

Dear Sir or Madam:

I am writing because I am concerned about the new proposal. the way it reads,

I might not be able to continue as a distributor. Direct selling of products is something

I can do from home as I am disabled. Also the 7 day waiting period will make it hard

to follow up and the enthusiasm will wane and the person could, as a result lose the

opportunity to experience a feeling of better health! We also have a 90% buy-back

policy, which more than takes care of that issue.

My name is Kathryn McFadden, [REDACTED]

[REDACTED]. I have been

using the Mannatech products for 5 years and distributing them for about 3 years. the

quality of my life has been greatly improved since adding these food supplements to

my health plan. I distribute them on a limited basis, in order to help defray the cost

of some of my products.

thank you for giving my comments your attention!

Sincerely,
[REDACTED]
