

April 19, 2014

Federal Trade Commission
Office of the Secretary
600 Pennsylvania Avenue, NW, Room CC-5610 (Annex N)
Washington, DC 20580

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern:

Stop pushing environmental regulations without considering the consequences that they have on all areas of our everyday lives. Be smarter when mandating regs. Bring in consultants from the auto and motorcycle industries before passing laws.

Sincerely,
lou saker, NJ
