600 Pennsylvania Avenue, NW, Room CC-5610 (Annex N)
Washington, DC 20580

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

Please reconsider the damage in billions this new fuel blend will cause on 22 million motorcyclists and recreational All terrain vehicle riders.

This will void all of the manufacturers warranties and will burn much hotter than fuel with less ethanol in the fuel.

Sincerely,
Dr. Stephanie Johnson, WA
