## REMINDER: Payment is due to avoid account suspension

Seller ID:

Balance due as of 01/25/2018: \$ 165.39

Dear Richard Bruno,

**YOUR ACCOUNT IS ON HOLD and you can no longer buy or list new items on eBay. To avoid account suspension, removal of all of your current listings (including any Good 'Til Cancelled listings) and further collection activity, which could include referral to a collection agency, you must pay the amount you owe immediately.**

It's quick and easy to resolve this today. You can:

- Make a one-time payment to bring your account up-to-date.
- Add or update your automatic payment method to have future payments automatically deducted each month starting with your next billing cycle.

Just follow the instructions in the "make a payment" section.

Note: this balance is a result of Seller Fees that are due, which include insertion, final value and/or eBay
