600 Pennsylvania Avenue, NW, Room CC-5610 (Annex N)
Washington, DC 20580

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern:

It is time for the EPA and the FTC to stop promoting the falacy of Ethanol. I am deeply opposed to the increased ratio of 15% ethanol, and am also opposed to the current proposal of labeling. STOP!! ENOUGH!!!

Sincerely,
Paul Grenier, NH
