The house was in great shape and very clean. It had everything my family needed for our week in Dallas! John was quick to reply to any questions we had during our stay.

Vimal was a great guest. He left the place in great shape and communicated regularly any change in plans or needs. I would host Vimal, his wife and family any time.

John was very helpful in showing me how things worked. The house is in a lovely neighborhood. The proximity to neighborhood grocery store, service station and eateries was good. You do need to have a car. It is very quite and clean. The house is comfortable. It has an excellent kitchen. Since our visit was in winter we did not use any of the outdoor facilities.

We very much enjoyed our stay in John and Anne Marie's lovely home. John met us when we arrived, took us on a tour of the home, showed us everything that was available for our use and demonstrated how to use the hot tub. Our family was able to celebrate Thanksgiving together under one roof in a beautiful home in a quiet, peaceful neighborhood with parks, walking trails, and school yards near-by. Thank you, John and Anne Marie.

John is a fantastic host, their house is impeccable and lovely, tastefully designed and just made our experience top notch. I wish all the houses were as nice and clean as John's place and would highly recommend it to anyone looking in this area.

We were very pleased with Jack as our host. Everything was according to what was agreed up front. Jack is a pleasant host and was very helpful and accessible to us during our stay.

The house was great. Newly remodeled in tasteful colors and great quality. The house matched our expectation from the presentations online. The pool was very nice to have in the Texas summer heat! The neighborhood is nice and quiet yet close to all required shopping, services and motorways.
