RE: Business Opportunity Rule, R511993

Dear Sir or Madam:

I am writing this letter because I am concerned about the proposed Business Opportunity Rule R511993. I believe that in its presented form, it could prevent me from continuing as a Distributor for Xango LLC. This could destroy my small business.

I enjoy the freedom of being an entrepreneur, which is the American dream and what many have fought and died for our right to pursue our dreams. I have been an independent Distributor with Xango for more than 2 years.

Originally, I started my Network Marketing because of the product I loved it and wanted to earn some additional money. Now my family depends on this extra income to supplement our budget. Please don't destroy my small business we need it!

Some of the sections in the proposed rule would make it hard or almost impossible for me to sell Xango.

This waiting period will give the public the idea that there's something wrong with our opportunity and also reflects badly on me. I also think this seven-day waiting period is unnecessary, because Xango already has a 90% buyback policy for all product including sales kits purchased by a distributor.

This will cost me money at the risk of having to quit my business. One of the most difficult sections of the proposed rule is the seven-day waiting period to enroll a new Distributor.

Xango's sales kit only costs \$35.00. People buy TVs, cars, and other items that cost much more than that and they don't have to wait seven-days. Under this waiting period requirement, I will need to keep very detailed records when I first speak to a prospect and will then have to send in reports to my company. I am a small home business and this burden hurt or destroy my business. This proposed rule is bad

Finally, the proposed rule requires the disclosure of a minimum of 10 prior purchasers nearest to the prospective purchaser. I am glad to provide references, but in this day of identity theft, I am very uncomfortable giving out the personal information of individuals (without their approval) to strangers. Women in my organization may be subject to sexual or racial harassment so this part can't go in at all, unless the FTC passes an addition to this rule Prohibiting sexual or racial attacks related to this disclosure. In the end the rule must bind the FTC to take direct enforcement action on sexual and racial attacks with a special unit assigned to monitor actions related to the disclosure forms.

I have seen many scams on the Internet and been approached by many crooks because of my success. This rule will do nothing to stop them. They hurt my business! This rule will not stop Crooks – they violate the current rule all the time. But I am a good American citizen and it will hurt me. Thank you and please help me.

Sincerely,
LeAnn Glass
Independent Xango Distributor
