FEDERAL TRADE COMMISSION

16 CFR Part 23

Guides for the Jewelry, Precious Metals, and Pewter Industries

AGENCY: Federal Trade Commission (“FTC” or “Commission”).

ACTION: Extension of deadline for submission of public comments.

SUMMARY: The FTC is extending the deadline for filing public comments on the Guides for the Jewelry, Precious Metals, and Pewter Industries.

DATES: Comments will be accepted until June 3, 2016.

ADDRESSES: Interested parties may file comments online or on paper by following the instructions at the end of the SUPPLEMENTARY INFORMATION section below. Write “Jewelry Guides, 16 CFR part 23, Project No. G711001” on your comment, and file your comment online at https://ftcpublic.commentworks.com/ftc/jewelryguidesreview by following the instructions on the web-based form. If you prefer to file your comment on paper, mail your comment to the following address: Federal Trade Commission, Office of the Secretary, 600 Pennsylvania Avenue NW., Suite CC–5610 (Annex O), Washington, DC 20580, or deliver your comment to the following address: Federal Trade Commission, Office of the Secretary, Constitution Center, 400 7th Street SW., 5th Floor, Suite 5610 (Annex O), Washington, DC 20024.

A trade association representing jewelry industry members, Jewelers Vigilance Committee (“JVC”), requests a 60-day extension of the comment deadline. JVC explains that the FRN poses many questions that may require consumer research, metallurgical testing, and other information developed through experts. JVC states that additional time is therefore needed for the committees it has convened to coordinate their work, perform the necessary analysis, and develop meaningful consumer research and other expert information.

Given the complexity and range of issues raised in the FRN, including the request for consumer perception evidence, the Commission believes that allowing additional time for filing comments would help facilitate the creation of a more complete record. Moreover, this brief extension would not harm consumers because the current Guides remain in effect during the review process. Therefore, the Commission has decided to extend the comment period to June 3, 2016.

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before June 3, 2016. Write “Jewelry Guides, 16 CFR part 23, Project No. G711001” on your comment. Your comment—including your name and your state—will be placed on the public record of this proceeding, including, to the extent practicable, on the public Commission Web site, at http://www.ftc.gov/os/publiccomments.shtm. As a matter of discretion, the Commission tries to remove individuals’ home contact information from comments before placing them on the Commission Web site. Because your comment will be made public, you are solely responsible for making sure that your comment does not include any sensitive personal information, such as anyone’s Social Security number, date of birth, driver’s license number or other state identification number or foreign country equivalent, passport number, financial account number, or credit or debit card number. You are also solely responsible for making sure that your comment does not include any sensitive health information, such as medical records or other individually-identifiable health information. In addition, do not include any “trade secret or any commercial or financial information which . . . is privileged or confidential,” as discussed in Section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2). In particular, do not include competitively sensitive information such as costs, sales statistics, inventories, formulas, patterns, devices, manufacturing processes, or customer names.

If you want the Commission to give your comment confidential treatment, you must file it in paper form, with a request for confidential treatment, and you must follow the procedures explained in FTC Rule 4.9(c), 16 CFR 4.9(c). Your comment will be kept confidential only if the FTC General Counsel, in his or her sole discretion, grants your request in accordance with the law and the public interest.

Postal mail addressed to the Commission is subject to delay due to heightened security screening. Accordingly, we encourage you to submit your comments online. If this Notice appears at http://www.regulations.gov, you also may file a comment through that Web site. If you file your comment online, write “Jewelry Guides, 16 CFR part 23, Project No. G711001” on your comment.

In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c), 16 CFR 4.9(c).

Interstate Compact on Educational Opportunity for Military Children

AGENCY: Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Proposed rule.

SUMMARY: DOD is establishing policies based on section 539 of Public Law 111–84 to implement the Interstate Compact on Educational Opportunity for Military Children (referred to as the “Compact”) within the DoD. The proposed rule provides components with policies to support the intent of the Compact, which is to aid the transition of school-age children in military families between school districts. The intent of the program is to ensure children are enrolled immediately in their new school, placed in the appropriate academic program, and are able to graduate on time.

Each state joining the compact agrees to address specific school transition issues in a consistent way and minimize school disruptions for military children transferring from one state school system to another. The compact consists of general policies in four key areas: Eligibility, enrollment, placement and graduation. Children of active duty members of the uniformed services, National Guard and Reserve on active duty orders, and members or veterans who are medically discharged or retired for one year are eligible for assistance under the Compact.

DATES: Comments must be received by May 6, 2016.

ADDRESSES: You may submit comments, identified by docket number and/or Regulatory Information Number (RIN) number and title, by any of the following methods:

Instructions: All submissions received must include the agency name and docket number or RIN for this Federal Register document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at http://www.regulations.gov as they are received without change, including any personal identifiers or contact information.

SUPPLEMENTARY INFORMATION:

Executive Summary

I. Purpose of This Rulemaking

This proposed rule provides components with policies to support the intent of the Compact, which is to aid the transition of school-age children in military families between school districts. The intent of the program is to ensure children are enrolled immediately in their new school, placed in the appropriate academic program, and are able to graduate on time.

Each state joining the compact agrees to address specific school transition issues in a consistent way and minimize school disruptions for military children transferring from one state school system to another. The compact consists of general policies in four key areas: Eligibility, enrollment, placement and graduation.

As of August 2014, 50 states have passed legislation to become members of the compact, including most of those with large numbers of military residents. The Department of Defense Education Activity cannot be a member of the compact but is complying with its provisions in both overseas and domestic schools. In return, the compact member states have agreed to treat students coming from a DoDEA school as though they were transferring from a member state. The compact has provisions for member states to facilitate enrollment in the following areas:

- Education records. When a family leaves a school district in a member state, the parents may receive a set of unofficial records to carry to the new school in another member state. It will include all the information the new school needs to enroll and place the child until they receive the official records. In addition, the compact requires all sending school districts within member states to send official transcripts within 10 days of a request from the receiving state school district.

- Immunizations. If a child transferring to a member state needs additional immunizations, he or she may enroll and begin school. Parents then have 30 days to see that the child gets the required immunizations. If further immunizations are required, they must be started within 30 calendar days of enrollment. Tuberculosis testing is not covered under the compact since the TB test is not an immunization but rather a health screening.

- Kindergarten and first grade entrance age. If the entrance age requirement in the new school system is different, transitioning children may continue in the same grade if they have already started kindergarten or first grade where the family was previously stationed. This provision also allows children to move up to first or second grade, regardless of age requirements, if they have completed kindergarten or first grade in another state.

Placement and Attendance

Students from military families often miss appropriate placement in required classes, advanced placement and special-needs programs while awaiting evaluation at the new school. The compact requires cooperation in the following areas:

- Course and education program placement. A receiving school district in a member state must initially honor placement of a student based on his or her enrollment in the sending state, provided the new school has a similar or equivalent program. The receiving school may evaluate the student after
