Mr. James McBride
C/o Architectural Committee
Villages Resort
18270 Singing Wood Lane
Flint, Texas 75762

Dear Committee,

Pursuant to the by-laws of VS I - VI, I am requesting that my three lots be merged into a single lot to facilitate the proper building unit. This lot will consist of RV Pad, septic system, driveway and Cabin with allowed amenities such as Solar, rainwater recovery and approved landscaping. My request is to combine the three lots as allowed in our by-laws.

I have enclosed a document indicating my need and preliminary design and working with an Architect that is familiar with the original design and intent of The Villages on Lake Palestine. Each step will be made to meet all the requirements. The forms will be completed and forwarded with approval or per instructions noted in the by-laws.

Sincerely,

Charles & Luz Waldie

Cc: J. Jennings, P. Milne
