

Office of the Commissioner

UNITED STATES OF AMERICA  
Federal Trade Commission  
WASHINGTON, D.C. 20580

**STATEMENT OF  
COMMISSIONER ROHIT CHOPRA**

*In the Matter of Your Therapy Source, LLC, Neeraj Jindal, and Sheri Yarbray  
Commission File No. 1710134*

*July 31, 2018*

The conduct uncovered in this investigation was a clear violation of law. The Federal Trade Commission is proposing to resolve this matter with a resolution that does not include any notice or restitution to those targeted by this unlawful conduct, nor any admission of facts or liability.

While in some situations, this may be appropriate, the Commission would benefit from hearing from the public on whether it should follow this approach in this and future matters, especially those involving our country's growing "gig economy."
