triplicate to the address listed above. You may also submit comments through the Internet at http://www.regulations.gov.

Persons wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed stamped postcard on which the following statement is made: “Comments to Docket No. FAA–2016–9488; Airspace Docket No. 16–ASO–18.” The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded from and comments submitted through http://www.regulations.gov. Recently published rulemaking documents can also be accessed through the FAA’s Web page at http://www.faa.gov/airports_airtraffic/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the ADDRESSES section for address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except Federal Holidays. An informal docket may also be examined between 5:00 p.m., Monday through Friday, except Federal Holidays. An informal docket may also be examined between 9:00 a.m. and 4:30 p.m., Monday through Friday, except Federal Holidays at the office of the Eastern Service Center, Federal Aviation Administration, Room 350, 1701 Columbia Avenue, College Park, Georgia 30337.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11A, Airspace Designations and Reporting Points, dated August 3, 2016, and effective September 15, 2016. FAA Order 7400.11A is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11A lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 by removing the NOTAM part-time status of the Class E airspace designated as an extension to a Class D surface area at Southwest Georgia Regional Airport, Albany, GA. This action would bring the airspace description for the airport listed in FAA Order 7400.11A in line with the airspace hours listed in the applicable Chart Supplement (previously called Airport/Facility Directory).

Class E airspace designations are published in Paragraphs 6004 of FAA Order 7400.11A, dated August 3, 2016, and effective September 15, 2016, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal would be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Lists of Subjects in 14 CFR Part 71

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.11A, Airspace Designations and Reporting Points, dated August 3, 2016, effective September 15, 2016, is amended as follows:

Paragraph 6004 Class E Airspace Designed as an Extension to a Class D Surface Area.

FEDERAL TRADE COMMISSION

16 CFR Part 312

RIN 3084–AB20

Children’s Online Privacy Protection Rule Safe Harbor Proposed Self-Regulatory Guidelines; TRUSTe COPPA Safe Harbor Program Application To Modify Program Requirements

AGENCY: Federal Trade Commission (FTC or Commission).

ACTION: Notification announcing submission of modifications to TRUSTe’s Commission-approved “safe harbor” guidelines, and requesting public comment.

SUMMARY: The Federal Trade Commission publishes this document and requests for public comment concerning proposed modifications to TRUSTe’s self-regulatory guidelines,
Pursuant to Section 312.11 of the Rule, TRUSTe submitted proposed self-regulatory guidelines to the Commission that the FTC approved in May 2001. TRUSTe subsequently updated its guidelines to comply with the revised Rule, which became effective on July 1, 2013. TRUSTe is now seeking to modify its Commission-approved Safe Harbor program requirements. The text of the proposed modified program requirements is available on the Commission’s Web site, at www.ftc.gov.

Section B. Questions on the Proposed Modified Program Requirements

The Commission is seeking comment on various aspects of TRUSTe’s proposed modified program requirements, and is particularly interested in receiving comment on the questions that follow. These questions are designed to assist the public and should not be construed as a limitation on the issues on which public comment may be submitted. Each response should cite the number and subsection of the question being asked. For all comments submitted, please provide any relevant data, statistics, or any other evidence, upon which those comments are based.

1. Please provide comments on any or all of the proposed modifications to TRUSTe’s program requirements. For each provision commented on please describe (a) the impact of the provision(s), including benefits and costs, if any, and (b) what alternatives, if any, should be considered, as well as the costs and benefits of those alternatives.

2. Are the mechanisms used to assess operators’ compliance with the proposed modified program requirements effective? If not, please describe (a) whether and how TRUSTe could modify the assessment mechanisms to satisfy the Rule’s requirements, and (b) the costs and benefits of those modifications.

3. Are the incentives for operators’ compliance with the proposed modified program requirements effective? If not, please describe (a) whether and how TRUSTe could modify the incentives to satisfy the Rule’s requirements, and (b) the costs and benefits of those modifications.

4. Please provide comments on any other issue deemed relevant to this matter.

Section C. Invitation To Comment

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before May 24, 2017. Write “TRUSTe Application for Modifications to Safe Harbor Program Requirements, Project No. P024526” on your comment. Your comment—including your name and your state—will be placed on the public record of this proceeding, including, to the extent practicable, on the public Commission Web site, at https://www.ftc.gov/policy/public-comments. As a matter of discretion, the Commission may remove individuals’ home contact information from comments before placing them on the Commission Web site.

Postal mail addressed to the Commission is subject to delay due to heightened security screening. As a result, we encourage you to submit your comments online. To make sure that the Commission considers your online comment, you must file it at https://ftcpublic.commentworks.com/ftc/coppa_truste, by following the instructions on the web-based form. If you prefer to file your comment on paper, write “TRUSTe Application for Modifications to Safe Harbor Program Requirements, Project No. P024526” on your comment and on the envelope, and mail your comment to the following address:

Federal Trade Commission, Office of the Secretary, 5610 (Annex E), Washington, DC 20580, or deliver your comment to the following address:

SUPPLEMENTARY INFORMATION:

Section A. Background

On October 20, 1999, the Commission issued its final Rule pursuant to the Children’s Online Privacy Protection Act, 15 U.S.C. 6501 et seq., which became effective on April 21, 2000. On December 19, 2012, the Commission amended the Rule, and these amendments became effective on July 1, 2013. The Rule requires certain Web site and online service operators to post privacy policies and provide notice, and obtain verifiable parental consent, prior to collecting, using, or disclosing personal information from children under the age of 13. The Rule contains a “safe harbor” provision enabling industry groups or others to submit to the Commission for approval self-regulatory guidelines that would implement the Rule’s protections.

