Subject: Affidavit and Certification (Urgent)

Dear PNO Staff:

First, I hope everyone had a great Fourth of July. I have an HSR filing that will be going out very soon and have a fairly urgent question about the signatory for the affidavit and certification pages.

A venture capital fund (Blue Fund LP) will be making an HSR filing as an acquiring person. According to § 803.6(a)(1), the notification must be certified, "[i]n the case of a partnership, by any general partner thereof." Blue GP LLC is the general partner of Blue Fund LP. Blue GP LLC has given the authority to execute documents on behalf of Blue GP LLC to the General Counsel of Blue Corp., a management services company that provides back office functions for Blue GP LLC. Please confirm that the General Counsel may sign the certification and affidavit as attorney-in-fact for Blue GP with respect to the HSR filing for Blue Fund LP.
