It refers to physical locations, though many filers include both physical locations as well as the location of customers, and we are fine with that, too.

FYI, Evan is no longer with the agency. Please copy Sam Sheinberg, who is now part of the PNO.

Subject: Question re Item 7

Hello PNO:

For Item 7(c)(vi)(a), regarding Specialty Trade Contractors (238), does "conducts such operations" refer to physical locations, or locations of customers (i.e., where the services are provided)? Thanks.
