RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

I am an motorcycle enthusiast, and I am very concerned with the problems associated with the use of E15 fuel. I do not want to have my engine damaged, nor to have my warranty voided by using this type of fuel. I hope something can be done to prevent this type of fuel from being offered at any gas station, even with the proposed labeling.

Sincerely,
wayne modesitt, CA
