

PETITION to The Federal Trade Commission

Relative To

Bi-Lo Holdings, LLC—Consent Agreement; File No. 131-0162

It is in the sincere believe that We the undersigned call on the Commissioners of the Federal Trade Commission to please consider that Bi-Lo Holdings's Proposed Acquisition and Closing of Harvey's Supermarket at 2526 S. Monroe St Tallahassee, FL 32301 would harm consumers in that the prices of food, groceries, or services will increase, and that the quality and selection of food, groceries, or services will decrease, in the southside communities of Tallahassee, Fl. and should require that this should be remedied by requiring the respondents withdraw this supermarket from the proposed acquisition, or to require compliance as specified in "AGREEMENT CONTAINING CONSENT ORDER" and "ORDER TO MAINTAIN ASSETS" related to "Bi-Lo Holdings, LLC-Consent Agreement; File No. 131-0162" as the Proposed Acquisition would have the same damaging effect as noted in the above "AGREEMENT CONTAINING CONSENT ORDER"
