Subject: 4(c) Question

Hi all,

I have heard that letters of intent, offer letters are not responsive to 4(c)/(d) even if they have 4(c) content but no one has a confirmation that is PNO's view. If that is correct, I assume it falls under the not prepared for the purpose of analyzing or evaluating the transaction but rather for the purpose of convincing the seller to choose a particular buyer.

Please let me know if those types of documents, LOIs, offer letters, are responsive to 4(c)/(d).

Many thanks as always,
