Washington, DC 20580

May 6, 2014

RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

Ethanol is hazardous to the environment and our engines. Allow gas stations to sell non ethanol gas at all stations. The only reason ethanol even is sold is because of government putting money in the large corporate pockets in the farming industry. REMOVE all ethanol from all gas.

Sincerely,
Richard Donk, FL
