Re: Whirlpool Corporation Support of AHAM Comments; Supplementary Notice of Proposed Rulemaking on Energy Labeling Rule Regulatory Review (16 CFR Part 305) (Project No. R611004)

Dear Mr. Newsome:

Thank you for the opportunity to submit comments on the Federal Trade Commission's (FTC) Supplementary Notice of Proposed Rulemaking on Energy Labeling Rule Regulatory Review (16 CFR Part 305) (Project No. R611004), 79 Fed. Reg. 34642 (June 18, 2014).

As a very active member of the Association of Home Appliance Manufacturers (AHAM), Whirlpool Corporation has worked closely with them in the development of the comments they submitted to FTC (under separate cover). **Please be advised that we strongly support the positions taken by AHAM and have no further comment at this time.**

Thank you again and we are happy to discuss this matter further should you so request.

Sincerely,

Nick Gillespie
Senior Manager, Government Relations
