Dear Sir or Madam,

I am writing this letter because I am concerned that if proposed **Business Opportunity Rule R511993** is adopted in its present form, my livelihood as a Natures Sunshine distributor will be significantly undermined.

I have been selling products for over 10 years and it contributes to my family income and it has helped my confidence and circle of close friends that are also my customers.

I understand that there may be fraudulent groups out there, but the FTCs proposed rule would unfairly target legitimate direct selling businesses. I am also concerned how this casts direct selling plans in a negative light and causes unnecessary delays, I rely on this income from Natures Sunshine and I think this is impractical to find 10 nearest distributors and raises privacy issues due to ID theft and safety.

Thank you for your time,
Kathleen Barker
