[40 CFR Part 115]

AQUACULTURE PROJECTS

Extension of Comment Period

On June 13, 1974, the Environmental Protection Agency (EPA) published a notice of proposed rulemaking pursuant to sections 318 and 501 of the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1311 et seq. (39 FR 20770). The proposed regulation establishes requirements for the approval of discharges of pollutants to aquaculture projects. The due date for comments provided in the notice was July 15, 1974.

Several requests for an extension of time in which to comment have been received by EPA from interested persons who indicated that additional time was required in which to prepare and submit meaningful comments.

EPA has decided that an extension of time to August 15, 1974 is reasonable. Accordingly, the due date for submission of comments is hereby extended to and including August 15, 1974.

FEDERAL COMMUNICATIONS COMMISSION

[47 CFR Part 76]

CABLE TELEVISION; NETWORK PROGRAM EXCLUSIVITY

Order Extending Time for Filing Comments and Reply Comments

In the Matter of Amendment of Subpart F of Part 76 of the Commission's rules and regulations with respect to network program exclusivity protection by cable television systems.

1. On April 9, 1974, the Commission released its notice of inquiry and proposed rulemaking in the above-entitled proceeding, setting a due date of June 17, 1974, and July 5, 1974, for comments and reply comments respectively. In response to petitions for extension of time filed by the Association of Video Service and Telecasters, the National Association of Broadcasters and several other parties the Commission, by order released June 7, 1974, (39 FR 20619) extended the time for filing comments to July 17, 1974, and for reply comments to August 12, 1974.

2. On July 8, 1974 the National Cable Television Association (NCTA) filed a petition for an additional 15 day extension of time, until July 30, 1974, in which to file comments. NCTA states that this additional period is needed to complete the compilation of data to be submitted to the Commission in the proceeding.

3. We will grant NCTA's petition to extend the time for filing comments in Docket No. 1995, it appearing that the public interest would be served by so doing.

Accordingly, it is ordered that the dates for filing comments and reply comments in Docket No. 1995 are extended to and including July 30, 1974 and August 27, 1974, respectively.

This action is taken by the Chief, Cable Television Bureau, pursuant to authority delegated by § 0.239(c) (4) of the Commission's rules.
