

**Greg (Uber)**

Sorry about that,

\$1.77 has been added to include the missing toll charges for Denton Tap Main Lane Gantry and Coit Road. The toll will show in the Miscellaneous Items section of your next Payment Statement.

This adjustment is now visible on your [Partner Dashboard](#) and in the Partner App under 'Trip History'. It will also be reflected on next week's payment statement.

Please continue to let us know about any trips that may need adjustment within 48 hours so that we may charge the rider and adjust appropriately. The easiest way to do this is directly through the Partner App 'Help' page.

Please let me know if you need further help. Otherwise, have a great day ahead!

Uber on! :)

**Greg**
