RE: 16 CFR Part 306; Automotive Fuel Ratings, Certification and Posting; Project No. R811005

To Whom It May Concern,

Please do not allow E-15 gasoline to be sold. It will almost certainly damage automobile motors, and will certainly damage motorcycle motors, of which I operate 6.

This is an unreasonable change that needs to be stopped to protect Americans.

Sincerely,  
Bob Spring  
California
