

NATIONAL TRAINING PROGRAM WEB RESOURCES

The [National Training Program \(NTP\)](#) is the official source for consistent, accurate, and reliable information about the Centers for Medicare & Medicaid Services (CMS) administered programs—Medicare, Medicaid, the Children’s Health Insurance Program (CHIP), and the Health Insurance Marketplace.

This job aid features key websites, associated resources, and tools to help our partners, stakeholders, not-for-profit professionals, and volunteers (who work with consumers and their families) help others make informed decisions about their health care coverage.

Access the [CMS National Training Program \(NTP\) Learning Management System \(LMS\)](#) which enables end-users to take courses, download documents, watch videos, and use other helpful tools. Sign up for the listserv by selecting “[Get email updates](#)” at the top center of the site to get monthly updates and information on upcoming training events and educational materials.