1 See 16 CFR 312.11(b)(2); 78 FR at 4013.
2 See 16 CFR 312.11(b)(3); 78 FR at 4013.
addition, your comment should not include any “trade secret or any commercial or financial information which . . . is privileged or confidential”—as provided by Section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2)—including in particular competitively sensitive information such as costs, sales statistics, inventories, formulas, patterns, devices, manufacturing processes, or customer names.

Once your comment has been posted on the public FTC Web site—as legally required by FTC Rule 4.9(b)—we cannot redact or remove your comment from the FTC Web site, unless you submit a confidentiality request that meets the requirements for such treatment under FTC Rule 4.9(c), and the General Counsel grants that request in accordance with the law and the public interest. Comments containing material for which confidential treatment is requested must be filed in paper form, must be clearly labeled “Confidential,” and must comply with FTC Rule 4.9(c). In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request, and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c).

Visit the Commission Web site at http://www.ftc.gov to read this document and the news release describing it. The FTC Act and other laws that the Commission administers permit the collection of public comments to consider and use in this proceeding as appropriate. The Commission will consider all timely and responsive public comments that it receives on or before May 24, 2017. You can find more information, including routine uses permitted by the Privacy Act, in the Commission’s privacy policy, at https://www.ftc.gov/site-information/privacy-policy.

By direction of the Commission.

Donald S. Clark,
Secretary.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Determination of Attainment by the Attainment Date for the 2008 Ozone Standard; District of Columbia, Maryland, and Virginia; Washington, DC-MD-VA Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to determine that the Washington, DC-MD-VA marginal ozone nonattainment area (the Washington Area) has attained the 2008 ozone national ambient air quality standard (NAAQS) by the July 20, 2016 attainment date. This proposed determination is based on complete, certified, and quality assured ambient air quality monitoring data for the Washington Area for the 2013 through 2015 monitoring period. This proposed determination does not constitute a redesignation to attainment. This action is being taken under the Clean Air Act (CAA).

DATES: Written comments must be received on or before May 25, 2017.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R03–OAR–2016–0369 at https://www.regulations.gov, or via email to rehn.brian@epa.gov. For comments submitted at Regulations.gov, follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. For either manner of submission, EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be confidential business information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, please contact the person identified in the FOR FURTHER INFORMATION CONTACT section. For the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit https://www.epa.gov/dockets/commenting-epa-dockets.

FOR FURTHER INFORMATION CONTACT: Gavin Huang, (215) 814–2042, or by email at huang.gavin@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Background

A. Statutory Requirement—Determination of Attainment by the Attainment Date

Section 181(b)(2) of the CAA requires EPA to determine, within 6 months of an ozone nonattainment area’s attainment date, whether that area attained the ozone standard by that date. Section 181(b)(2) of the CAA also requires that areas that have not attained the standard by their attainment deadlines be reclassified to either the next higher classification (e.g., marginal to moderate, moderate to serious, etc.) or to the classifications applicable to the areas’ design values in Table 1 of 40 CFR 51.1103. CAA section 181(a)(5) provides a mechanism by which the EPA Administrator may grant a 1-year extension of an area’s attainment deadline, provided that the relevant states meet certain criteria.

B. The Washington Area and Its Attainment Date

On July 18, 1997 at 62 FR 38855, EPA promulgated a revised ozone NAAQS of 0.08 parts per million (ppm), averaged over eight hours. This standard was determined to be more protective of public health than the previous 1979 1-hour ozone standard. In 2008, EPA revised the 8-hour ozone NAAQS from 0.08 to 0.075 ppm (the 2008 ozone NAAQS). See 73 FR 16436 (March 27, 2008). In a May 21, 2012 final rule, the Washington Area was designated as marginal nonattainment for the more stringent 2008 ozone NAAQS, effective on July 20, 2012. 77 FR 30086. The Washington Area consists of the Counties of Calvert, Charles, Frederick, Montgomery, and Prince George’s in Maryland; the Counties of Arlington, Fairfax, Loudoun, and Prince William and the Cities of Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park Cities in Virginia; and the entirety of the District of Columbia. See 40 CFR 81.309, 81.321, and 81.347.

In a separate rulemaking action, also published on May 21, 2012 and effective on July 20, 2012, EPA established the air quality thresholds that define the classifications assigned to all nonattainment areas for the 2008 ozone NAAQS (the Classifications Rule). See 77 FR 30160. This rulemaking also established December 31 of each...
