600 Pennsylvania Avenue, NW, Room CC-5610 (Annex N)
Washington, DC 20580

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

Labeling will not be enough and will still result in people mistakenly putting ethanol fuel in there small engines causing damage. If you are acknowledging the dangers of this then a different course of action is needed.

Sincerely,
David Tarantino, NY
