Dear Federal Trade Commission:

I am writing this letter because I am concerned about the proposed Business Opportunity Rule R511993. I believe that in its present form, it could prevent me from continuing as a Market America Independent Distributor. I understand that part of the FTC's responsibilities is to protect the public from "unfair and deceptive acts or practices," but some of the sections in the proposed rule will make it very difficult if not impossible for me to sell Market America products and services.

I also know that after as many quarters of good business practice and many quarters of profit and sharring it with distributors through good business sense on the part of the individual business owners that anything prohibitive on your part is uncalled for.

Sincerely,

Carlos A. Bergeron
