PRIVACY

Which of the following have you done to protect your family's privacy online?

Have you done this in the past year or not?

- | | Have done
in the past
year | Have done this
more than a
year ago | Never
have done
this |
|--|----------------------------------|---|----------------------------|
| 01 Reminded my kids not to share personal information (such as their birthdate, address, or phone number) online. | | | |
| 02 Talked to my children about what is and is not appropriate to post online. | | | |
| 03 Been careful to use screen names that would not let others know my real name. | | | |
| 04 Changed my social networking (e.g. Facebook, Twitter) privacy settings to control what information I share with whom. | | | |
| 05 Discussed with my children that they should not share their passwords with anyone other than their parents. | | | |
| 06 Reminded my kids that once they send a text or post information online, they cannot take it back or control who sees it. | | | |
| 07 Encouraged my children that if they feel uncomfortable or threatened by something they see online, to tell me about it. | | | |
| 08 Reviewed my children's online friend list. | | | |
| 09 Understand the privacy policies of the online sites my children visit. | | | |
| 10 Read comments and posts from my children and items others have sent to them. | | | |
| 11 Discussed with my children that apps they download can impact their privacy. | | | |
| 12 Turned off features that tell apps and websites my location. | | | |
| 13 Educated my family about how to prevent becoming a victim of identity theft. | | | |

How much do you agree or disagree with the following statement?

All members of my household are very careful in protecting their online privacy.

Strongly agree

Agree

Neither agree/disagree

MY BE A PRO PARENT FRIENDS SCORES

None of your friends took this quiz yet.

DID YOU KNOW?

Nearly half of kids give out personal information to strangers online. Teach yours to only share appropriate information.

MY PROGRESS

You have 12 levels left to complete.
