Federal Trade Commission
Office of the Secretary
600 Pennsylvania Avenue, NW, Room CC-5610 (Annex N)
Washington, DC 20580

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern:

Only the rich can afford the vehicles that can properly burn the 15% blend. Just hold off for 5 to 10 years so the new vehicles that can use the blend today will be older and the poor can afford the correct used vehicle tomorrow.

Sincerely,
paul fisher, oh
