
  9. When the representation or sales practice targets a specific audience, such as children, the elderly, or the terminally ill, “ordinary consumers” includes reasonable members of that group.
- B. “Made in the United States” means any representation, express or implied, that a product or service, or a specified component thereof, is of U.S.-origin, including, but not limited to, a representation that such product or service is “made,” “manufactured,” “built,” or “produced” in the United States or in America, or any other U.S.-origin claim.
