Re: *Insilco Corporation*
Docket No. C-3783, File No. 011-0164

Dear Mr. Curphey and Mr. Queen:

The Commission has conducted an investigation to determine whether Insilco is violating or has violated the Decision and Order issued by the Commission in Insilco Corporation, Docket No. C-3783 ("Order").

Upon further review of this matter, it now appears that no further action by the Commission is warranted at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

By direction of the Commission.
